Karush, Oscar Chamosa, 2010-05-21 A collection of essays on the cultural dimensions of Peronism the connections between Argentine popular consciousness and the state particularly during Perón's first regime 1946-55 Doña María Daniel James, 2004 Parties and Power in Modern Argentina 1930-1946 Alberto Ciria, 1974-01-01 An analysis of the immediate causes of Peronism in its formative stages is included in this study of the emergence of powerful pressure groups and the decay of traditional political parties in Argentina during the period 1930-1946 A detailed well documented description of Argentine politics through four administrations Originally published in Spanish as Partidos y poder en la Argentina Moderna 1930-1946 by Editorial Universitaria de Buenos Aires in 1966 *Transformations and Crisis of Liberalism in Argentina, 1930-1955* Jorge A. Nállim, 2014-08-14 Nállim chronicles the decline of liberalism in Argentina during the volatile period between two military coups the 1930 overthrow of Hipólito Yrigoyen and the deposing of Juan Perón in 1955 While historians have primarily focused on liberalism in economic or political contexts Nállim instead documents a wide range of locations where liberalism was claimed and ultimately marginalized in the pursuit of individual agendas Nállim shows how concepts of liberalism were espoused by various groups who invented traditions to legitimize their methods of political religious class intellectual or cultural hegemony In these deeply fractured and corrupt processes liberalism lost political favor and alienated the public These events also set the table for Peronism and stifled the future of progressive liberalism in Argentina Nállim describes the main political parties of the period and deconstructs their liberal discourses He also examines major cultural institutions and shows how each attached liberalism to their cause Nállim compares and contrasts the events in Argentina to those in other Latin American nations and reveals their links to international developments While critics have positioned the rhetoric of liberalism during this period as one of decadence or irrelevance Nállim instead shows it to be a vital and complex factor in the metamorphosis of modern history in Argentina and Latin America as well *La Argentina democrática* Antonio Camou, María Cristina Tortti, 2007

backroom deals and legal actions that allowed Juan Domingo Perón to convert Latin America's most vibrant commercial newspaper industry into the region's largest state dominated media empire An interdisciplinary study drawing from labor history communication studies and the history of ideas this book shows how decades old conflicts within the newspaper industry helped shape not just the social crises from which Peronism emerged but the very nature of the Peronist experiment as well

Domingo A. Mercante Carolyn A. Becker, 2005-09-19 The history of Argentina in the second half of the twentieth century was dominated by the charismatic figures of Juan Pern and his wife Evita Both within Argentina and in the outside world it has come to be accepted that the populist revolution which swept through Argentina in the 1940s and profoundly transformed the political economic and social conditions in the country was spearheaded by and Pern and Evita with little help from anyone else Nothing however could be further from the truth This biography of Domingo A Mercante profiles not only Perns closest collaborator and a man whom Evita called the heart of Pern but also an important leader in his own right who was genuinely committed to democratic government This book documents Mercantes essential contributions to the Peronist movement and to the history of Argentina accomplishments that have undeservedly been obscured by the shadow cast by Pern and Evita over all other figures with whom they shared the political stage
