The Queen Chronology is a comprehensive account of the studio and live recording and release history of Freddie Mercury, Brian May, John Deacon and Roger Taylor, who joined forces in 1971 as the classic line-up of the rock band Queen. Years of extensive research have gone into the creation of the Chronology, which covers the very beginnings of band members' careers, their earliest songwriting efforts and recording sessions through the recording and releasing of Queen's 15 original studio albums with their classic line-up to the present day solo careers of Brian May and Roger Taylor. All of this information is presented date by date in chronological order with detailed descriptions of each song version, including those both released and known to be unreleased. Every Queen and solo album, single, non-album track, edit, remix and extended version is examined, as are known demos or outtakes, pre-Queen recordings and guest appearances.
