Latinos, Inc. Arlene Dávila, 2012-09-01 Both Hollywood and corporate America are taking note of the marketing power of the growing Latino population in the United States And as salsa takes over both the dance floor and the condiment shelf the influence of Latin culture is gaining momentum in American society as a whole Yet the increasing visibility of Latinos in mainstream culture has not been accompanied by a similar level of economic parity or political enfranchisement In this important original and

entertaining book Arlene D vila provides a critical examination of the Hispanic marketing industry and of its role in the making and marketing of U S Latinos D vila finds that Latinos increased popularity in the marketplace is simultaneously accompanied by their growing exotification and invisibility She scrutinizes the complex interests that are involved in the public representation of Latinos as a generic and culturally distinct people and questions the homogeneity of the different Latino subnationalities that supposedly comprise the same people and group of consumers In a fascinating discussion of how populations have become reconfigured as market segments she shows that the market and marketing discourse become important terrains where Latinos debate their social identities and public standing The 1999 National Hispanic Media Directory Octavio Nuiry,1998-11-01 **Burrelle's Hispanic Media Directory** ,1983 Standard Directory of Advertising Agencies National Register Publishing,National Register Publishing Co.
