Armed And Dangerous The Rise Of The Survivalist Right:

Armed and Dangerous James Coates,1995 An investigative reporter studies the belief that there are plots to undermine the economy before deliberately waging atomic warfare Cultural Economics and Theory David Boyce Hamilton,2010 David Hamilton has advanced heterodox economics by replacing intellectual concepts from orthodox economics that hinder us with concepts that help us This book brings together the essential works of David Hamilton over a fifty year period

The Wrong Hands Ann Larabee,2015 A fascinating timely and often disturbing history of how underground do it yourself weapons manuals have influenced violent radicalism and how the state has responded **Critical Theory and the Authoritarian Personality** Geoff M. Boucher,2025-01-31 The worldwide resurgence of authoritarianism has sparked renewed interest in the Frankfurt School theory of the authoritarian personality not as a topic of academic debate but as an urgent political factor Critical Theory and the Authoritarian Personality brings Theodor Adorno s critique up to date in light of new forms of authoritarian politics recent kinds of authoritarian propaganda and current findings about authoritarian personalities Drawing on the work of Slavoj Zizek and the psychoanalysis of Jacques Lacan this is the first sustained application of psychoanalytic theory to the problem of the authoritarian personality since the classical work of the Frankfurt School It explores a pressing problem the resurgence of the radical Right and proposes new solutions grounded in the idea of an affective approach to authoritarian politics as something based on transgressive fantasies and political anxieties Throughout the book illustrates its theoretical claims with reference to new kinds of authoritarian literature which today forms an important part of right wing propaganda *Community Policing in a Rural Setting* Quint Thurman,Edmund F. McGarrell,2014-10-13 The authors provide stepping stones for rural and small town agencies to make the organizational changes needed for community policing to take hold The book introduces the concept of community policing and its many benefits to the agencies and communities that adopt it Important issues discussed include the challenge of organizational change as well as examples of community policing obstacles and successes and the future of community policing in the 21st century Report of the Department of the Treasury on the Bureau of Alcohol, Tobacco, and Firearms Investigation of Vernon Wayne Howell Also Known as David Koresh United States. Bureau of Alcohol, Tobacco, and Firearms,1993 Investigative report of the events leading to the raid of the Branch Davidian Compound near Waco Texas on February 28 1993 *Toxic Terror* Jonathan B. Tucker,2000-02-28 In depth case studies of twelve terrorist groups and individuals who from 1946 to 1998 allegedly acquired or employed CBW agents Policymakers scholars and the news media have been alarmed by the potential for chemical and biological weapons CBW terrorism and the U S Congress has allocated billions of dollars for counterterrorism and consequence management programs Driving these concerns are the global spread of scientific knowledge and technology relevant to CBW terrorism and the vulnerability of civilian populations to chemical and biological attacks Notably lacking from the analysis however has been a careful assessment of the terrorists themselves What

types of terrorist groups or individuals are both capable of acquiring chemical and biological weapons and motivated to use them and for what purposes Further what types of toxic agents would probably be produced and how would they be delivered Answers to these questions would enable policymakers to prepare for the most likely contingencies To this end Toxic Terror provides in depth case studies of twelve terrorist groups and individuals who from 1946 to 1998 allegedly acquired or employed CBW agents The cases were researched from primary sources including court documents interviews and declassified government files By comparing the twelve cases the book identifies characteristic motivations and patterns of behavior associated with CBW terrorism and provides an empirical basis for prudent cost effective strategies of prevention and response *The SAGE Encyclopedia of Terrorism, Second Edition* Gus Martin, 2011-06-15 This thoroughly updated edition with expanded coverage explores the impact of terrorism on economics public health religion and pop culture and also includes details of ethical issues and debates relating to terrorism

