work that had a visionary intensity Covering naturalists from John James Audubon to PT Barnum it considers not only natural history writing but also illustrations photographs and actual collections of flora and fauna Photography and all associated expenses made possible by a generous grant from Furthermore a program of the J M Kaplan Fund **Botanists and Zoologists** Dean Miller,2014-01-01 In this volume a breakdown of the life and work of some of history s pioneers in the study of plants and animals are thoroughly explored It provides excellent biographical sketches for trailblazers in the sciences Articles are devoted to specific scientists covering their contributions to their field specifically addressing how their research discoveries and inventions impacted human understanding and experience This volume covers names from around the world and throughout the centuries with a chapter specifically devoted to the top scientific contributors of the 21st century **The Book by Design** P.J.M. Marks,Stephen Parkin,2023-11-20 A richly illustrated look at some of the British Library s most beautiful books from around the world For centuries across the world books have been created as objects of beauty with bookmakers lavishing great care on their paper binding materials illustrations and lettering The Book by Design featuring an array of books from the British Library s collection focuses on the sensory experience of holding and reading these objects Each selection represents a specific moment in the development of what we know today as the book from scrolls and bound illuminated manuscripts to paperbacks and formatted digital information These range from the seventh century to the present and include examples from China Japan Southeast Asia the Middle East Europe and North America in addition to a look at book traditions in Africa and Oceania John James Audubon s Birds of America the works of Chaucer Russian Futurist books limited editions historic copies of the Qur an and the Bible mass market paperbacks and more come together to tell the visual tactile artistic and cultural history of books Expert curators and specialists explore these books from the perspective of design and manufacturing original art photographs offer vivid representations of their textures and materials and graphics detail the size and specifications of each book Offering a wide ranging look at the creation and use of books illustrated with hundreds of color images this volume is itself an object of beauty *The Anatomy Murders* Lisa Rosner,2011-07-07 Up the close and down the stair Up and down with Burke and Hare Burke s the butcher Hare s the thief Knox the man who buys the beef anonymous children s song On Halloween night 1828 in the West Port district of Edinburgh Scotland a woman sometimes known as Madgy Docherty was last seen in the company of William Burke and William Hare Days later police discovered her remains in the surgery of the prominent anatomist Dr Robert Knox Docherty was the final victim of the most atrocious murder spree of the century outflanking even Jack the Ripper s Together with their accomplices Burke and Hare would be accused of killing sixteen people over the course of twelve months in order to sell the corpses as subjects for dissection The ensuing criminal investigation into the Anatomy Murders raised troubling questions about the common practices by which medical men obtained cadavers the lives of the poor in Edinburgh s back alleys and the ability of the police to protect the public from cold blooded murder Famous among true crime aficionados Burke and Hare were the first

serial killers to capture media attention yet *The Anatomy Murders* is the first book to situate their story against the social and cultural forces that were bringing early nineteenth century Britain into modernity In Lisa Rosner s deft treatment each of the murder victims from the beautiful doomed Mary Paterson to the unfortunate Daft Jamie opens a window on a different aspect of this world in transition Tapping into a wealth of unpublished materials Rosner meticulously portrays the aspirations of doctors and anatomists the makeshift existence of the so called dangerous classes the rudimentary police apparatus and the half fiction half journalism of the popular press *The Anatomy Murders* resurrects a tale of murder and medicine in a city whose grand Georgian squares and crescents stood beside a maze of slums a place in which a dead body was far more valuable than a living laborer [The American Idea of England, 1776-1840](#) Jennifer Clark,2016-04-01

Arguing that American colonists who declared their independence in 1776 remained tied to England by both habit and inclination Jennifer Clark traces the new Americans struggle to come to terms with their loss of identity as British and particularly English citizens Americans attempts to negotiate the new Anglo American relationship are revealed in letters newspaper accounts travel reports essays song lyrics short stories and novels which Clark suggests show them repositioning themselves in a transatlantic context newly defined by political revolution Chapters examine political writing as a means for Americans to explore the Anglo American relationship the appropriation of John Bull by American writers the challenge the War of 1812 posed to the reconstructed Anglo American relationship the Paper War between American and English authors that began around the time of the War of 1812 accounts by Americans lured to England as a place of poetry story and history and the work of American writers who dissected the Anglo American relationship in their fiction Carefully contextualised historically Clark s persuasive study shows that any attempt to examine what it meant to be American in the New Nation and immediately beyond must be situated within the context of the Anglo American relationship **Splendidly Victorian**

Michael Shirley,Todd Larson,2017-11-22 This title was first published in 2001 The eminent historian of Victorian Britain Walter L Arnstein has over the course of a career spanning more than 40 years arguably introduced more students to British history than any other American historian This collection of essays by some of his former students celebrates Arnstein s inspirational teaching and writing with surveys and analyses of various aspects of the social cultural economic and political history of nineteenth and early twentieth century Britain Nineteenth century topics covered in the volume include early Victorian caricatures and the thin legal lines that they often trod British Army fashion and its contribution to Royal spectacles Free Trade Radicals and how they viewed educational reform and moral progress the persistence of Chartist ideology following the failure of the movement in 1848 Disraeli and Derby s involvement with the Navy s administration religious periodicals and their influence the myth of Bismarck as an honest broker of peace and the subsequent collapse of the myth as a later source of enmity in Anglo German relations the powerful mystique evoked back in England by the London missionary societies Mongolian missions Victorian urban planning and the re introduction of the market place **A Road Course in**

Early American Literature Thomas Hallock, 2021-02-23 A Road Course in Early American Literature Travel and Teaching from Atzl n to Amherst explores a two part question what does travel teach us about literature and how can reading guide us to a deeper understanding of place and identity Thomas Hallock charts a teacher s journey to answering these questions framing personal experiences around the continued need for a survey course covering early American literature up to the mid nineteenth century Hallock approaches literary study from the overlapping perspectives of pedagogue scholar unrepentant tourist husband father friend and son Building on Ralph Waldo Emerson s premise that there is creative reading as well as creative writing Hallock turns to the vibrant and accessible tradition of American travel writing employing the form of biblio memoir to bridge the impasse between public and academic discourse and reintroduce the dynamic field of early American literature to wider audiences Hallock s own road course begins and ends at the Lowcountry of Georgia and South Carolina following a circular structure of reflection He weaves his journey through a wide swath of American literatures and authors from Native American and African American oral traditions to Wheatley and Equiano through Emerson Poe and Dickinson among others A series of longer place oriented narratives explore familiar and lesser known literary works from the sixteenth century invasion of Florida through the Mexican War of 1846 1848 and the American Civil War Shorter chapters bridge the book s central themes the mapping of cognitive and physical space our personal stake in reading the tensions that follow earlier acts of erasure and the impossibility of ever fully shutting out the past Exploring complex cultural histories and contemporary landscapes filled with ghosts and new voices this volume draws inspiration from a tradition of travel place oriented and literature based works ranging from William Carlos Williams s In the American Grain and Jack Kerouac s On the Road to Alice Walker s In Search of Our Mother s Gardens Wendy Lesser s Why I Read The Serious Pleasure of Books and Rebecca Mead s My Life in Middlemarch An accompanying bibliographic essay is periodically updated and available at Hallock s website www.roadcourse.us
