 and Arizona Along U.S. Highway 93* Joseph V. Tingley, 2010 [Great Desert Escape](#) Keith Warren Lloyd, 2019-04-01
 Dramatic highly readable and painstakingly researched The Great Desert Escape brings to light a little known escape by 25
 determined German sailors from an American prisoner of war camp The disciplined Germans tunneled unnoticed through
 rock hard sunbaked soil and crossed the unforgiving Arizona desert They were heading for Mexico where there were
 sympathizers who could help them return to the Fatherland It was the only large scale domestic escape by foreign prisoners
 in US history Wrung from contemporary newspaper articles interviews and first person accounts from escapees and the law
 enforcement officers who pursued them The Great Desert Escape brings history to life At the US Army's prisoner of war
 camp at Papago Park just outside of Phoenix life was at the best of times uneasy for the German Kriegsmariners On the
 outside of their prison fences were Americans who wanted nothing more than to see them die slow deaths for their perceived
 roles in killing fathers and brothers in Europe Many of these German prisoners had heard rumors of execution for those who
 escaped On the inside were rabid Nazis determined to get home and continue the fight At Papago Park in March 1944 a
 newly arrived prisoner who was believed to have divulged classified information to the Americans was murdered hung in one
 of the barracks by seven of his fellow prisoners The prisoners of war dug a tunnel 6 feet deep and 178 feet long finishing in
 December 1944 Once free of the camp the 25 Germans scattered The cold and rainy weather caused several of the escapees
 to turn themselves in One attempted to hitchhike his way into Phoenix his accent betraying him Others lived like coyotes
 among the rocks and caves overlooking Papago Park All the while the escapees were pursued by soldiers federal agents
