The small scale sector is assuming greater importance every day. Hundreds of thousands of people start their own businesses at home every year and untold more dream about the possibility of becoming their own bosses. Starting a business at home is the best when you do not have enough funds. While entrepreneurship has its many potential rewards, it also carries unique challenges. Entrepreneurship is an act, not a born tact; you need to understand the environment to set up an enterprise of your own. Making a choice of the right project is a difficult decision for an entrepreneur and is an imperative decision. In fact, before starting a business, also one has to be thorough with the requirements of current line of industry. Above all, taking advantage of various schemes provided by government and other financial institutions. For the reason that rest of the challenges for setting up a business is based on the type of the product and fund to invest. Entrepreneurship helps in the development of nation. A successful entrepreneur not only creates employment for himself but for hundreds. Deciding on a right project can lead you to the road to success. This book gives you the opportunity of choosing a perfect business from 50 projects which can be started with just 50,000. Some of the projects described in the book are book packager, desktop publisher, feature agency, editing, freelance artist or illustrator, freelance writing, proof reading, translator, business broker, and so on. This book also includes some inspirational chapters for entrepreneurs for starting and running the business successfully, for example, promotion from exceptional work, misers of time, art of advertising, keeping up with the times, art of winning people's confidence, and so on. This book is the most authentic and detailed book containing 21st century most profitable businesses. The writer has collected important data from many research reports renowned all over the world. In today's context, the given businesses have tremendous future prospects. An entrepreneur with a petty amount of Rs 50,000 can start any of businesses given in the present book.
