## **20 Compelling Evidences That God Exists:**

20 Compelling Evidences that God Exists Kenneth Boa, Robert M. Bowman, 2002 Though millions say they believe in God not one can give a single reason why This resource tackles the most profound arguments from philosophy science sociology psychology and history and presents 20 clear concise evidences that make faith in God and specifically Jesus Christ reasonable **Evidence for Faith 101** Bruce Bickel, Stan Jantz, 2008 Free of clichés or rhetorical arguments a primer on Christian apologetics tackles vital questions people of all ages and beliefs are asking presenting evidence from the world history and lives of people who have been changed by something bigger than themselves Original *The Power of Truth in Perilous Times* Marcus E. Drake, 2024-09-25 Real Hope in the Midst of a Culture Gone Awry Yes we live in this kind of culture and world However it is clear in the Bible that the more we pursue the knowledge of God as defined and described in Scripture and the more we are devoted to him the more he will work in us and through us during the perilous times in which we live Therefore in thinking about the extraordinary impact biblical truth can have on our society this book focuses on three vitally important areas in the Bible how God reveals his existence through nature and his Word how he discloses his character through his attributes and promises and how he calls his people to seek the knowledge of himself through the fear of the Lord and the bearing of his image Thus the purpose of this book is to lead believers into a deeper understanding of what God is like a deeper understanding of what he has promised to those who know him and a deeper understanding of the unshakable hope and strong encouragement we have in God's Word as we live in a confused and deteriorating culture Rather than simply decrying the devastating changes in our nation and world this book clearly proclaims the hope that is ours in the very nature and character of God himself the identity and security believers have in Christ and the biblical guidance we need in order to be salt and light in our generation A God centered truth loving Christ exalting approach to life changes everything

**10 Questions and Answers on Atheism and Agnosticism** Norman L Geisler, Alex McFarland, Robert Velarde, 2021-09-16 Leading apologists Dr Norman Geisler and Alex McFarland President of Southern Evangelical Seminary look at the important questions of life including What can we know about the existence of God What can we know about right and wrong Is belief in God compatible with science Is there scientific evidence supporting the belief in God If there is a good God why is there evil What about all the evil done in the name of God Is the Bible an unreliable collection of myths Is there meaning and purpose to life The booklet provides a comprehensive yet understandable examination of what atheists and agnostics believe and also explains the evidence for the biblical God Fulfilled Through Fear Dean C. Halverson, 2025-06-20 When do we feel most alive It's when something or someone grabs our attention and causes us to live with a passion for those things that are outside us Think of falling in love or living for a cause That's what fearing God does It causes us to come alive by grabbing our attention and focusing us on the God who loves us Fearing God is not the same as being afraid of God Instead fearing God is being overwhelmed by the infinite loving dangerous God and being fulfilled by that

fear Finding fulfillment by fearing God challenges the popular belief that we will be most fulfilled when we follow our hearts  
Read this book with a heart that is open to being transformed      **Prepared to Answer** Rob van de Weghe,2008

**Intuition of Significance** Albert Norton,2020-02-06 Why am I here What is here What constitutes all of reality One view materialism is that all of reality consists only in physical things and the forces acting on them Another theism tells us there is a spiritual realm too which pervades the physical In our post Christian culture the default perspective is materialism yet we tend to self identify in reference to religion We might say I m not very religious for example defining our views by what they are not rather than what they are This feels neutral but amounts to an embrace of materialism We should look critically at these competing metaphysical views theism and materialism and follow the evidence where it leads This book traces the fault line between them examining evidence like the fact of being our incessant yearning our competing desires both for significance and insignificance and our subjective motivations regarding beauty morality and truth to show they all point to God      **Without a Doubt** Kenneth Richard Samples,2004-07 Without a Doubt provides answers to tough questions about Christianity that assure the heart and satisfy the mind of Christian seeker and skeptic alike      **The Eternal Godhead** Dr Scott Crenshaw,Scott Crenshaw,2009-11 Do you have unanswered questions Are you wondering who God is Are you wondering why you are here Is Jesus really God s Son Can I really have a relationship with God If these are some of the questions on your heart then Dr Crenshaw s book The Eternal Godhead will take you on a journey knowing God and how to have that relationship with Him Maybe you are already a student of the Word and seek to understand more and to be able to impart Truth to others If this is you then The Eternal Godhead will help you answer questions about topics such as sin the family the Church and the future Wherever you may be I hope and pray that this book will help you draw closer and have a more intimate relationship to The Eternal Godhead May God open your eyes on this journey that you are about to undertake Blanche Russell typist      [A Thematic Access-Oriented Bibliography of Jesus's Resurrection](#) Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient

access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

**The Things Above** Tyler M. Taber, 2011-10 We live in a world where Christianity is not always thought to involve both the heart and the mind Yet Paul when encouraging us to keep seeking the things above Col 3 1 surely meant to use them both With an easy to use question and answer format The Things Above is designed to help students think through tough questions of the Christian faith in a way that is consistent with a biblical worldview With a pastoral touch and a friendly tone this book explores some of the following topics amongst many others How do I know God exists Who created God Do Christians have any evidence that Jesus was raised from the dead How were the books of the Bible put together Is the God of Islam the same as the God of Christianity

**Faith Has Its Reasons** Kenneth Boa, Robert M. Bowman Jr., 2012-01-05 A most accessible but thoroughly practical primer on apologetics

**How Do You Know You're Not Wrong?** Paul Copan, 2005-08-01 In today's postmodern world believers more than ever before are faced with a host of objections to Christianity Expert apologist Paul Copan describes these objections as anti truth claims and with How Do You Know You're Not Wrong he provides a helpful resource with thorough biblical answers to such regularly used objections as Whatever works for you Just as long as it makes you happy All religions are basically the same Christianity is anti semitic At the end of each chapter he provides practical and easy to share summary points to help readers intelligently and effectively answer the challenges of their non Christian friends and neighbors

**Is The Truth Out There?** Darrick Dean, 2008-07-19 Does truth change How can we determine fact from fiction Travel through history and science religion and the mind as we search to make sense of the world around us

*Globequake* Wallace Henley, 2012 From globalization to the digital revolution secularization to the great recession change has never happened so fast and wide and deep as we have seen in recent years The nature of information and the speed with which it travels is unparalleled and it is changing our world in seismic ways that reach into every crevice of our lives It's as if the tectonic plates of society and culture are being torn apart and reshaped right under our feet We are living through a cultural GLOBEQUAKE How should we respond as families In business Through our churches With the hope and stability found not on this shifting ground but in the one who created the heavens and earth says pastor and best selling author Wallace Henley Drawing from his experiences in politics and journalism plus his deep biblical knowledge Henley's analysis is clear insightful and thought provoking There is no alarmist agenda here Globequake is a well reasoned guide to navigating the spheres of our lives in a godly manner even as those spheres wobble on their axes Globequake looks at current events and puts them in the context of the larger prophetic picture Cal Thomas syndicated and USA Today columnist and Fox News contributor

**Essential Christianity** Keith Sherlin, 2006-06 What are the essentials to the Christian faith How can you know and find God's will What doctrines comprise the foundation to a Christian life What should church leadership look like What experiences mark a healthy Christian These questions and more are answered in this book If you are looking for one book that can cover the whole Christian life then this book is for you as you seek to Love a
