17 De Octubre:

The New Cultural History of Peronism Matthew B. Karush, Oscar Chamosa, 2010-05-21 A collection of essays on the cultural dimensions of Peronism the connections between Argentine popular consciousness and the state particularly during Peron's first regime 1946-55 , , *Historia de la Universidad de Oviedo, y noticias de los establecimientos de enseñanza de su distrito* Fermín Canella Secades, 1873 *Inter-American Yearbook on Human Rights / Anuario Interamericano de Derechos Humanos, Volume 31 (2015)* Inter-American Commission on Human Rights, 2022-08-22 The 2015 Inter American Yearbook on Human Rights provides an extract of the principal jurisprudence of the Inter American Commission on Human Rights and the Inter American Court of Human Rights Part One contains the Decisions on the Merits of the Commission and Part Two the Judgments and Decisions of the Court The Yearbook is published as an English Spanish bilingual edition The print edition is available as a set of three volumes 9789004338524 *Dignifying Argentina* Eduardo Elena, 2011-08-21 During the mid twentieth century Latin American countries witnessed unprecedented struggles over the terms of national sovereignty civic participation and social justice Nowhere was this more visible than in Peronist Argentina 1946-1955 where Juan and Eva Perón led the region's largest populist movement in pursuit of new political hopes and material desires Eduardo Elena considers this transformative moment from a fresh perspective by exploring the intersection of populism and mass consumption He argues that Peronist actors redefined national citizenship around expansive promises of a *vida digna* dignified life which encompassed not only the satisfaction of basic wants but also the integration of working Argentines into a modern consumer society Drawing on documents such as the correspondence between Peronist sympathizers and authorities Elena sheds light on the contest over the *vida digna* He shows how the consumer aspirations of citizens overlapped with Peronist paradigms of state led development but not without generating great friction among allies and opposition from diverse sectors of society Consumer practices encouraged intense public scrutiny of class and gender comportment and everyday objects became charged with new cultural meaning By providing important insights on why Peronism struck such a powerful chord *Dignifying Argentina* situates Latin America within the broader history of citizenship and consumption at midcentury and provides innovative ways to understand the politics of redistribution in the region today

Estudio Histórico de Bolivia Bajo Ramon Sotomayor y Valdes, 1874 *Inter-American Yearbook on Human Rights / Anuario Interamericano de Derechos Humanos, Volume 28 (2012)* Inter-American Commission on Human Rights, 2022-10-24 The print edition is available as a set of three volumes 9789004285521 *Domingo A. Mercante* Carolyn A. Becker, 2005-09-19 The history of Argentina in the second half of the twentieth century was dominated by the charismatic figures of Juan Perón and his wife Evita Both within Argentina and in the outside world it has come to be accepted that the populist revolution which swept through Argentina in the 1940s and profoundly transformed the political economic and social conditions in the country was spearheaded by Perón and Evita with little help from anyone else Nothing however could be

further from the truth This biography of Domingo A Mercante profiles not only Perns closest collaborator and a man whom Evita called the heart of Pern but also an important leader in his own right who was genuinely committed to democratic government This book documents Mercantes essential contributions to the Peronist movement and to the history of Argentina accomplishments that have undeservedly been obscured by the shadow cast by Pern and Evita over all other figures with whom they shared the political stage

Juan Peron and the Reshaping of Argentina Frederick Turner, Jose Enrique Miguens, 1983-05-15 Although Juan Peron changed the course of modern Argentine history scholars have often interpreted him in terms of their own ideologies and interests rather than seeing the effect of this man and his movement had on the Argentine people The essays in this volume seek to uncover the man behind the myth to define the true nature of Peronism Several chapters view Per n s rise to power his deposition and eighteen year exile and his dramatic return in 1973 Others examine opposing forces in modern Argentina including the church and its role in politics the conflict between landed stancieros and urban industrialists terrorist activities and their populist support base Peronism and the labor movement and Evita Per n s role in advancing the political rights of women

