1999 National Guard Almanac National Guard Almanac:

[National Guard Almanac, 1999](#) ,1999 [2008 National Guard Almanac](#) ,2008 [2006 National Guard Almanac](#) ,2007
The National Guard and the War on Terror Michael Dale Doubler,2006 [Shift Colors](#) ,1999-10 **Soldiers** ,1999
[Monthly Catalog of United States Government Publications](#) , **Air University Library Index to Military Periodicals**
,1999 **Encyclopedia of Military Science** G. Kurt Piehler,2013-07-24 The Encyclopedia of Military Science provides a comprehensive ready reference on the organization traditions training purpose and functions of today s military Entries in this four volume work include coverage of the duties responsibilities and authority of military personnel and an understanding of strategies and tactics of the modern military and how they interface with political social legal economic and technological factors A large component is devoted to issues of leadership group dynamics motivation problem solving and decision making in the military context Finally this work also covers recent American military history since the end of the Cold War with a special emphasis on peacekeeping and peacemaking operations the First Persian Gulf War the events surrounding 9 11 and the wars in Afghanistan and Iraq and how the military has been changing in relation to these events Click here to read an article on The Daily Beast by Encyclopedia editor G Kurt Piehler Why Don t We Build Statues For Our War Heroes Anymore **Monthly Catalog of United States Government Publications** United States. Superintendent of Documents,1991 [Parameters](#) ,1999 **Air Force Magazine** ,1990 **Getting to 67** Patrick Homan,2015-12-22 All four post Cold War presidents have attempted to negotiate and ratify at least one major arms control agreement However their experiences with arms control treaty ratification have differed greatly from those of their Cold War predecessors The main theme of this book is that domestic politics have significantly impacted attempts to ratify arms control treaties in the polarized post Cold War political environment Each president and each treaty faced varying amounts of support and opposition from the numerous institutions and agents within American foreign policy making This book uses an eight point analytical framework to examine five post Cold War arms control treaty ratification debates in order to try and determine what political conditions or variables account for their success or failure [QDR 2001: Strategy-Driven Choices for America's Security](#) , [The Army Lawyer](#) , **Army Echoes** ,1991 [Public Ledger Almanacs. For ... 1870-73](#) ,1881
Twenty Years Before the Blackboard Michael Stueben,Diane Sandford,1998-09-17 This book is the legacy of twenty years of mathematics teaching part philosophy part humour and completely fascinating [The Christian Right in American Politics](#) John C. Green,Mark J. Rozell,Clyde Wilcox,2003-05-06 From the first rumblings of the Moral Majority over twenty years ago the Christian Right has been marshalling its forces and maneuvering its troops in an effort to re shape the landscape of American politics It has fascinated social scientists and journalists as the first right wing social movement in postwar America to achieve significant political and popular support and it has repeatedly defied those who would step up to write its obituary In 2000 while many touted the demise of the Christian Coalition the broader undercurrents of the

movement were instrumental in helping George W Bush win the GOP nomination and the White House Bush repaid that swell of support by choosing Senator John Ashcroft once the movement s favored presidential candidate as attorney general The Christian Right in American Politics under the direction of three of the nation s leading scholars in the field of religion and politics recognizing the movement as a force still to be reckoned with undertakes the important task of making an historical analysis of the Christian Right in state politics during its heyday 1980 to the millennium Its twelve chapters written by outstanding scholars review the impact and influence of the Christian Right in those states where it has had its most significant presence South Carolina Virginia Texas Florida Michigan Iowa Kansas Minnesota Colorado California Maine and Oregon and Washington Since 1980 scholars have learned a good deal about the social characteristics religious doctrine and political beliefs of activists in and supporters of the Christian Right in these states and each contribution is based on rigorous dispassionate scholarship The writers explore the gains and losses of the movement as it attempts to re shape political landscapes More precisely they provide in depth descriptions of the resources organizations and the group ecologies in which the Christian Right operates the distinct elements that drove the movement forward As the editors state the Christian Right has been engaged in a long and torturous march toward the millennium from outsider status into the thick of American politics Those formative years 1980 2000 are essential for any understanding of this uniquely American social movement This rigorous analysis over many states and many elections provides the clearest picture yet of the goals tactics and hopes of the Christian Right in America

2006 Retired Military Almanac ,2006 An informative guide to retired military information for Retirees and their families
