Kendall, 2012-06-12 No one can appreciate the size or shape of a forest without flying over top to view the big picture The Bible is like a forest and individual books are similar to trees Studying small portions of Scripture is worthwhile and necessary Nevertheless one of the first steps of discipleship after salvation should be an understanding of the big picture in the Bible God's Unfolding Story of Salvation teaches believers that the biblical storyline is Christ centered Often people think of redemptive history only in terms of its promises in the Old Testament and its fulfillment in the New Testament There is much more to the story than that In the Old Testament the Holy Spirit also points to Christ through preparation for his birth pictures or types and anticipation Since God s story ultimately affects each one of us it is worth the time and effort required to understand it If you do this you will discover a pearl of great value Forgiveness of sin and reconciliation with God are the greatest needs of everyone past present and future This redemption story brings glory to God and benefits believers Wild Truth Bible Lessons--Pictures of God Mark Oestreicher, 2010-06-01 Here are 12 active Bible lessons for junior high Sunday school classes or youth group meetings each one based on one of the 50 pictures of God presented in Wild Truth Journal Pictures of God energetically relevantly and scripturally The lessons are loaded with off the wall and easy to do discussion starters video ideas scripts and games with a point And of course there are plenty of Bible passages and studies to springboard junior highers from the abstract into the concrete as open Bibles in hand they explore the nature of God in a lively relevant way then begin practicing the traits of God in their own lives 12 lessons
