If you like this book write a review *Nymph of Darkness* C. L. Moore, 2011-10-07 Nysa appeared mysteriously with a request of Northwest Smith excerpt The thick Venusian dark of the Ednes waterfront in the hours before dawn is breathless and tense with a nameless awareness a crouching danger The shapes that move murkily thru its blackness are not daylight shapes Sun has never shone upon some of those misshapen figures and what happens in the dark is better left untold Not even the Patrol ventures there after the lights are out and the hours between midnight and dawn are outside the law If dark things happen there the Patrol never knows of them or desires to know Powers move thru the darkness along the waterfront to which even the Patrol bows low Thru that breathless blackness along a street beneath which the breathing waters whispered Northwest Smith strolled slowly No prudent man ventures out after midnight along the waterfront of Ednes unless he has urgent business abroad but from the leisurely gait that carried Smith soundlessly thru the dark he might have been some casual sightseer He was no stranger to the Ednes waterfront He knew the danger thru which he strolled so slowly and under narrowed lids his colorless eyes were like keen steel probes that searched the dark Now and then he passed a shapeless shadow that dodged aside to give him way It might have been no more than a shadow

His no colored eyes did not waver He went on alert and wary He was passing between two high warehouses that shut out even the faint reflection of light from the city beyond when he first heard that sound of bare running feet which so surprised him The patter of frantically fleeing steps is not uncommon along the waterfront but these were he listened closer yes certainly the feet of a woman or a young boy Light and quick and desperate His ears were keen enough to be sure of that They were coming nearer swiftly In the blackness even his pale eyes could see nothing and he drew back against the wall one hand dropping to the ray gun that hung low on his thigh He had no desire to meet whatever it was which pursued this fugitive But his brows knit as the footsteps turned into the street that led between the warehouses No woman of whatever class or kind ventures into this quarter by night And he became certain as he listened that those feet were a woman s There was a measured rhythm about them that suggested the Venusian woman s lovely swaying gait He pressed flat against the wall holding his breath He wanted no sound to indicate his own presence to the terror from which the woman fled Ten years before he might have dashed out to her but ten years along the spaceways teaches a man prudence Gallantry can be foolhardy sometimes particularly along the waterfront where any of a score of things might be in close pursuit At the thought of what some of those things might be the hair prickled faintly along his neck **A Blade of Dark Ebony** Stephen M.

Prange,2012-09-06 A Blade of Dark Ebony tells the story of Ebon who at the age of 20 is forced to face the reality of the world in which he lives a world that can be capricious but can also offer exciting rewards Supported by key friends Mendel Gabriel and Caliel the love of his life he leaves the sheltered life of his youth to search for his real identity Is he just like the father who raised him or is he someone quite different One thing he knows the man who raised him as a father was one of the most skilled swordsmen of his day and he will have to work long and hard to follow in his footsteps Impatient to gain glory he needs to learn patience and commitment and come to understand that the training of the mind is every bit as important as the training of the body As the story develops the thoughts and ideals of his youth are severely challenged and he must decide the path he will follow Even as his friends follow their planned path to glory through the army Ebon is torn from their tight knit fellowship and becomes a part of a mercenary army known as the Black Knights led by Arthur Pandell Arthur himself a swordsman of growing legend decides to mentor Ebon Enrolling Ebon in the intensive training program of mind and body he will need to succeed Arthur unwittingly prepares Ebon to enter the first great tournament of the best warriors in the country To gain glory Ebon must not only overcome the intrigue of his opponents but the temptation to yield the very ideals of his young life The pressure to win only intensifies when Ebon learns that only by winning can he help his beloved Caliel Dark Legacy: Book I - Trinity Domenico Italo Composto-Hart,2011-01-21 Book I Trinity of the Dark Legacy Cycle details the violent end of the Kai Order an ancient spiritual guild of warrior guardians and priestesses who have sworn their lives to protect the Oracle Queen of Atlantis at the hands of Maniok the being referred to as the Great Evil in the age old Song of the Oracle King It is a chronicle of Arkan the last Kai guardian and his desperate attempt to save the life of his
