## **Arizona Renegade:**

Arizona Wine Christina Barrueta, 2016-08-01 Arizona's flourishing wine industry may surprise those who think of the Grand Canyon State as a desert landscape dotted with cacti. From the high country vineyards of the Verde Valley to the rolling plateaus of Sonoita and Willcox, pioneering winemakers are producing nationally acclaimed award-winning wines. While the 1970s are recognized as launching the modern-day industry, Arizona's viticulture dates back much further. The Spanish and Jesuit missionaries introduced European winemaking to the Southwest, and the 1800s saw the introduction of Arizona's first wineries. Join author Christina Barrueta on this fascinating journey and meet the pioneers and visionaries who are forging their own paths to build America's newest wine region.

**Renegades** Robert Harkins, 2011-07 In the wee hours of December 16, 1773, Boston, Massachusetts citizens, in a feat of magnificent defiance, joined together in a tea party that would breathe into being the American Revolution: a conservative constitution, a sovereign people, and the United States. Today, more than two hundred years later, it's time for a new revolution. In *Renegades: Their Betrayal of America, Her Rebellion, and Response*, author Robert Harkins outlines the reasons for a new revolution. It's not the British we must defy, but the intellectual elite whom Harkins calls the renegade liberal, as did George Orwell in his unpublished preface to *Animal Farm*. The intellectual elite seek to dismantle American civilization and diminish people they believe are so intellectually vacuous and religiously provincial; they must, in all things great and small, be carefully monitored and told precisely what and how to think, believe, and live. This cannot be. Americans must discover again their ancient roots, their mythos, creed, and identity. They must commit themselves again to moral and rational excellence. *Renegades: Their Betrayal of America, Her Rebellion, and Response* is a tribute to American virtue and serves as a starting point for Americans to return to excellence. *Renegades: Their Betrayal of America, Her Rebellion, and Response* is a historic treasure. Robert Harkins's understanding of history, culture, and America is unsurpassed, and these pages will reveal why past civilizations have gone extinct. More importantly, Harkins's words are a roadmap for each of us to preserve liberty and freedom for our children and grandchildren right here in America, man's last best hope on earth. Jeff Crank, radio talk show host and Colorado Director of Americans for Prosperity. Robert Harkins received his law degree from St. Mary's University in Texas, where he received honors for exceptional scholastic excellence in the disciplines of federal and constitutional law. He taught business and constitutional law as a guest teacher at the University of Texas and served as a Texas judge for seven years, during which time he graduated from the Texas and National Colleges of the Judiciary. He now lives with his wife Hyosuk in Colorado.
