But not until recently did I ever surmise for one moment how many backyard critters one could have visiting or living there. So I decided to watch and study any of these critters that made themselves apparent to me. As I would sit and watch these critters, I kept thinking, Why all these critters, large or small, must have a story to tell. Through your imagination, these critters will lead you through their tales of fun and excitement with some unexpected twists and turns around every corner. ENJOY