Bring the War Home Kathleen Belew, 2019-05-07 A Guardian Best Book of the Year A gripping study of white power Explosive New York Times Helps explain how we got to today's alt right Terry Gross Fresh Air The white power movement in America wants a revolution Returning to a country ripped apart by a war they felt they were not allowed to win a small group of Vietnam veterans and disgruntled civilians who shared their virulent anti communism and potent sense of betrayal concluded that waging war on their own country was justified The command structure of their covert movement gave women a prominent place They operated with discipline made tragic headlines in Waco Ruby Ridge and Oklahoma City and are resurgent under President Trump Based on a decade of deep immersion in previously classified FBI files and on extensive interviews Bring the War Home tells the story of American paramilitarism and the birth of the alt right A much needed and troubling revelation The power of Belew's book comes in part from the fact that it reveals a story about white racist violence that we should all already know The Nation Fascinating Shows how hatred of the federal government fears of communism and racism all combined in white power ideology and explains why our responses to the movement have long been woefully inadequate Slate Superbly comprehensive supplants all journalistic accounts of America's resurgent white supremacism Pankaj Mishra The Guardian

The Canwell Files M. Kienholz, 2012-09-21 Court certified expert on Soviet Communism and controversial figure in the Pacific Northwest Albert Canwell born in Spokane Washington followed his father one time Pinkerton detective with his brother Carl Spokane Public Safety Commissioner and nephew David CIA into law enforcement He married the daughter of a prominent Harvard educated surgeon and raised six children at Montvale Farms on the Little Spokane River Elected Washington State representative Canwell was aptly chosen to investigate the notorious Democratic Capitol Club and served as appointed chairman of the states un American activities committee After unsuccessful campaigns for Congress Canwell established the American Intelligence Service providing material from his personal files to private parties businesses and government agencies FDA FBI INS His life effective activism and network security experts J B Matthews Louis Budenz

and Whittaker Chambers legislators and U S presidents were a lightning rod for approbation and condemnation by friends and enemies Repeated smear campaigns professional agitation and uninformed pseudohistorians left a wake of disinformation and historical inaccuracies about his career and data contained in his files As political historian and biographer Kienholz shares the contents of his files and corrects a web of distortions and propaganda promoted by adherents to Soviet Communism **The Routledge Handbook of Deviant Behaviour** Clifton D. Bryant,2011 A comprehensive integrative and accessible overview of the contemporary body of knowledge in the field of social deviance in the 21st century

Liberal Democracy and the Limits of Tolerance Raphael Cohen-Almagor,2009-12-22 How to prevent the enemies of democracy from using its freedoms to attack its existence *The Myth of the American Superhero* John Shelton Lawrence,Robert Jewett,2002 As the nation seems to yearn for redemption from the evils that threaten its tranquility the authors maintain that Joseph Campbell s monomythic hero is alive and well but significantly displaced in American popular culture **Unmasking the Klansman** Dan T. Carter,2023-04-15 **Pursuing Justice** Ralph A. Weisheit, Frank Morn,2025-09-15 Pursuing Justice Fourth Edition examines the issue of justice by considering the origins of the idea formal systems of justice current global issues of justice and ways in which justice might be achieved by individuals organizations and the global community Part I demonstrates how the idea of justice has emerged over time starting with religion and philosophy and then to the concept of social justice Part II outlines the very different mechanisms used by various nations for achieving state justice including systems based on common law civil law and Islamic law with a separate discussion of the U S justice system Part III focuses on six contemporary issues of justice war immigration domestic terrorism genocide slavery and the environment Finally Part IV shows how individuals and organizations can go about pursuing justice and describes the rise of global justice This updated book uses current events and debates to help students understand the complexities and nuances of a society s pursuit of justice It provides students with the foundations of global justice systems integrating Greek philosophies and major religious perspectives into a justice perspective and contributes to undergraduate understanding of international justice bodies NGOs and institutions *The Organized Crime Community* Frank Bovenkerk,Michael Levi,2007-11-15 In his social investigative writings on the serious crime community which describes the loose merger of corporate interests organized crime and political crime professor Alan A Block of Penn State University has proven to be one of the most inspiring criminologists in the field An international group of pupils and friends dedicate this book to him which contains original contributions on the troubled concept of organized crime the social history of crime groups in the United States corruption in the United Nations Oil for Food Program in Iraq the struggle against identity fraud the world of drugs and the adverse consequences of criminalization the money laundering control movement International Tribunals against war crimes and a Jewish studies chapter on the role of bystanders during the Holocaust The book opens with Alan Block s now classic study on the origins of the Iran Contra scandal Alan A Block has served for 17 years as the editor in chief of Crime

