90 Days to Knowing God Better David McCoy, Trish McCoy, 2023-04-13 Almost everybody knows of God Many even know about God However just as people know some people better than others some people know God better than others Think of it like this When you know people on a personal or an intimate level don't you know what they are thinking even before they say it Or can't you read between the lines and know what they were thinking that they didn't say You probably even know what their wishes are without them having to tell you You know how their mind works and what they think what makes them tick and what makes them ticked While God is a God of love there is so much more to Him He has thoughts and opinions and emotions and feelings In the Bible God is said to love laugh enjoy take delight in rejoice as well as be angry happy jealous and glad Do you know Him that well The prophet Isaiah said that God sits on the circle of the Earth and we appear as grasshoppers yet He knows everything about us even the number of hairs on our head He has intimate knowledge of us In comparison at best we have only touched the surface of what we know of Him While He doesn't tell us everything He knows He has told us everything He wants us to know There are nuggets of truth burrowed deep in the scriptures for those who wish to learn of Him and make the effort to search for Him Now is a good time to get to know Him better Eternity is just ahead and it lasts a long time We serve a great God and He has good things planned for those who love Him He says in Ephesians that He is going to spend the ceaseless ages of eternity showing us His kindness That's a God worth knowing

LIVING THE 11TH COMMANDMENT Larry A. Greene, 2025-07-08 For centuries the Ten Commandments identified Israel as the people of God They were strict and written in stone setting the people of Israel apart from everyone else The night before he died Jesus gave a new commandment one that he said distinguishes all believers as his followers What is it that makes you stand out as a Christian Adherence to biblical doctrine Concern for the social issues of the day Faithfully attending worship services at your church Looking right speaking right living right While all of these are good Jesus said that there is one action that demonstrates you are one of his followers loving one another So profound was this new commandment John 13 34 that it is

repeated fifteen times in ten different passages in the NT In exploring these passages you can learn both what it means and how to Live it Out as a follower of Jesus

All Things New Tim Snider, 2011-10-05 All Things New is not just another book on Bible prophecy Are we the terminal generation Are we the generation of mankind that will see the fulfillment of its prophecies This book answers those questions The book of Revelation needs to be engaged more now than in any era of human history However many recent books on the subject of Revelation take a much too scholarly approach to a book that was written to be understood by the common man All Things New is a verse by verse commentary guide for the Christian or non Christian reader who may simply want to know what the book of Revelation is all about and what its significance is for us today Included are definitions of the basic terms related to the Church and Christianity that a non believer might not understand but are necessary for a clear comprehensive understanding of Revelation This book is not just about scary beasts incomprehensible images and mind boggling catastrophes and judgments Its also a book of vindication for the people of God a demonstration of God s eternal justice and most importantly a book of hope for a world that seems to have lost its way There are storm clouds on the horizon and a cold night of despair will follow but the night is never so cold as just before the dawn May everyone who reads this book find joy peace and tranquil hope for the future in the person of Jesus Christ A new day is coming and a new world will dawn in which God will indeed make All Things New To read a Kirkus review for this book copy and paste this address into your browser <http://www.kirkusreviews.com/book-reviews/tim-snider/all-things-new-snider-review>

Lessons for the Life of Faith Patrick Mead, 2009-04-09 Out of a sinful and secular world the Lord called Abraham to live a life of faith This entailed Abraham to leave everything he knew and travel to a land he had never seen Abraham boldly began his life of faith yet he still had moments of hesitation and delay throughout his life It wasn t until Abraham yielded himself fully to the will of God in his life of faith that he received the son of prophecy Isaac and safely

brought him through the long journey to the Promise Land Although Abraham is considered the hero of faith he is in no way without his flaws In fact we can learn as much from his flaws as from his virtues In studying Abraham's life we'll notice his struggle to trust God especially when times get tough Every true believer faces conflicts and trials that test our ability to trust God therefore Abraham's life gives us much to glean from concerning the Christian pilgrimage Journal of a Mad Man Derrick McC Carson,2014-02-19 What is the meaning of life The question has been asked by the brightest philosophical minds for centuries Still to this day answers vary greatly depending on the worldview Solomon the wisest king in Israel's history set all his energies to search for the ultimate meaning of life under the sun His conclusions may shock and surprise you vanity chasing after the wind absurdity vanishing smoke Are these the musings of a genius or of a mad man If you are looking for a candy coated appraisal of life then go ahead and put this book down However if you are looking for a no frills brutally honest ragged edged assessment of reality then you have discovered an indispensable volume In Journal of a Mad Man pastor and author Derrick McC Carson will carefully guide readers verse by verse through Solomon's meditations recorded in the Old Testament book of wisdom Ecclesiastes Not only will readers attempt to plumb the depths of some of mankind's most vexing questions but they will also discover Solomon's secrets for wise living in a warped world *Growing Missionaries Biblically* R.
