Lennon and McCartney Thomas MacFarlane, 2022-09-30 *Lennon and McCartney Painting with Sound* explores the work of two of the

most influential composers of the twentieth century Five decades after the breakup of the Beatles the music of John Lennon and Paul McCartney continues to fascinate and inspire Evidence suggests that their uniquely eclectic approach can be traced back to the Liverpool College of Art Following on that idea this book explores the creative dialogue between John Lennon and Paul McCartney both with the Beatles and on their own that grew out of that early influence The book is presented in three sections I Stretching the Canvas considers the Liverpool College of Art as the backdrop for John and Paul s early collaborations with painter and musician Stuart Sutcliffe This is followed by discussions of select works created by the Beatles between 1962-69 II Extending the Space focuses on the long distance creative dialogue between Lennon and McCartney as demonstrated in their respective solo recordings of the 1970s III New Colours considers the final works of the Lennon and McCartney creative dialogue as well as various McCartney solo projects released in the years that followed Lennon s death in 1980 Here the focus is on Paul s development as a painter its effect on his creativity and his subsequent efforts to establish the Liverpool Institute for Performing Arts as a world class arts conservatory

The Complete John Lennon Songs Paul Du Noyer, 2025-05-08 INCLUDES COMPLETE JOHN LENNON LYRICS FOR THE FIRST TIME Lennon s life after the Beatles was eventful and fascinating He moved from stardom in the world s biggest pop group to global peace campaigner and figurehead for radical causes He left England for a new life in the USA with Yoko Ono He later abandoned public life and retired to his New York apartment to raise their son and live the life of a recluse In 1980 he re-emerged with a new album but the plan to resume his career was cruelly curtailed on a fateful night outside the Dakota Building when he

was murdered Upon first publication this book was the first to examine and assess all of John Lennon's solo work This updated edition includes lyrics and is released on the 40th anniversary of his death and the 80th anniversary of his birth

Stories Done Mikal Gilmore, 2008-11-18 The 1960s and 1970s represent a rare moment in our cultural history music was exploring unprecedented territories literature was undergoing a radical reinvention politics polarized the nation and youth culture was at the zenith of its influence There has never been nor is there likely to be another generation that matches the contributions of the artists of that time period In this poignant book journalist Mikal Gilmore weaves a narrative of the 60s and 70s as he examines the lives of the era's most important cultural icons Keeping the power of rock roll at the forefront Gilmore gathers together stories about major artists from every field George Harrison Ken Kesey Johnny Cash Allen Ginsberg to name just a few Gilmore reveals the truth about this idealized period in history never shying away from the ugly influences that brought many of rock's most exciting figures to their knees He examines how Jim Morrison's alcoholism led to the star's death at the age of twenty seven how Jerry Garcia's drug problems brought him to the brink of death so many times that his bandmates did not believe the news of his actual demise how Pink Floyd struggled with the guilt of kicking out founding member Syd Barrett because of his debilitating mental illness As Gilmore examines the dark side of these complicated figures he paints a picture of the environment that bred them taking readers from the rough streets of Liverpool and its more comfortable suburbs to the hippie haven of Haight Ashbury that hosted the infamous Summer of Love But what resulted from these lives and those times Gilmore argues was worth the risk in fact it may be inseparable from those hard costs The lives of these dynamic and diverse figures are intertwined with Gilmore's exploration of the social political and emotional characteristics that defined the era His insights and examinations combine to create a eulogy for a formative period of American history
