Army Of Northern Virginia Memorial Volume

Robert Alonzo Brock

Army Of Northern Virginia Memorial Volume:

Army of Northern Virginia Memorial Volume J. William Jones, 2015-06-25 Excerpt from Army of Northern Virginia Memorial Volume If any apology were needed for this volume it could be found in the frequently expressed desire of comrades in different sections of the country to possess in permanent form the matter herein contained and in the unanimous and hearty vote by which at its annual reunion in October 1878 the Virginia Division Army of Northern Virginia Association requested me to prepare it The addresses will be found very important contributions to the material for a future history of the Army of Northern Virginia and it is hoped that the Roster and Statement of Relative Numbers will be found of interest and value The volume has been delayed by circumstances over which I had no control but I feel sure that subscribers will consider the delay amply atoned for in its enabling me to add to the matter originally promised General Fitz Lee's address on Chancellorsville The book is sent forth in the full confidence that it will prove an acceptable offering to those who prize the honor of belonging to the Army of Northern Virginia to our brothers of the other armies of the Confederacy to friends of our cause everywhere and even to brave men who fought against us but are willing to admit that they had foemen worthy of their steel About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Army of Northern Virginia Memorial Volume John William Jones, 2023-07-18 This carefully crafted memorial volume documents the heroic efforts of the Army of Northern Virginia during the American Civil War In vivid prose and with stunning imagery the volume pays tribute to the brave soldiers who fought and died in defense of their cause A must read for anyone interested in this critical period of American history This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Army of Northern Virginia Memorial Volume John William Jones, 1879 Army of Northern Virginia Memorial Volume J. William Jones, 2012-05-03 Originally published in 1880 at the request of the Virginia Division of the Army of Northern Virginia Association This is a compilation of address given at Confederate veteran reunions and information pertaining to the Army of Northern Virginia Army of northern Virginia memorial volume. Compiled by Rev. J. William

Jones ... at the request of the Virginia Division of the Army of Northern Virginia Association J. William Jones,1880

Southern Historical Society Papers Southern Historical Society,1879 The Monthly Notes of the Library Association of the United Kingdom ,1880 **The Journal of the Anthropological Institute of Great Britain and Ireland** ,1880 Includes articles on issues of worldwide anthropological interest *Dictionary Catalogue ...* Illinois State Library,1894
Catalogue of the Illinois state library. W.H. Hinrichsen, librarian Springfield Ill, Illinois state libr,1894 **Alphabetical Catalogue of the War Department Library (including Law Library.)** David Fitzgerald,1882 Alphabetical Catalogue of the War Department Library (including Law Library) United States. War Department. Library,1882 **The Era of the Civil War--1820-1876** Louise A. Arnold-Friend,US Army Military History Institute,1982 **Southern Historical Society Papers** Rev. J. Wiliam Jones,1880 **Report** State Library of Massachusetts,1869 **The Third Day at Gettysburg and Beyond** Gary W. Gallagher,2000-11-09 The six essays in this volume testify to the enduring impact of the Civil War on our national consciousness Covering subjects as diverse as tactics the uses of autobiography and the power of myth making in the southern tradition they illustrate the rewards of imaginative scholarship even for the most intensely studied battle in America s history The Third Day at Gettysburg and Beyond brings current research and interpretation to bear on a range of pivotal issues surrounding the final day of the battle July 3 1863 This revisionist approach begins by expanding our knowledge of the engagement itself individual essays address Confederate general James Longstreet s role in Pickett s Charge and Union general George Meade s failure to pursue Lee after the fighting Other essays widen the scope of investigation to look at contemporary reactions to the Confederate defeat across the South the construction of narratives by the participants themselves from Confederate survivors of Pickett s assault to Union sergeant Ben Hirst and the reverberations of Pickett s final momentous charge Combining fresh evidence with the reinterpretation of standard sources these essays refocus our view of the third day at Gettysburg to take in its diverse stories of combat and memory The contributors are Gary W Gallagher William Garrett Piston Carol Reardon Robert K Krick Robert L Bee and A Wilson Greene
Confederate Tide Rising Joseph L. Harsh,1998 This analysis of the military policy and strategy adopted by Robert E Lee and Jefferson Davis in the first two years of the Civil War argues that their policies allowed the Confederacy to survive longer than it otherwise could have and were the policies best designed to win Southern independence **Report of the Librarian and Annual Supplement to the General Catalogue** State Library of Massachusetts,1881 **Report of the Librarian of the State Library** State Library of Massachusetts,1881
