Army Brat A Memoir:

Army Brat William Jay Smith, 1991 **Army Brat** William Jay Smith, 1980 Soldiering on – Finding My Homes Christine Kriha Kastner, 2011-04-27 Some military brats rode camels in Arabia others leaped from parachute training towers but this little army brat rode backwards in the rear jump seat of the family station wagon all the way across America without a seatbelt Christine Kriha Kastner grew up the only way she knew on military bases stateside and around the world By the time she turned in her military I D card when her father retired from the U S Army she had lived in fifteen different houses and attended ten different schools Situation normal for an army brat Living on Okinawa was a memorable overseas assignment So when an opportunity to return to that little island in the Pacific Ocean arose after forty years she couldn't pass it up Kastner returned to the island she remembered from her youth with the 73 year old mother of one of her best friends Together they took a Kubasaki High School reunion trip timed to coincide with the 4th Uchinanchu Festival that brought thousands of Okinawans back to the island from all over the world It was the adventure of their lifetimes just not quite the karaoke sake and pachinko experience they expected *Army Brat, Army Bride, Civilian: a Life* Darlene Gravett, 2013-11-19 *Army Brat Army Bride Civilian A Life* reveals the ups and downs of military living through the experiences of one who was both a sergeant's daughter and an officer's wife The military teaches many lessons but not how to transition to civilian life after more than thirty years of moving around in the Army including attending five different high schools as a teenager While in the Army families learn to adapt to renting or buying an apartment or house in town or to being assigned a set of Army quarters on a military post If in quarters they must not paint walls or install carpet or leave holes in walls where pictures used to hang Although the Army is a highly structured organization flexibility is a key word for its families Dealing with snafus making decisions which seem right at the time but turn out to be trumped by the demands of the military adjusting to new places and making new friends every two to three years are all part of living the military life Yet the adventure and excitement of this life are evident throughout Life of an Army Brat - Symbol of Courage, Conviction and Confidence Devansh Mehta, 2019-06-24 I would like to dedicate this book to my Late Father Colonel V K Mehta a Khatri Punjabi man who went on serving the supreme armed forces for more than three decades and having a happy and successful Career and Life He died on 31st January 2009 I pay homage to him through this book Daughter of the Regiment Mary Leefe Laurence, 1999-09-01 The young daughter of an English born U S infantry officer on the post Civil War frontier Mary Leefe had the childhood of an army nomad accompanying the regiment from south Texas to the boundary with Canada In faithfully recording her varied experiences as a camp follower she offers extensive and unique memoirs on life as a child and adolescent in the twilight of the Indian fighting army She considered herself a part of her father's unit ever mindful of the heritage of noblesse oblige the honor of the army and esprit de corps of the regiment We were part and parcel of this and must never disgrace it Leefe's formative memories were of the death of the regimental colonel in battle with the Cheyennes

and of the dangerous thrill of watching an Ute war dance When her father s company was assigned to guard Apache prisoners of war in Alabama she came to know and fear Geronimo whose terrible eyes haunted my dreams but she developed a lasting respect and admiration for such leaders as Chihuahua Nana and Naiche Leefe offers the reader much more than frontier anecdotes of a youth who comes of age in the fading West A largely uncritical observer Leefe was indeed a product of her place and time and so can report on the military community with affection humor and sympathetic understanding

Gossy The Autobiography Jeremy Goss,Edward Couzens-Lake,2014-08-15 The official autobiography of the famous ex Canary and Welsh international Jeremy Goss *A Tyrannous Eye* Pearl Amelia McHaney,2014-07-17 A Tyrannous Eye Eudora Welty s Nonfiction and Photographs is the first book length study of Eudora Welty s full range of achievements in nonfiction and photography A preeminent Welty scholar Pearl Amelia McHaney offers clear eyed and complex assessments of Welty s journalism book reviews letters essays autobiography and photographs Each chapter focuses on one genre filling in gaps left by previous books With keen skills of observation finely tuned senses intellect wit awareness of audience and modesty Welty applied her genius in all that she did holding a tough line on truth breaking through the veil of indifference to each other s presence each other s wonder each other s plight McHaney s study brings critical attention to the under evaluated genres of Welty s work and discusses the purposeful use of arguments examples and styles demonstrating that Welty pursued her craft to a high standard across genres with a greater awareness of context than she admitted in her numerous interviews Welty consistently dared new styles new audiences and new publishing venues in order to express her ideas to their fullest It is serious daring as she wrote in *One Writer s Beginnings* that makes for great writing In *Place in Fiction* Welty asks How can you go out on a limb if you do not know your own tree No art ever came out of not risking your neck And risk experiment is a considerable part of the joy of doing **Engineer Memoirs** Paul mm Walker,2008-10 This manuscript is the product of a tape recorded interview conducted by Dr Paul Walker of the Historical Div Office of the Chief of Engineers U S Army Corps of Engineers with Lt Gen Walter K Wilson Jr USA Ret in Mobile Alabama in Jan 1978 Lt Gen Wilson had a distinguished career in the Corps of Engineers which culminated with his selection as Chief of Engineers in 1961 Photos **Professional Journal of the United States Army** ,1981 *Military Review* ,2015 *Memoirs of a Dromomaniac* V Traven,2011-04-30 MEMOIRS OF A DROMOMANIAC A Randy Romp from one Side of the Earth to the Other

