## **Armenia Cradle Of Civilization:**

*Armenia, Cradle of Civilization* David Marshall Lang, 1980      **Armenia** David Marshall Lang, 1978      **The Kingdom of Armenia** M. Chahin, 2001 This book covers the history of Armenia from the most ancient literate peoples of Mesopotamia who had commercial interests in the land of Armenia c 2500 BC to the end of the Middle Ages      **Armenian Merchants of the Seventeenth and Early Eighteenth Centuries** Vahé Baladouni, Margaret Makepeace, 1998 This is a print on demand publication Tells a fascinating story about the trade relationship between the English East India Co and the powerful Armenian merchant community of New Julfa that lasted over 100 years 17th and early 18th cent This relationship revolved around the Co s continual efforts to break into the Armenian held silk and cloth markets This trade relationship epitomizes the age of competitive partnership that existed then Addresses the question What was the key to the Armenian merchants success during the pre modern period Their fabulous success may be attributed to the rare atmosphere of trust that prevailed among the Armenian merchant community which in turn led to two significant benefits organizational cost savings and organizational innovations      *The Kingdom of Armenia* Mack Chahin, 2013-11-05 While the majority of contemporary works on Armenia concentrate on the modern era *The Kingdom of Armenia* takes its beginning in the third century BC with the ancient literate peoples of Mesopotamia who had commercial interests in the land of Armenia and continues with a comprehensive overview through to the end of the Middle Ages      *The Armenians in the Medieval Islamic World* Seta B. Dadoyan, 2017-09-08 In this first of a massive three volume work Seta B Dadoyan studies the Armenian experience in the medieval Islamic world and takes the reader through hitherto undiscovered paradigmatic cases of interaction with other populations in the region Being an Armenian Dadoyan argues means having an ethnic ancestry laden with narratives drawn from the vast historic Armenian habitat Contradictory trends went into the making of Armenian history yet most narratives fail to reflect this rich texture Linking Armenian Islamic history is one way of dealing with the problem Dadoyan s concern is also to outline revolutionary elements in the making of Armenian ideologies and politics This extensive work captures the multidimensional nature of the Armenian experience in the medieval Islamic world The author holds that every piece of literature including historical writing is an artifact It is a composition of many elements arranged in certain forms order sequence proportion detail intensity etc The author has composed and arranged the larger subjects and their sub themes in such a way as to create an open dynamic continuity to Armenian history that is intellectually intriguing aesthetically appealing and close to lived experiences      *Open Wounds* Vicken Cheterian, 2015 *Open Wounds* explains how after the First World War the new Turkish Republic forcibly erased the memory of the atrocities and traces of Armenians from their historic lands a process to which the international community turned a blind eye      **Armenia, Azerbaijan, and Georgia** Ronald G. Suny, 1996-04      **The Oxford Encyclopedia of Economic History** Joel Mokyr, 2003 What were the economic roots of modern industrialism Were labor unions ever effective in raising workers living standards Did high levels of taxation in the

past normally lead to economic decline These and similar questions profoundly inform a wide range of intertwined social issues whose complexity scope and depth become fully evident in the Encyclopedia Due to the interdisciplinary nature of the field the Encyclopedia is divided not only by chronological and geographic boundaries but also by related subfields such as agricultural history demographic history business history and the histories of technology migration and transportation The articles all written and signed by international contributors include scholars from Europe Latin America Africa and Asia Covering economic history in all areas of the world and segments of economies from prehistoric times to the present The Oxford Encyclopedia of Economic History is the ideal resource for students economists and general readers offering a unique glimpse into this integral part of world history

Armenia in Crisis Pierre Verluise,1995 On December 7 1988 the northwest region of Soviet Armenia including Leninakan the republic's second largest city was devastated by an earthquake which left tens of thousands dead and forced the central government for the first time in Soviet history to call for international assistance *Armenia in Crisis* documents the tragic Armenian earthquake and the surrounding political controversies that rocked the Soviet Union and contributed to its collapse In sparse and gripping prose Pierre Verluise a French journalist and Soviet specialist uses the accounts of survivors and relief workers to tell the story of this catastrophe in its human and political dimensions Relying on personal interviews and press reports he recounts the destruction and despair the emotional reactions of survivors and relief workers the political struggles between Soviet President Mikhail Gorbachev and the Armenians and the shortcomings in Soviet construction methods and disaster preparedness The new epilogue by translator Levon Chorbajian completes Verluise's story of human loss and high political drama with updates of Armenia's independence the Soviet Union's demise and the still uncompleted task of earthquake reconstruction

Edwin M. Yamauchi, 2003-04-15 Are there any biblical references to territories in what is today the country of Russia The author's answer is yes but Ezekiel's reference to Rosh and Meshech is not one of them In a thoroughly documented discussion the author describes the Urartians Manneans Cimmerians and Scythians Three of these northern foes of Israel are referred to by Jeremiah in 51:27 the Cimmerians by Ezekiel 38:6 with the exception of Egypt writes the author almost all of Israel's enemies came from the north though from the viewpoint of a modern map many of these came ultimately from the east The Urartians occupied what is now Soviet Armenia southeastern Turkey and northwestern Iran The Manneans lived south of Lake Urmia between Urartu and Assyria The Cimmerians first appeared in the steppes north of the Caucasus then crossed the Caucasus and eventually invaded Asia Minor The Scythians were nomadic tribes from the Russian steppes some of whom settled in the Ukraine north of the Black Sea others east of the Caspian But what of Rosh Meshech and other names in Ezekiel 38:2 Is Rosh Russia and Meshech Moscow Rosh cannot possibly be related to Russia insists the author Nor can the terms Gog and Magog no proposed identification for which has yet to win universal consent Meshech and Tubal on the other hand have been located for certain in central and eastern Anatolia      *Cultures in Contact* Dirk

the most part this literature is not a direct outgrowth of the mainstream of Armenian literature The relationship of the writer discussed here is one of spirit of ancestral sympathies burdens and responsibilities These writers register the pain of exile and alienation as they weave images of yearning and loss celebration and futuristic vision into their writing Through their crossroads identity in America these writers add to our understanding of the Armenian diaspora     *David of Sassoun* Arpine Khatchadourian,2016-07-01 The Armenian folk epic David of Sassoun was performed and transmitted orally for over one thousand years before a variant was discovered and transcribed in 1873 The publication of this variant marks the beginning of a long period of discoveries of other variants The fifty variants collected by1936 are the source of the epic s unified text The action of the epic is centered on the preservation of the House of Sassoun or freedom from invaders The oaths taken by heroes create conflicts of loyalties that work against this central concern The curse another form of the oath leads to the decline of the House of Sassoun The father s curse which condemns the son to barren immortality also puts heroic life in suspension until the eschatological vision is realized
