Manahan, 2012-12 SHADOWS A Collection of Broken Dreams and Heartaches Inspired by William Blake s Illuminations Shadows a collection of free form poetry and short stories by author Aren K Manahan fuses text and images to go beyond thought and evoke emotion The focus of this collection is heartache not only how it affects people but also how they choose to deal with it Manahan peels back all superficial layers to focus on the hurt and pain within each of us Shadows follows various characters as they spiral out of control and try to grasp a sense of reality they once felt These narratives push you to go beyond the text and feel deeply for these characters either hatred or pity as they highlight the hurt that we all feel at times What becomes apparent is that some are able to cope with the pain while others are not and it destroys them Shadows reminds us that not everyone is fortunate enough to have a happy ending We have all had shadows pass through our lives at one point in time and the time has come to confront them and move on with life      *Philosophical Transactions of the Royal Society* , 1896      *The journal of the Linnean Society of London* , 1888      *The Palm Reader* Antoinette Zam, 2023-08-27 When someone from a friend group dies the secrets do not die with her Four women Casey Elle Kathy and Lauren were barely adults when they met and became friends at Northwestern University Their friendship grew over the four years they spent at college and when their time together came to an end they held on tight to their ties of love and sympathy Casey after a successful career as an artist returned home to Cape May New Jersey where she met her partner Alice Kathy married a successful heart surgeon Elle became a journalist and Lauren went on to become a writer Years pass and the women find themselves in separate lives In their forties a request is made to return to Cape May for a week s vacation This is not a trip the friends are looking forward to since they will have to endure spending time with Alice Casey s BFFs share the same feelings of confusion Why did Casey

who dated successful and interesting women choose Alice as her life partner Alice is not fond of Casey's BFFs She thinks the women are shallow snobby and selfish One friend in particular has caused Alice an enormous amount of pain The ladies agree to the vacation The encounter among the friends gets off to a rocky start but as the week progresses the BFFs discover they had misjudged Alice The women find themselves enjoying their time together And on the last day of the trip for fun they visit a palm reader However this becomes the beginning of a new era of their lives an era of questioning themselves their relationships and the past That same night the palm reader's words unearth the locked away secrets of their friendship Lauren and Kathy find themselves in an unending rift which in turn harms Kathy's husband Derek Since the age of twelve Elle had been plagued by a secret from her past a secret she successfully kept hidden until now Alice will reveal a secret that will divide the friends An innocent palm reading will change the women's lives forever BFFs forever or not The daily course of the Christian life Christian life, 1894 **The Coptic Version of the New Testament in the Southern Dialect,**
