The 1920s Jean Clair, Montreal Museum of Fine Arts, 1991 **The Architecture of Red Vienna, 1919-1934** Eve Blau, 1999 Encyclopedic in its coverage this seminal work focuses on the architecture of Prague from the turn of the century to the end of the Second World War a rich matrix within which to place the figures who created the powerful innovative spirits of modern Czech architecture The book documents the architects structures and theoretical underpinnings that helped to shape Prague s cultural heritage and present day artistic spirit **A Cultural History of Fashion in the 20th and 21st Centuries** Bonnie English, 2013-08-01 This new edition of a bestselling textbook is designed for students scholars and anyone interested in 20th century fashion history Accessibly written and well illustrated the book outlines the social and cultural history of fashion thematically and contains a wide range of global case studies on key designers styles movements and events The new edition has been revised and expanded there are new sections on eco fashion fashion and the museum major changes in the fashion market in the 21st century including the impact of new media and retailing networks new technologies fashion weeks the rise of asian fashion centers and more There are twice as many illustrations In its second edition A Cultural History of Fashion in the 20th and 21st Centuries is the ideal introductory text for all students of fashion

Prudence Heward Evelyn Walters, 2022-07-07 At a time of disdain for modern art and widespread discrimination against women artists Prudence Heward challenged the conventional in portraits that capture subtleties of emotion and often reflect her own struggles against illness and family tragedy As A Y Jackson founding member of the Group of Seven and the Beaver Hall Group claimed Heward was the very best painter we ever had in Canada and she never got the recognition she richly deserved in her lifetime **Miami Beach in 1920, The Making of a Winter Resort** Abraham D. Lavender, 2002-10-09 Recognized for its poise and fashion Miami Beach embodies the best elements of the new American city cultural diversity imaginative architecture and dazzling scenery In many aspects Miami Beach is a metropolitan masterpiece sculpted by the careful hands of visionary entrepreneurs against a magnificent coastal backdrop The evolution of Miami Beach from a small uninhabited strip of palmetto scrub and swamp into an internationally renowned resort is a fascinating tale of human ingenuity endurance and foresight A milestone in the city s development the year 1920 marked many significant improvement such as the new County Causeway bridge and many firsts for the expanding hamlet including the first electric trolley the first automated telephone system and its first post office building Readers of all ages will be thoroughly entertained as they explore their Miami Beach of yesteryear a time of Prohibition and bootlegging grand hotels and lavish casinos budding polo fields and golf courses and the many distinct personalities that added color and life to this burgeoning town **Jazz Age Barcelona** Robert A. Davidson, 2009-08-20 One of the world s renowned centres of culture Barcelona is also one of the capitals of modernist art given its associations with the talents of Dali Picasso and Gaudi Jazz Age Barcelona focuses the lenses of cultural studies and urban studies on the avant garde character of the city during the cosmopolitan Jazz

Age delving into the cultural forces that flourished in Europe between the late 1910s and early 1930s Studying literary journalism photography and the city of Barcelona itself Robert Davidson argues that the explosion of jazz culture and the avant garde was predominantly fostered by journalists and their positive reception of innovative new art forms and radical politics Using periodicals and recently rediscovered archival material Davidson considers the relationship between the political pressures of a brutal class war the grasp of a repressive dictatorship and the engagement of the city s young intellectuals with Barcelona s culture and environment Also analysing the 1929 International Exhibition and the down and out Raval District which housed many of the Age s clubs and bars Jazz Age Barcelona is an insightful portrait of one of the twentieth century s most culturally rich times and places Modernity and Nostalgia Romy Golan,1995-01-01 Golan argues that reactionary issues such as anti urbanism the return to the soil regionalism corporatism xenophobia and doubts about the new technology became central to cultural and art historical discourse Focusing on the overlap of avant garde and middle of the road production she investigates the import of these issues not only in painting sculpture and architecture concentrating on the work of Leger Picasso Le Corbusier Ozenfant Derain the Surrealists and the so called naifs but also in the decorative arts in the spectacle of world and colonial fairs and in literature Throughout she finds evidence that artists turned from the aesthetics of the machine age toward a more organic naturalistic art This leads her to ask whether the famous and momentous shift of the avant garde from Paris to New York in 1939 did not in fact begin two decades earlier in 1918 The Weimar Republic Sourcebook Anton Kaes,Martin Jay,Edward Dimendberg,2023-11-15 A laboratory for competing visions of modernity the Weimar Republic 1918 1933 continues to haunt the imagination of the twentieth century Its political and cultural lessons retain uncanny relevance for all who seek to understand the tensions and possibilities of our age The Weimar Republic Sourcebook represents the most comprehensive documentation of Weimar culture history and politics assembled in any language It invites a wide community of readers to discover the richness and complexity of the turbulent years in Germany before Hitler s rise to power Drawing from such primary sources as magazines newspapers manifestoes and official documents many unknown even to specialists and most never before available in English this book challenges the traditional boundaries between politics culture and social life Its thirty chapters explore Germany s complex relationship to democracy ideologies of reactionary modernism the rise of the New Woman Bauhaus architecture the impact of mass media the literary life the tradition of cabaret and urban entertainment and the situation of Jews intellectuals and workers before and during the emergence of fascism While devoting much attention to the Republic s varied artistic and intellectual achievements the Frankfurt School political theater twelve tone music cultural criticism photomontage and urban planning the book is unique for its inclusion of many lesser known materials on popular culture consumerism body culture drugs criminality and sexuality it also contains a timetable of major political events an extensive bibliography and capsule biographies This will be a major resource and reference work for students and scholars in history art architecture literature social and political thought and
