2 Peter Jude Focus On The Bible Commentaries:

Wisdom Commentary: 1-2 Peter and Jude Pheme Perkins, Eloise Rosenblatt, Patricia McDonald, 2022-04-15 Reading 1 Peter through the lens of feminist and diaspora studies keeps front and center the bodily psychological and social suffering experienced by those without stable support of family or homeland whether they were economic migrants or descendants of those enslaved by Roman armies In the new household of God believers are encouraged to exhibit a moral superiority to the society that engulfs them But adoption of elite values cannot erase the undertones of randomized verbal abuse general scorn and physical violence that women immigrants slaves and freedmen faced as the facts of life First Peter offers the honor of identifying with the Crucified by his bruises you are healed 2 24 A Christian liberation ethic would challenge 1 Peter's approach Pliny the Younger governor of Bithynia Pontus in north western Asia Minor is a contemporary of 2 Peter's writer The polemical accusatory genre of 2 Peter like Jude originates in Roman judicial rhetoric The pastor in the persona of a prosecuting attorney condemns immoral defendants including influential women Their crimes encode community tensions over women's leadership Gentile members sexual ethics their syncretistic deviations from Jewish doctrine on creation and the certainty of divine judgment and punishment Citations to Elizabeth Cady Stanton's A Woman's Bible enliven the commentary The doctrinal disorder prompts the male pastor to sustain loyalists in their commitment to Our Lord and Savior Jesus Christ Second Peter dramatizes an ecclesial crisis whose solution was the eventual imposition of a magisterium to silence dissent Brief combative and assuming a familiarity with a literary culture that most twenty first century readers do not have the Letter of Jude would be an obvious candidate for being the most neglected book of the New Testament As a model for a pastoral strategy it can be recommended only with great reservations almost everyone will find in it something problematic if not offensive Yet in addition to giving a window on a Greek speaking Jewish Christian milieu Jude's energetic prose testifies to the author's visceral concern for those attempting to live by the gospel in difficult circumstances Furthermore to the extent that over familiarity with parts of the New Testament can blunt their challenge this letter provides a salutary reminder that the entire canon originated in a world that is radically unfamiliar to us **2 Peter** Harry Uprichard, 2022-08-03 Peter's second letter is about growing in Christ amid false teaching so that Christ's character will be reflected in our lives Peter begins by explaining true knowledge of God It is a saving growing fruitful assured and remembered knowledge The source of this true knowledge of God is Scripture Scripture comes from God Men spoke from God carried along by the Holy Spirit Peter next contrasts false knowledge of God with true knowledge of God There are false teachers among the churches Peter addresses whose precursors are the false prophets of the Old Testament Arrogance sensuality and emptiness characterize these false teachers They not only deny the truth but also live immoral lives False knowledge of God leads nowhere but to God's condemnation and to eternal death Peter finally writes of practical knowledge of God He recalls the predictions of the prophets and the commandment of their Lord and Saviour through the apostles

Practical knowledge of God produces godly living assures that God fulfils all his promises in Scripture and confirms growth in grace and knowledge of our Lord Jesus Christ All of this is possible through Scripture Let s together see how Peter explains in detail how to grow in Christ amid false teaching *2 Peter and Jude MacArthur New Testament Commentary* John MacArthur,2005-10-01 Second Peter and Jude are sometimes neglected as the dark corner of the New Testament But Christians avoid these two letters to their peril Both letters were written to expose false teachers and to strengthen believers in the truth In a day when sound doctrine is devalued their warning has never been more needed Join John MacArthur as he explains each verse in a way that is both doctrinally precise and intensely practical **The Fathers on the Future: A 2nd-Century Eschatology for the 21st-Century Church** Michael J. Svigel,2024-11-05 Dive into the classic eschatology of Irenaeus of Lyons with *The Fathers on the Future* as you unpack key truths untangle misunderstandings and get a deeper understanding of this balanced and biblically sound end times framework Many today with an interest in the end times face a problem they have forgotten the past Knowing the history of eschatology is key to understanding its importance how we interpret our faith and our outlook on God and humanity So why do so many overlook it and what can we do to correct this *The Fathers on the Future* uses a thorough exegetical and theological analysis to defend the foundation and structure of the second century premillennial futurist eschatology of Irenaeus of Lyons and other church fathers It makes a case for a contemporary Irenaean premillennial eschatology arguing that it is a reliable framework for a biblically defensible theologically balanced and historically informed eschatology *The Fathers on the Future* includes these key features Restores historical perspective Recovers the forgotten roots of early Christian eschatology emphasizing the teachings of Irenaeus of Lyons and other church fathers Biblically grounded framework Offers a well supported case for a biblically defensible premillennial eschatology balancing theology and history Clarifies and corrects Clarifies complex aspects of early eschatology strengthens key theological points and corrects missteps Fresh yet ancient approach Presents an eschatological perspective that is new to modern readers but deeply rooted in ancient Christian traditions *The Fathers on the Future* begins with the belief that Irenaeus and other early church fathers represented a widespread and well developed eschatology inherited from those who were close associates of the apostles It then explores some of features of that early eschatology clarifying obscure points strengthening some elements and correcting a few missteps By looking back to Irenaeus and the eschatological emphases of his age this book provides a new approach to eschatology today new to contemporary readers but ancient in its original perspective *1 & 2 Peter and Jude MacArthur New Testament Commentary Set* John MacArthur,2005-10-01 This package includes the complete two volume set of 1 Peter and 2 Peter Jude from the MacArthur New Testament Commentary series The MacArthur New Testament Commentary series continues to be one of today s top selling commentary series These commentaries from respected Bible scholar and preacher John MacArthur give a verse by verse analysis in context and provide points of application for passages illuminating the biblical text in practical and relevant

