Rose Army,2004 The Writers Directory ,2013 **Explaining the Mystery behind Superstitious Beliefs - Star Signs, Horoscopes, and Astrology** Dueep Jyot Singh,John Davidson,2017-08-21 Table of Contents Introduction So the Power of Good Is It Real Ignorance and superstitions The Stars Say That The Superstition behind the Evil Eye So Would You Read My Palm Horoscopes in Matrimony Psychological Effect of These Beliefs Conclusion Author Bio Publisher Introduction You may call yourself the most diehard scoffer and cynical skeptic as am I but when asked to speak nothing but the truth we are going to admit albeit a bit wryly that whenever we pick up a paper or open a journal there is a chance that we are going to go straight to the daily horoscope or the astrology column for a peek into the future This book is going to tell you all about the reason and rationale behind star signs astrology and horoscopes especially in countries where horoscopes are still being read during the initial matchmaking stages The idea that the stars rule our faith and the stars are going to come to the rescue if we appease the gods or the planets is an innate belief which has managed to influence the lives of billions of human beings down the ages Many of the incidents here which I am going to recount are based on knowledge and also experience because let me admit it as a full fledged mischief maker at university I had an enviable reputation of being able to predict what happened next fortunes and was well known as a palmist What happened then and how I often took advantage of this is going to tell you all about how we charlatans work **Books in Print Supplement** ,2002 2000 Total Horoscope ,1999
