INTRODUCTION
BY THE AUTHOR

1949 The First Israelis

**Anne McClintock, Aamir Mufti, Ella
Shohat**

1949 The First Israelis:

1949 the First Israelis Tom Segev, 2018-08-14 Renowned historian Tom Segev strips away national myths to present a critical and clear eyed chronicle of the year immediately following Israel's foundation Required reading for all who want to understand the Arab Israeli conflict the best analysis of the problems of trying to integrate so many people from such diverse cultures into one political body The New York Times Book Review Historian and journalist Tom Segev stirred up controversy in Israel upon the first publication of 1949 It was a landmark book that told a different story of the country's early years one that wasn't taught in schools or shown in popular culture Rather than painting the idealized picture of the Israel's founding in 1948 after the wreckage of the Holocaust Segev reveals gritty underside behind the early years The new country of Israel faced challenges on all sides Day to day life was severe marked by austerity and food shortages Israeli society was fractured between traditional and secular camps Jewish immigrants from Middle Eastern countries faced discrimination and second class treatment and clashes between settlers and the Arabs would set the tone for relations for the following decades hardening attitudes and creating a violent cycle of retaliation Drawing on journal entries letters declassified government documents and more 1949 is a richly detailed look at the friction between the idealism of the Zionist movement and the cold realities of history Decades after its publication in the United States Segev's groundbreaking book is still required reading for anyone who wants to understand Israel's past and future 1949 Tom Segev, 1998-04-15 The founding of Israel in 1948 one of the seminal events of the century offers a heroic narrative with few parallels in modern history In 1949 a controversial best seller in Israel Tom Segev draws on thousands of declassified documents along with personal diaries and correspondence to reconstruct the unvarnished story of Israel's first year Segev reveals the lofty aspirations that guided the state's leaders as well as the darker side of the Zionist utopia the friction between the early settlers and the immigrants the lack of good faith negotiations with the Arabs the clash between religious and secular factions the daily collision of the Zionist myth with the severe realities of life in the new state Unflinching in its observations this bold chronicle is indispensable for understanding the dilemmas that continue to confront and divide Israeli society **1949, the First Israelis** Tom Segev, 1985 **H V Evatt and the Establishment of Israel** Daniel Mandel, 2004-08-02 This book provides a valuable study of Evatt the Zionist as well as illuminating a fascinating political figure **Israel: The First Hundred Years** Efraim Karsh, 2013-09-13 Since its founding in 1948 Israel has faced many political social and psychological challenges unfamiliar to other nations on the western democratic political model and peculiar to the Jewish state This work covers the role of politics in Israel since 1948 **The International Diplomacy of Israel's Founders** John Quigley, 2016-02 This book shows the deception by omission used at the United Nations to gain backing for Jewish statehood in Palestine **The Palestine Yearbook of International Law, 1999-2000** Academie de Droit International, 2002-05-31 This well established and widely respected Yearbook is a primary source of information on significant and topical legal issues relating to the

Palestinian territories It provides in a single annual volume not only leading articles on topics of major interest to the international legal community but also key legislation court decisions legal cases treaties resolutions special reports and other relevant legal material translated from the original Arabic or Hebrew into English The 11th volume of The Palestine Yearbook of International Law is devoted specifically to the question of Palestine refugees and includes a comparison of the international legal framework designed to protect refugees with the framework already established for the protection of Palestinian Refugees an examination of the various pieces of legislation enacted to legally confiscate Palestinian lands raising the question as to how the plight of Palestinian refugees may be addressed in the international legal system legal precedents regarding refugees including the Dayton accord and UN Resolutions various agreements signed over the course of the past year a detailed bibliography of books monographs and articles a comprehensive index This new volume as with its predecessors will be an invaluable source of reference and record on the complex legal issues relating to the Palestinian territories and will be of prime interest to legal practitioners researchers scholars and anyone involved in law politics human rights or international relations who has an interest in this region

Nakba and Survival Adel Manna, 2022-09-13 A free open access ebook is available upon publication Learn more at www.luminosoa.org Beginning in 1948 Israeli paramilitary forces began violently displacing Palestinian Arabs from Palestine *Nakba and Survival* tells the stories of Palestinians in Haifa and the Galilee during and in the decade after mass dispossession Manna uses oral histories and Palestinian and Israeli archives diaries and memories to meticulously reconstruct the social history of the Palestinians who remained and returned to become Israeli citizens This book focuses in particular on the Galilee using the story of Manna's own family and their village Majd al Krum after the establishment of Israel to shed light on the cruelties faced by survivors of the military regime While scholars of the Palestinian national movement have often studied Palestinian resistance to Israel as related to the armed struggle and the cultural struggle against the Jewish state Manna shows that remaining in Israel under the brutality of occupation and fighting to return to Palestinian communities after displacement are acts of heroism in their own right The Institute for Palestine Studies extends our sincere appreciation to Samir Abdulhadi for his generous support of the translation and publication of this book Translation by Jenab Tutunji