Reading 1 Peter, Jude, and 2 Peter Earl Richard,2000 This volume is dedicated to the study of three late little known biblical works that historically have been relegated to the lesser works of the New Testament Reading 1 Peter Jude and 2 Peter underscores the light that these letters shed upon one another and focuses on the snapshots they provide of early Christian communities as they encountered the social and religious environment in which they were situated Careful reading of 1 Peter reveals the complex world of the post apostolic period Jude and 2 Peter provide a sober look at the early community s evolution in doctrinal and moral terms

NEW TESTAMENT CONTEXTUAL COMMENTARY Dr. Robert R. Seyda,2024-10-25 Now the beloved Apostle states clearly that if we love God we will obey His commands And those commands are not difficult for us to obey After all He came to be the Savior of the world So three things show us clearly that Jesus came from God Those things are the Holy Spirit the water of Jesus baptism and the blood of His death on the cross Therefore everyone who believes in Jesus the Son of God will know that what God says is true But anyone who does not believe in God is saying that God tells lies They just do not believe the message that God told us clearly about His Son You don t want to be one of those people Truly we can trust God to help us when we turn to Him We know that He will hear us When we ask for anything that He wants us to have He listens to us

This is especially true when we see another Christian doing something bad this is what we should do If it is a sin that does not cause death pray that God will help him Then God will help that person to live forever with Him We should settle it in our minds that nobody who has become a child of God continues to do wrong things Instead the Son of God keeps them safe so that Satan cannot do anything to keep them from going to heaven So I beg you says John do not put anything in this world or of this world before God

The Second Epistle General of Peter, and the General Epistle of Jude Michael Green,1987 Green s study of 2 Peter and Jude constitutes one volume in the Tyndale New Testament Commentaries a popular series designed to help the general Bible reader understand clearly what the text actually says and what it means without undue recourse to scholarly technicalities

90 100 CE earlier than many commentators Its pseudonymous authorship and nature as a farewell testament were common enough at the time enabling the writer to cloak his own arguments in the garments of a revered authoritative personage of the past The letter s teaching on the delay of the parousia is among its most striking features it is the only NT writing to teach that the present world will be destroyed by fire though such a notion is found in intertestamental Jewish writings and among the Stoics Kraftchick brings nothing startlingly new to an already well furrowed exegetical field but his skill at synthesis and clarity of expression will be appreciated by the students for whom this entire series is intended Casimir Bernas Holy Trinity Abbey in Religious Studies Review Volume 29 Number 3 July 2003 *Jude: A Theological Commentary* Shelby Pritchard, 2025-05-01 The Epistle of Jude was written to a church infiltrated by compromisers false teachers and corrupt influencers In that critical hour Jude called upon dramatic and now somewhat forgotten stories of God s judgment to challenge his church to fear the Lord and turn from their sin back to God s eternal and unfailing love In this theological commentary we explore the themes structure and history behind the book as we seek to draw out the eternal truths that God has given us here Made primarily for teachers and pastors these insights are still accessible to others making it a perfect resource for all Christians serious about studying their faith *The IVP Women's Bible Commentary* Catherine Clark Kroeger, Mary J. Evans, 2002 This commentary edited by Catherine Clark Kroeger and Mary Evans is an attempt to answer the question What happens when we look at Scripture through women s eyes New and helpful insights from an international team of scholars show how Scripture is relevant to women and men alike making it a wonderful complement to other commentaries **Themelios, Volume 35, Issue 2** D.
