1st Royal Irish Rifles In The Great War:

The 1st Royal Irish Rifles in the Great War James W. Taylor, 2002 In addition to its narrative the book gives biographical details on nearly 300 officers including medical officers and chaplains this information unfortunately generally is not available for the enlisted men A series of appendices complete the picture Apart from the awards and casualty lists there are details of the 301 men who were court martialled including a transcript of the trial of the only member to be executed Jacket

The 2nd Royal Irish Rifles in the Great War James W. Taylor, 2005 Following his acclaimed *The 1st Royal Irish Rifles in the Great War* James Taylor now completes his study of the regiment's Regular battalions Having been part of 3rd Division in the original Expeditionary Force they fought at places such as Mons Le Cateau the Aisne La Bass e Somme Messines and Bellewaarde ending the war as part of 36th Ulster Division They suffered in excess of 1 400 fatalities including men from every county in Ireland The book gives biographical details on over 320 officers and some other ranks In addition to the awards and casualty lists details are given of the 269 men who were court martialled including a transcript of the trial of the only member to be executed

The Irish regiments in the Great War Timothy Bowman, 2013-07-19 The British army was almost unique among the European armies of the Great War in that it did not suffer from a serious breakdown of discipline or collapse of morale It did however inevitably suffer from disciplinary problems While attention has hitherto focused on the 312 notorious shot at dawn cases many thousands of British soldiers were tried by court martial during the Great War This book provides the first comprehensive study of discipline and morale in the British Army during the Great War by using a case study of the Irish regular and Special Reserve battalions In doing so Timothy Bowman demonstrates that breaches of discipline did occur in the Irish regiments but in most cases these were of a minor nature Controversially he suggests that where executions did take place they were militarily necessary and served the purpose of restoring discipline in failing units Bowman also shows that there was very little support for the emerging Sinn Fein movement within the Irish regiments This book will be essential reading for military and Irish historians and their students and will interest any general reader concerned with how units maintain discipline and morale under the most trying conditions

By Lieut-Colonel George Brenton Lawrie. (vol. 2. The History of the First Seven Battalions, the Royal Irish Rifles, Now the Royal Ulster Rifles, in the Great War. By Cyril Falls.) [With Plates and Maps.]. Great Britain. Army. Infantry. Regiments. Royal Irish Rifles, afterwards Royal Ulster Rifles,1914 The Irish Medical Profession and the First World War David Durnin,2019-04-26 This book examines the role of the Irish medical profession in the First World War It assesses the extent of its involvement in the conflict while also interrogating the effect of global war on the development of Ireland s domestic medical infrastructure especially its hospital network The study explores the factors that encouraged Ireland s medical

personnel to join the British Army medical services and uncovers how Irish hospital governors in the face of increasing staff shortages and economic inflation ensured that Ireland's voluntary hospital network survived the war. It also considers how Ireland's wartime doctors reintegrated into an Irish society that had experienced a profound shift in political opinion towards their involvement in the conflict and subsequently became embroiled in its own Civil War. In doing so, this book provides the first comprehensive study of the effect of the First World War on the medical profession in Ireland. Irish Voices from the Great War Myles Dungan, 2014-07-07. This pioneering study first published in 1995 retains its rank as one of the most powerful histories ever written about Irish involvement in World War 1. This year the centenary of the war sees its timely re-publication as the Irishmen who fought in that war re-enter the national memory after decades of indifference and hostility. The gradual softening of attitudes over the last twenty years amid great historic change on the island of Ireland is due in no small part to the efforts of historians such as Myles Dungan to tell thousands of forgotten stories. Drawing on the diaries, letters, literary works and oral accounts of soldiers, Myles Dungan tells some of the personal stories of what Irishmen, unionist and nationalist, went through during the Great War and how many of them drew closer together during that horror than at any time since. This volume deals with a selection of the most important battles and campaigns in which the three Irish Divisions participated.

3 Division 7 Infantry Brigade Royal Irish Rifles 2nd Battalion, 2015-07-25. The War Diaries for the Great War held under WO95 represent one of the most popular record collections held at the National Archives, Kew, London. For researchers and family historians, the War Diaries contain a wealth of information of far greater interest than the army could ever have predicted. They provide unrivalled insight into daily events on the front line and are packed with fascinating detail. They contain no modern editing, opinions or poorly judged comments; just the war day by day, written by the men who fought this War to end all Wars. They are without question the most important source of information available on the war on the Western Front. Full colour facsimile of each page with specially created chronological index.

What is a War Diary? The headquarters of each unit and formation of the British Army in the field was ordered to maintain a record of its location, movements and activities. For the most part, these details were recorded on a standard army form headed 'War diary or intelligence summary'. What details are given? Details given vary greatly depending on the nature of the unit, what it was doing and to some extent the style of the man writing it. The entries vary from very simple and repetitive statements like 'Training up' to many pages of description when a unit was in battle. Production of the diary was the responsibility of the Adjutant of the headquarters concerned. Is there any other information or documents with the diaries? Some diaries have other documentation attached, such as maps, operational orders and after-action reports.