From Palestine to Israel Ariella Azoulay, 2011-10-07 In this carefully curated and beautifully presented photobook Ariella Azoulay offers a new perspective on four crucial years in the history of Palestine Israel The book reconstructs the processes by which the Palestinian majority in Mandatory Palestine became a minority in Israel while the Jewish minority established a new political entity in which it became a majority ruling a minority Palestinian population By reading over 200 photographs from that period most of which were previously confined to Israeli state archives Azoulay recounts the events and the stories that for years have been ignored or only partially acknowledged in Israel and the West Including substantial analytical text this book will give activists scholars and journalists a new perspective on the origins of the Palestine Israel conflict

Dangerous Liaisons Anne McClintock, Aamir Mufti, Ella

Shohat,1997 The first collection to emphasize the complex interaction between gender and postcoloniality Most people in the world from Africa to Asia and beyond live in the aftermath of colonialism Their day to day lives are defined by their past history as colonized peoples often in ways that are subtle or hard to define In *Dangerous Liaisons* eminent contributors address the issues raised by the postcolonial condition considering nationhood history gender and identity from an interdisciplinary perspective Among the questions they address are What are the boundaries of race and ethnicity in a diasporic world How have women been so effectively excluded from national power What have been the historical aftermaths of different forms of colonialism What are the cultural and political consequences of colonial partitions of the nation state Representing an essential intervention *Dangerous Liaisons* is a crucial guidebook for those concerned with understanding postcoloniality at the moment when it is becoming more and more widely discussed *Futile Diplomacy* Neil

Caplan,2013-10-23 These two volumes provide a careful and balanced behind the scenes account of the intricate diplomatic activity of the period between the first and second Arab Israeli wars Exploiting a range of available archive sources as well as extensive secondary sources they provide an authoritative analysis of the positions and strategies which the principal parties and the would be mediators adopted in the elusive search for a stable peace The author examines the recurring deadlocks in terms of the motives and calculations of the various parties and reveals how new incentives of pressures offered by outsiders proved incapable of reversing the serious deterioration of Arab Israeli relations as the region headed for war at Suez The text of each volume comprises both analytical historical chapters and a selection of primary documents from archival sources

New Perspectives on Israeli History Laurence J Silberstein,1991-10-01 In this volume a distinguished group of international scholars draws from history folklore political anthropology historiography and cultural criticism to reexamine critical issues surrounding the birth of Israel The authors explore such issues as the transition from yishuv to state early state policy toward the Arab minority the origins of the Palestinian refugee problem the conflict over myths and symbols in the early state early attitude toward Holocaust victims and survivors Arab historiography of the 1948 war Israel Diaspora relations and the shaping of Israeli foreign policy The contributors to the book include Myron J Aronoff Rutgers University Uri Bialer Hebrew University of Jerusalem Neil Caplan Vanier College Montreal Benny Morris Hebrew University of Jerusalem Don Peretz State University of New York Binghamton Dina Porat Tel Aviv University Jehuda Reinharz Brandeis University Elie Rekhess Tel Aviv University Avraham Sela Hebrew University of Jerusalem Anton Shammass University of Michigan Laurence J Silberstein Lehigh University Kenneth Stein Emory University Yael Zerubavel University of Pennsylvania and Ronald W Zweig Tel Aviv University **Clash of Modernities** Khaldoun Samman,2015-12-03 To understand the Middle East we must also understand how the West produced a temporal narrative of world history in which westerners placed themselves on top and all others below them In a landmark reinterpretation of Middle Eastern history this book shows how Arabs Muslims Turks and Jews absorbed revised yet remained loyal to this Western vision Turkish Kemalism

and Israeli Zionism in their efforts to push their people forward accepted the narrative almost wholeheartedly eradicating what they perceived as archaic characteristics of their Jewish and Turkish cultures Arab nationalists negotiated a more culturally schizophrenic approach to appeasing the colonizer's gaze But so too Samman argues did the Islamists who likewise wanted to improve their societies But in order to modernize Islamists prescribed the eradication of Western contamination and reintroduced the prophetic stage that they believe if the colonizer and their local Arab coconspirators hadn't intervened would have produced true civilization Samman's account explains why Islamists broke more radically with the colonizer's insult For all these nationalists gender would be used as the measuring device of how well they did in relation to the colonizer's gaze

