American Book Publishing Record ,2001 TO BE, TO THINK, TO LOVE, TO DO. Meister Eckhart ethics for your life. Claudia Daneu,2016-08-31 To live has never been easy Thus ethics is born as the art of being thinking loving and doing Meister Eckhart s teachings reveal a concept of duty absolutely different from the current concept and even from the concept of duty in most systems throughout the history of philosophy In his view duty is moved by freedom and pure love toward God the human race and the world Freedom and love are the most powerful tools to think decide and act with at any time in lifetime in all respects The deepest comprehension of one s own story is fundamental and Meister Eckhart also explains how to transfigure suffering and take consolation from it In the eckhartian ethics all events and things find their meaning within the greatest unity of sense where God s will and man s will interact unceasingly Meister Eckhart discovers the divine uncreated essence deeply concealed in man s nature But to follow this way will imply the acceptance the disposition and the personal effort on your part Stepping Stones to a Higher Vision Joseph P. Schultz,2021-07-29 Stepping Stones to a Higher Vision examines the development of religious consciousness from religion to spirituality to mysticism This developmental path imaginatively described as stepping stones in the title of the book and as elevators of religion in chapter one has its rewards but also its dangers and pitfalls Intended for the non specialist lay person interested in religion as well as the scholar the book focuses on Jewish tradition and its sources Hebrew Bible Talmud Midrash and Kabbalah but in a broad cross cultural interdisciplinary context Ritual prayer including meditation and contemplation ethics and morality religious leadership and the afterlife are analyzed in the context of sociology science and the history of religion *Thinking about Prayer* Owen F. Cummings,2009-08-01 Many people think of prayer and worship in terms that are too narrow Sometimes they also entertain presuppositions about prayer and worship that need to be expanded and critiqued and challenged to make them more mature and informed This book seeks to address these issues It is an invitation to engage with prayer and worship in ways that enlarge our capacity to think about address and encounter God through liturgy and theology the arts and poetry as well as basic critical thinking Franciscans at Prayer Timothy Johnson,2007-04-30 Medieval Franciscans prayed in hermitages and churches on the road and in the piazza with song and silence The unique stories of these men and women as their engaging texts stunning architecture and breath taking artwork suggest are narratives of souls enfleshed in their respective worlds of the leprosarium university or itinerant preaching The essays in this book foster a nuanced perspective

on Franciscan beliefs and spiritual practices by resisting the temptation to reduce their myriad accounts of prayer to an exclusive univocal spirituality By displaying the breadth and depth of these medieval Franciscans at prayer these essays challenge contemporary readers to look anew at this cloud of witnesses from the past who both lay and religious promoted a diversity of spiritual expression that found a familial focus in their mutual passion for the divine and the world they shared

Forever Prayer Jimmie L. Hancock, 2018-10-31 Forever Prayer is the story of one man's search for understanding the essential nature of prayer The conclusion is that our thoughts reveal who we really are and what we truly desire and God is keenly aware all the time of all our thoughts That makes us forever at prayer because God is always listening in on our thoughts If we can believe this and become aware that we are always at prayer our lives will become more in tune with God's presence and desires as revealed to us in his Word Forever Prayer will enlighten and renew your thinking about prayer Have you ever considered your thoughts being known to God That would mean you are always at prayer because God would always know your desires at all times It would also make it very important to maintain good thoughts that please God Also good behavior would be expected to follow Of course you would have to know what pleases God and that would mean having a knowledge of the Bible which contains God's desires for your life