Memoirs of Myths and Truths Carl B. Allen,2008-07-02 *Memoirs of Myths and Truths in an Ordinary Pebble s Extraordinary Life* We find the author considers himself an ordinary pebble among others of his time who has gone on a desperate search for love and approval But even an ordinary pebbles like him can have an extraordinary life because he is not ordinary from the start finding at an early age confusion and embarrassment regarding whether an accident or his mind makes him that way It s not until into his young adult stream does he discover another reason for his rebel behavior in school and life Which as a reader you ll recognized some problems in the text of the book cover and in the book s written words or

spelling or sentence structure being a struggle You'll see it's not his schooling it's his battle with being dyslexic Yet there is some great writing and inspiration plus the help of a few photos to bring you into his or your memories and times when some myths emerged from stories and some being real truths Pebbles we all are truths are maybe what we think they should be and myths are longer lasting than we may know The author finds himself slowly aware of being in his September years having a sense of belonging to the past and present but a much shorter future With that comes a sense of family and the closeness of friends which has brought him to this place of wonderment that has continued from those wonderful years of youth They have brought him to these joyous thoughts while writing these memoirs and making reflecting on his extraordinary life Starting at first writing this for all his kin and others within that stream surround him but then realize other pebbles of this time can bring back some reflection on these times with a little smile some sadness and reflection too He may have wandered through those youthful years winding through life's paths and finding some running on empty or full or too fast or too slow at the time like the automobiles of the day His nurturing as a child not always satisfying resulted in the building many protective walls around his self Yet like James Dean in *East of Eden* or *Rebel Without a Cause* or *Giant* there was this desperate search for love and approval not always available for many reasons and questionable behavior leading to myths or truths Seeking his own needs while being an ordinary pebble has resulted in finding an extraordinary life There is an expression of views from his heart and mind trying to embrace so much of that extraordinary life that lies hidden deeper within his self and yet always trying to hold and consider that these are parts of his life whether shining with beauty or happiness or sadness finding only to be viewed as an expression of soul He has tried painting but now the written word in expressing some of those myths spoken truths found within the soul and trusted memories They carry simple but complex myths in the life of an ordinary pebble always amazed by the course of the streams found These memoirs are a reflection of our times history love for the automobile then adding the racing with many encounters with lovers and places that have been traveled that brings this extraordinary life into view The book is about people encountered in his life's stream the persons who have enriched this life and helped him to find out who he is Also that going through this journey gathering memories myths or truths these moments sustained his notion of an ordinary pebble's extraordinary life These events have allowed reflection on moral issues and things that are questionable judgment He hopes that you enjoy this time traveling in this stream Pebbles we are yet we are still the most important part in those stream surrounding us finding most everyone else's lives continue similarly within those same small stream we live in rubbing shoulders and sharing our life's stream with others matter more than we know because as others enrich our lives we can do

[Air University Review](#) ,1983-05 **The Madness of Art** Robert Phillips,2003-03-01 Robert Phillips's conversational yet penetrating approach yields self assessments that read like new essays by the writers themselves Conducted over the course of twenty years many of these pieces were first published in the *Paris Review* Taken from a passage Henry James the title speaks to the madness that drives our greatest

works of creativity Phillips's interviews bring out this madness in its most important sense the writers are seers and visionaries whose works inspire us beyond the limits of reason The conversations recorded in *The Madness of Art* attain that same level of inspiration and power Phillips questions his interviewees about their work methods daily lives influences sources of inspiration relationship to other literary figures response to critics choice of genre audience and reasons for writing

The Regulars Edward M. Coffman, 2009-07-01 In 1898 the American Regular Army was a small frontier constabulary engaged in skirmishes with Indians and protesting workers 43 years later it was a large modern army ready to wage war against the Germans and the Japanese In this social history of America's standing army a military historian tells how that transformation was accomplished

Quarterly Review of Military Literature, 1981

The Enemy Among Us David Fiedler, 2003 For residents of the mostly small towns where these camps were located the arrival of enemy POWs engendered a range of emotions first fear and apprehension then curiosity and finally in many cases a feeling of fondness for the men they had come to know and like

Looking for the Maneki-Neko Love Hotel Christine Kriha Kastner, 2014-08-06 Japan has long been known as the Land of the Rising Sun but it is now better known as the Land of Cat Cafes Green Tea Matcha Lattes Love Hotels and Orion Beer Together Don and Christine Kastner traveled to Japan to attend the 5th Uchinanchu Festival on the small Pacific island of Okinawa where Chris once lived as a teenager in the 1960s with her U S Army father and family The sound of choppers hovering overhead takes me back to my childhood I grew up hearing them in the background or coming in for a landing It was a comforting background sound along with the roar of jets streaking through the skies I was a military brat

The United States 15th Infantry Regiment in China, 1912-1938 Alfred Emile Cornebise, 2004-11-03 Taking up its position astride the Peking Mukden Beijing Shenyang railway beginning in January 1912 the United States Fifteenth Infantry Regiment was engaged in protecting American interests in China The 1000 man force was especially challenged during the 1920s those tumultuous years when warlords struggled to gain ascendancy in the Chinese Republic Although Chiang Kai shek established a measure of control in China by 1928 the regiment remained in China partially to counter Japan's increasingly aggressive actions despite considerable misgivings within and outside of the United States Army as to the feasibility desirability and ethical appropriateness of the policy retaining it there The success of the Japanese in conquering much of eastern China finally compelled Washington to withdraw the regiment on March 2 1938 This work recounts and assesses some aspects of the involvement and service of the Fifteenth Infantry Regiment during its fateful quarter of a century in the Orient between the World Wars Also detailed is the Army's service in those years in general Many insights are provided regarding the self-perceptions of a key generation of U S military personnel deployed there
