Astrology and Popular Religion in the Modern West Nicholas Campion, 2016-04-15 This book explores an area of contemporary religion spirituality and popular culture which has not so far been investigated in depth the phenomenon of astrology in the modern west Locating modern astrology historically and sociologically in its religious New Age and millenarian contexts Nicholas Campion considers astrology's relation to modernity and draws on extensive fieldwork and interviews with leading modern astrologers to present an invaluable contribution to our understanding of the origins and nature of New Age ideology This book challenges the notion that astrology is either marginal or a feature of postmodernism Concluding that astrology is more popular than the usual figures suggest Campion argues that modern astrology is largely shaped by New Age thought influenced by the European Millenarian tradition that it can be seen as an heir to classical Gnosticism and is part of the vernacular religion of the modern west

The Perfect Horoscope John Willner, 2001-01-01 The majority of horoscopes in current use are terribly wrong Why Because spiritual birth times which are essential to producing an accurate horoscope according to Edgar Cayce occur up to four and a half hours before physical birth That difference leaves aspects between planets about the same but shifts all house cusps backward by up to one or two signs Compared with most of today's faulty horoscopes these perfect horoscopes match personas with awesome precision and provide greatly enhanced forecasting capabilities This revolutionary book on astrology shows you how to 1 arrive at spiritual birth times 2 apply two other fundamentals of astrology currently omitted from most horoscopes and 3 verify your now totally functional horoscope Topics covered in this book include Who in recorded history may have been responsible for the mistakes of astrology and its subsequent fall from grace o How to calculate accurate soul chosen horoscopes What steps can be taken to verify a soul chosen horoscope Why progressions not transits mark the stepping stones of life When horoscopes can be used to confirm fundamentals and reject damaging false