Law and Social Change one of Springer's major criminology journals *The Fracture of Good Order* Jason C. Bivins, 2004-07-21 Whether picketing outside abortion clinics speaking out at school board meetings or attending anti death penalty vigils many Americans have publicly opposed local state or federal government policies on the basis of their religious convictions In *The Fracture of Good Order* Jason Bivins examines the growing phenomenon of Christian protest against civil authority and political order in the United States He argues that since the 1960s there has been a proliferation of religious activism against what protesters perceive as government's excessive power and lack of moral principle Calling this phenomenon Christian antiliberalism Bivins finds at its center a belief that American politics is based on a liberal tradition that gives government too much social and economic influence and threatens the practice of a religious life Focusing on the Catholic pacifism of Daniel and Philip Berrigan and the Jonah House resistance community the Christian Right's homeschooling movement and the evangelical Sojourners community Bivins combines religious studies with political theory to explore the common ground shared by these disparate groups Despite their vast ideological and institutional differences Bivins argues these activists justify their actions in overtly religious terms based on a rejection of basic tenets of the American political system Analyzing the widespread dissatisfaction with the conventional forms of political identity and affiliation that characterize American civic life today Bivins sheds light on the complex relations between religion and democratic society *The Jews and the Expansion of Europe to the West, 1450-1800* Paolo Bernardini, Norman Fiering, 2004-01-01 Jews and Judaism played a significant role in the history of the expansion of Europe to the west as well as in the history of the economic social and religious development of the New World They played an important role in the discovery colonization and eventually exploitation of the resources of the New World Alone among the European peoples who came to the Americas in the colonial period Jews were dispersed throughout the hemisphere indeed they were the only cohesive European ethnic or religious group that lived under both Catholic and Protestant regimes which makes their study particularly fruitful from a comparative perspective As distinguished from other religious or ethnic minorities the Jewish struggle was not only against an overpowering and fierce nature but also against the political regimes that ruled over the various colonies of the Americas and often looked unfavorably upon the establishment and toleration of Jewish communities in their own territory Jews managed to survive and occasionally to flourish against all odds and their history in the Americas is one of the more fascinating chapters in the early modern history of European expansion **Encyclopedia of American Social Movements** Immanuel Ness, 2015-07-17 This four volume set examines every social movement in American history from the great struggles for abolition civil rights and women's equality to the more specific quests for prohibition consumer safety unemployment insurance and global justice **Everything Is Connected** Douglas Eklund, Ian Alteveer, Meredith A. Brown, John Miller, Kathryn Olmsted, Beth Saunders, Jonathan Lethem, 2018-09-17 Since the mid twentieth century conspiracy has pervaded our collective worldview shaped by events such as the assassination of John F Kennedy the Vietnam War

Watergate the Iran Contra affair and 9 11 Everything Is Connected examines how artists from the 1960s to the present have explored both the covert operations of power and the mutual suspicion between governments and their citizens Featured are works by some thirty artists including Sarah Charlesworth Emory Douglas Hans Haacke Rachel Harrison Jenny Holzer Mike Kelley Mark Lombardi Cady Noland Trevor Paglen Raymond Pettibon Jim Shaw and Sue Williams in media ranging from painting drawing and photography to video and installation art Whether they uncover webs of deceit hidden in the public record or dive headlong into paranoid fever dreams these artists use their work to take a powerful and proactive stance against the political corruption consumerism bureaucracy and media manipulation that are hallmarks of contemporary life