Jewish Contiguities and the Soundtrack of Israeli History Assaf Shelleg, 2014 Jewish Contiguities and the Soundtrack of Israeli History revolutionizes the study of modern Israeli art music by tracking the surprising itineraries of Jewish art music in the move from Europe to Mandatory Palestine and Israel Leaving behind clichés about East and West Arab and Jew this book provocatively exposes the legacies of European antisemitism and religious Judaism in the making of Israeli art music

Israel's Black Panthers Asaf Elia-Shalev, 2024-03-19 The powerful story of an activist movement that challenged the racial inequities of Israel Israel's Black Panthers tells the story of the young and impoverished Moroccan Israeli Jews who challenged their country's political status quo and rebelled against the ethnic hierarchy of Israeli life in the 1970s Inspired by the American group of the same name the Black Panthers mounted protests and a yearslong political campaign for the rights of Mizrahim or Jews of Middle Eastern ancestry They managed to rattle the country's establishment and change the course of Israel's history through the mass mobilization of a Jewish underclass This book draws on archival documents and interviews with elderly activists to capture the movement's history and reveal little known stories from within the group Asaf Elia Shalev explores the parallels between the Israeli and American Black Panthers offering a unique perspective on the global struggle against racism and oppression In twenty short and captivating chapters Israel's Black Panthers provides a textured and novel account of the movement and reflects on the role that Mizrahim can play in the future of Israel

Greece--a Jewish History K. E. Fleming, 2010-04-04 K E Fleming's Greece a Jewish History is the first comprehensive English language history of Greek Jews and the only history that includes material on their diaspora in Israel and the United States The book tells the story of a people who for the most part no longer exist and whose identity is a paradox in that it wasn't fully formed until after most Greek Jews had emigrated or been deported and killed by the Nazis For centuries Jews lived in areas that are now part of Greece But Greek Jews as a nationalized group existed in substantial number only for a few short decades from the Balkan Wars 1912-13 until the Holocaust in which more than 80 percent were killed Greece a Jewish History describes their diverse histories and the processes that worked to make them emerge as a Greek collective It also follows Jews as they left Greece as deportees to Auschwitz or migrants to Palestine Israel and New York's Lower East Side In such foreign settings their Greekness was emphasized as it never was in Greece where Orthodox

Christianity traditionally defines national identity and anti-Semitism remains common **Between East and West** Uri Bialer, 1990-02-23 Dr Bialer describes the internal debates within the Israeli political parties on the choices between pro Soviet pro Western or non aligned foreign policies The Persistence of the Palestinian Question Joseph Massad, 2006-09-27 In this erudite and groundbreaking series of essays renowned author Joseph Massad takes a radical departure from mainstream analysis in order to expose the causes for the persistence of the Palestinian Question *The Military and Militarism in Israeli Society* Edna Lomsky-Feder, Eyal Ben-Ari, 2012-02-01 The Military and Militarism in Israeli Society systematically examines the cultural and social construction of things military within Israel Contributors from comparative literature film studies sociology anthropology geography history and cultural studies explore the arenas in which the centrality of military matters are produced and reproduced by the state and by other public bodies Analysis is presented using three perspectives the production and reproduction of collective representations the dynamics of gender voice and resistance and the construction of individual life worlds On the Arab-Jew, Palestine, and Other Displacements Ella Shohat, 2017-04-20 Winner of the MEMO Palestine Book Awards 2017 Spanning several decades Ella Shohat's work has introduced conceptual frameworks that fundamentally challenged conventional understandings of Palestine Zionism and the Middle East focusing on the pivotal figure of the Arab Jew This book gathers together her most influential political essays interviews speeches testimonies and memoirs as well as previously unpublished material Defying the binarist and Eurocentric Arab versus Jew rendering of the Israeli Palestinian conflict Shohat's work has dared to engage with the deeper historical and cultural questions swirling around colonialism Orientalism and nationalism Shohat's paradigm shifting work unpacks such fraught issues as the anomalies of the national colonial in Zionist discourse the narrating of Jewish pasts in Muslim spaces the links and distinctions between the dispossession of the Nakba and the dislocation of Arab Jews the traumatic memories triggered by partition and border crossing the echoes within Islamophobia of the anti-Semitic figure of the Jew and the efforts to imagine a possible future intercommunal convivencia Shohat's transdisciplinary perspective illuminates the cultural politics in and around the Middle East Juxtaposing texts of various genres written in divergent contexts the book offers a vivid sense of the author's intellectual journey