Transformations and Crisis of Liberalism in Argentina, 1930-1955 Jorge A. Nállim, 2014-08-14 N llim chronicles the decline of liberalism in Argentina during the volatile period between two military coups the 1930 overthrow of Hip lito Yrigoyen and the deposing of Juan Per n in 1955 While historians have primarily focused on liberalism in economic or political contexts N llim instead documents a wide range of locations where liberalism was claimed and ultimately marginalized in the pursuit of individual agendas N llim shows how concepts of liberalism were espoused by various groups who invented traditions to legitimize their methods of political religious class intellectual or cultural hegemony In these deeply fractured and corrupt processes liberalism lost political favor and alienated the public These events also set the table for Peronism and stifled the future of progressive liberalism in Argentina N llim describes the main political parties of the period and deconstructs their liberal discourses He also examines major cultural institutions and shows how each attached liberalism to their cause N llim compares and contrasts the events in Argentina to those in other Latin American nations and reveals their links to international developments While critics have positioned the rhetoric of liberalism during this period as one of decadence or

irrelevance. N llim instead shows it to be a vital and complex factor in the metamorphosis of modern history in Argentina and Latin America as well

Actas Del Senado de Filipinas ... Philippines. Legislature. Senate, **Inter-American Yearbook on Human Rights / Anuario Interamericano de Derechos Humanos, Volume 36 (2020) (VOLUME I)**

Inter-American Commission on Human Rights, 2021-12-28 The 2020 Inter American Yearbook on Human Rights provides an extract of the principal jurisprudence of the Inter American Commission on Human Rights and the Inter American Court of Human Rights Part One contains the Decisions on the Merits of the Commission and Part Two the Judgments and Decisions of the Court The Yearbook is partly published as an English Spanish bilingual edition Some parts are in English or Spanish only NB This book is part of a three volume set Each volume should be ordered separately Vol 1 isbn 978 90 04 44560 4 Vol 2 isbn 978 90 04 50440 0 Vol 3 isbn 978 90 04 50991 7

The Presidio and Militia on the Northern Frontier of New Spain: 1570-1700 Thomas H. Naylor, Charles W. Polzer, 1986 Reports orders journals and letters of military officials trace frontier history through the Chicimeca War and Peace 1576 1606 early rebellions in the Sierra Madre 1601 1618 mid century challenges and realignment 1640 1660 and northern rebellions and new presidios 1681 1695

Peronism Without Perón James W. McGuire, 1999-02-01 Peronism the Argentine political movement created by Juan Perón in the 1940 s has revolved since its inception around a personalistic leader a set of powerful trade unions and a weakly institutionalized political party This book examines why Peronism continued to be weakly institutionalized as a party after Perón was overthrown in 1955 and argues that this weakness has impeded the consolidation of Argentine democracy Within an analysis of Peronism from 1943 to 1995 the author pays special attention to the 1962 66 and 1984 88 periods when some Peronist politicians and union leaders tried but failed to strengthen the party structure By identifying the forces that led to these efforts of party building and by analyzing the counterforces that thwarted them he shows how these failures have shaped Argentina's experience with democracy Drawing on this interpretation of Peronism and its place in Argentine politics the book develops a distributive conflict political party explanation for Argentina's democratic instability and contrasts it to alternatives that stress economic dependency populist economic policies political culture and military interventionism

Past and Power: Public Policies on Memory. Debates, from Global to Local Jordi Guixé, Coromines, 2016-05-26 The public authorities have not successfully resolved the management of the traumatic memory of the wars dictatorships and massacres to which the European project was always intended to be a counterpoint The conflict of memories and the public discourses about the past are latent on ideological political and cultural levels However if in the past the conflict concerning memories tended to develop inside the borders of countries it has now leapt into the European arena This has also led to the confrontation and questioning of the great narratives established in the common memory especially with countries of the East joining the European Union Each community group or nation maintains common memories that do not always fit in or converge with a general overall account The origins of the UB Solidarity Foundation's European Observatory on Memories lie in these debates and through this book

which includes the contributions of specialists in multiple disciplines and the speeches that were given at the first international symposium Memory and Power A Transnational Perspective it hopes to present some of the key challenges that this conflict of memories has in store for us in the present and in the future

Whispering the Strategies of Language: An Psychological Journey through **17 De Octubre**

In a digitally-driven world wherever displays reign supreme and quick transmission drowns out the subtleties of language, the profound secrets and psychological subtleties concealed within words often go unheard. However, located within the pages of **17 De Octubre** a interesting literary prize blinking with fresh thoughts, lies an exceptional journey waiting to be undertaken. Written by a skilled wordsmith, this wonderful opus attracts visitors on an introspective trip, gently unraveling the veiled truths and profound affect resonating within the fabric of each word. Within the emotional depths of this touching review, we will embark upon a genuine exploration of the book is primary styles, dissect their fascinating publishing fashion, and succumb to the effective resonance it evokes deep within the recesses of readers hearts.
