

The book cover features a classic Western illustration. A cowboy in a dark jacket, light-colored pants, and a wide-brimmed hat is mounted on a dark horse. He is holding a long rifle or shotgun, pointing it towards the left. The horse is in a dynamic pose, as if galloping or turning. The background is a desert landscape with dry, yellowish-brown ground, sparse green shrubs, and a blue sky with white clouds. In the foreground, there are some dry, bleached branches. The overall style is reminiscent of early 20th-century pulp magazine covers.

armed and ready to shoot The combination of unrelenting danger its accompanying stress and an abundance of firearms proved deadly Drawing from history geography cultural studies and trauma studies Pag n uses the story of Pleasant Valley to demonstrate a new way of looking at the settlement of the West Writing in a vivid narrative style and employing rigorous scholarship he creatively explores the role of trauma in shaping the lives and decisions of the settlers in Pleasant Valley and offers new insight into the difficulties of survival in an isolated frontier community      *Large Print Holdings of the Public Libraries in Great River Library System ,1990*
