1975 Mla International Bibliography Volume Ii

Clemens Wendtner

1975 Mla International Bibliography Volume Ii:

MLA International Bibliography of Books and Articles on the Modern Languages and Literatures Modern Language Association of America,1992 Vols for 1969 include ACTFL annual bibliography of books and articles on pedagogy in foreign languages 1969 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1979

Twayne's World Authors Series ,1978 Monthly Catalog of United States Government Publications ,1986 A Reference Guide for English Studies Michael J. Marcuse,2023-11-15 *A Handbook to Literary Research* Delia da Sousa Correa,W. R. Owens,2005-08-04 A Handbook to Literary Research is a vital one of a kind student resource which has been written specifically for those embarking on a Masters degree in Literature It provides an introduction to research techniques methodologies and information sources relevant to the study of literature at postgraduate level The unique and invaluable guide is divided into four sections a practical guide to the uses of research libraries research sources and computers including the Internet an introduction to the work of textual scholars and bibliographers focusing particularly on the practical and theoretical issues faced by textual editors an overview of literary research and literary theory including outlines of feminist theory deconstruction reader response and reception theory new historicism and post colonial theory a detailed guide on how to write and present a Masters including a glossary and checklist for finding guides reference books and other study sources **A Richard Wright Bibliography** Kenneth Kinnamon,Joseph Benson,Michel Fabre,Craig Werner,1988-01-13 Any future biographical work on Richard Wright will find this bibliography a necessity academic or public libraries supporting a program of black culture will find it invaluable and it belongs in any library supporting American literature studies Richard Wright has truly been well served Choice The most comprehensive bibliography ever compiled for an American writer this book contains 13 117 annotated items pertaining to Richard Wright It includes almost all published mentions of the author or his work in every language in which those mentions appear Sources listed include books articles reviews notes news items publishers catalogs promotional materials book jackets dissertations and theses encyclopedias biographical dictionaries handbooks and study guides library reports best seller charts the Index Translationum playbills and advertisements editorials radio transcripts and published letters and interviews The bibliography is arranged chronologically by year Each entry includes bibliographical information an annotation by the authors and information about all reprintings partial or full The index is unusually complete and contains the titles of Wright s works real and fictional characters in the works entries relating to significant places and events in the author s life important literary terminology and much additional information *Humanities* ,1983 *Reference Sources for Canadian Literary Studies* Joseph Jones,2005-01-01 Reference Sources for Canadian Literary Studies offers the first full scale bibliography of writing on and in the field of Canadian literary studies Approximately one thousand annotated entries are arranged by reference genre with sub groupings related to literary genre **Jean-Jacques Rousseau** George Remington Havens,1978 *Shakespeare and the Classical Tradition*

Lewis Walker, 2019-05-24 This bibliography will give comprehensive coverage to published commentary in English on Shakespeare and the Classical Tradition during the period from 1961-1985. Doctoral dissertations will also be included. Each entry will provide a clear and detailed summary of an item's contents. For poems and plays based directly on classical sources like Antony and Cleopatra and The Rape of Lucrece, virtually all significant scholarly work during the period covered will be annotated. For other works such as Hamlet, any scholarship that deals with classical connotations will be annotated. Any other bibliographies used in the compiling of this volume will be described with emphasis on their value to a student of Shakespeare and the Classics.

Paper, Ink, and Achievement Kevin L. Cope, Cedric D. Reverend II, 2020-10-16 During his forty-two years as president of AMS Press, Gabriel Hornstein quietly sponsored and stimulated the revival of long eighteenth-century studies. Whether by reanimating long-running research publications by creating scholarly journals or by converting daring ideas into lauded books, Gabe initiated a golden age of Enlightenment scholarship. This understated publishing magnate created a global audience for a research specialty that many scholars dismissed as antiquarianism. *Paper, Ink, and Achievement* finds in the career of this impresario a vantage point on the modern study of the Enlightenment. An introduction discusses Hornstein's life and achievements, revealing the breadth of his influence on our understanding of the early days of modernity. Three sets of essays open perspectives on the business of long eighteenth-century studies, on the role of publishers, printers, and bibliophiles in manufacturing cultural legacies, on authors whose standing has been made or eclipsed by the book culture, and on literary modes that have defined, delimited, or directed Enlightenment studies. Published by Bucknell University Press. Distributed worldwide by Rutgers University Press.

An Ordinary City Justin B. Hollander, 2017-08-08 This book paints an intimate portrait of an overlooked kind of city that neither grows nor declines drastically. In fact, New Bedford, Massachusetts, represents an entire category of cities that escape mainstream urban studies' more customary attention to global cities, New York, booming cities, Atlanta, and shrinking cities. Flint, New Bedford-style ordinary cities are none of these; they neither grow nor decline drastically but in their inconspicuousness they account for a vast majority of all cities. Given the complexities of growth and decline, both temporarily and spatially, how does a city manage change and physically adapt to growth and decline? This book offers an answer through a detailed analysis of the politics, environment, planning strategies, and history of New Bedford.

The Routledge Handbook of Literature and Space Robert Tally Jr., 2017-01-06 The spatial turn in literary studies is transforming the way we think of the field. *The Routledge Handbook of Literature and Space* maps the key areas of spatiality within literary studies, offering a comprehensive overview but also pointing towards new and exciting directions of study. The interdisciplinary and global approach provides a thorough introduction and includes thirty-two essays on topics such as spatial theory and practice, critical methodologies, work sites, cities, and the geography of urban experience. Maps territories, readings. The contributors to this volume demonstrate how a variety of romantic, realist, modernist, and postmodernist narratives represent the changing social spaces of their world and of our own world system.

today **The Journal of Commonwealth Literature** ,1978 Issues for 1965 include section Annual bibliography of Commonwealth literature 1964 Serials and Reference Services Robin Kinder,William A. Katz,1990 Here is one of the first books to address the problems of serials as they relate to the user the reference librarian and the library itself Opening a crucial dialogue serials librarians and reference librarians explore ways in which they can work together to make serials more accessible to the user With this vital new book public services librarians will gain a better understanding of the unique nature of serials especially concerning their acquisition and cataloguing and technical services librarians will gain a clearer view of the problems involved in interpreting the record for the user Serials and Reference Services provides a wealth of information that will help the cataloguer who must create a record out of a dizzying change of titles volumes and frequency the reference librarian who must interpret the record for the user the bibliographer who must select titles the manager who will be viewing the new formats for serials and the administrator who needs an overview in order to pull disparate services together into a functioning whole Automation is also explored and finally a look at the core collection newspapers comic books and poetry magazines gives an eclectic ending to the volume Tillie Krieger Peter Hernon David C Heisser David C Taylor and Laura Peritore are among the well known contributors to the book **Resources in Education** ,1984 **A History of the African American Novel** Valerie Babb,2017-07-31 This History is intended for a broad audience seeking knowledge of how novels interact with and influence their cultural landscape Its interdisciplinary approach will appeal to those interested in novels and film graphic novels novels and popular culture transatlantic blackness and the interfacing of race class gender and aesthetics Associations' Publications in Print ,1984 1981 in 2 v v 1 Subject index v 2 Title index Publisher title index Association name index Acronym index Key to publishers and distributors abbreviations Dutch Studies ,1977 A review of the language literature and life of the Low Countries
