**Willis Boyd Allen**

## **Around The Yule Log:**

**Around the Yule Log** Richard Markham, 1879      *Around the Yule Log* Willis Boyd Allen, 2022-09-04 In *Around the Yule Log* Willis Boyd Allen offers readers a tender reflection on festivity and camaraderie. Set in a warm fireside atmosphere, this compilation of stories brings to life the spirit of Christmas through a series of heartwarming tales. The book's eloquent prose maintains a balance between nostalgic sentiment and moral insight, bearing the hallmarks of turn-of-the-century American literature. Its setting is snug and domestic, providing a stark contrast to the rapid industrialization of the era and thus acts as a literary haven for readers seeking solace in tradition and values. As a writer, Allen has masterfully captured the essence of Yuletide joy and kinship in his anthology, positioning the work within the sanctity of historical and cultural celebration. Willis Boyd Allen, an author deeply rooted in the values and sensibilities of his time, wove narratives that cherished and preserved the simplicity of bygone days. His inspiration likely stems from personal experiences and a yearning to encapsulate the intangible warmth of family gatherings and holiday mirth. Allen's commitment to engaging with his heritage is reflected in the meticulous reproduction of his work by DigiCat Publishing, ensuring that his literary voice continues to echo through the annals of classic literature. Recommended for those who appreciate the warmth of traditional storytelling, *Around the Yule Log* is a journey back to the quintessential American Christmas. This book is an invitation to rediscover the wonder of the holiday season through the eyes of a classic author. It is a perfect addition to the collection of any reader who cherishes the timeless aspects of Christmas and those who seek to reintegrate the values of community and shared happiness into a holiday that has become increasingly commercial. *Around the Yule Log* endures as a reflective pause, offering respite and a reminder of the enduring human connections that define the festive period.

'Round the yule-log: Christmas in Norway Peter Christen Asbjørnsen, 2023-10-04 In *Round the Yule Log: Christmas in Norway*, Peter Christen Asbjørnsen captures the enchanting essence of Norwegian Christmas traditions through vivid storytelling and engaging folk narratives. The book blends folklore with a rich tapestry of cultural practices surrounding the Christmas season, showcasing elements like feasts, music, and gatherings. Asbjørnsen's literary style is marked by an evocative language that brings to life the cold, wintry landscape of Norway, enhancing the warmth of the familial and communal spirit that the Yule log symbolizes. This work also serves as an important artifact of 19th-century Norwegian culture, reflecting a period when folklore scholarship began gaining momentum in Scandinavia, positioned against the backdrop of a burgeoning national identity. Peter Christen Asbjørnsen was a renowned Norwegian folklorist and writer whose passion for preserving and popularizing Norway's rich oral traditions inspired much of his work. Born in 1812, Asbjørnsen was deeply influenced by the rural life and folklore of his homeland. His dedication to documenting folk tales and traditions provided a crucial link between the past and present, allowing readers to appreciate the cultural heritage and shared values that shaped Norway's identity during his time. This delightful collection is highly recommended for readers interested in folklore, cultural studies, and the festive spirit of

Christmas Asbjørnsen's lyrical prose and keen observations invite readers to immerse themselves in the charm and warmth of Norwegian customs making *Round the Yule Log* a perfect companion for anyone seeking to understand the heart of a Scandinavian holiday     *Around the Yule Log* Willis Boyd Allen,1898     *Recollections of Revolutionary Times, Or, Round about the Yule Log* Nathan Boughton Warren,1896     ***In the Yule-log Glow*** Harrison Smith Morris,1891     ***Spirit of the Witch*** Raven Grimassi,2003 From the author of the *Encyclopedia of Wicca and Witchcraft* comes a study of religion and contemporary spirituality in witchcraft     *Christmas around the World: Nonfiction Articles* ,1995-09-01 Take a multicultural approach to the holidays by introducing the history and traditions of Christmas around the world Included are 10 informational texts including an overview of Christmas and nine area specific texts Children will discover similarities and differences between the celebrations and learn that holiday customs have origins in many different cultures and ethnic groups     ***In the Morning*** Willis Boyd Allen,2022-08-21 In *In the Morning* Willis Boyd Allen presents a poignant exploration of everyday American life during the early 20th century skillfully weaving together the personal and the political Allen's narrative style is both vividly descriptive and accessible inviting readers into the lives of his characters through rich imagery and heartfelt dialogue Set against the backdrop of a rapidly changing society the novel delves into themes of ambition familial relationships and the pursuit of the American Dream reflecting the influences of naturalism and regionalism that shaped the literary context of its time Willis Boyd Allen a writer deeply rooted in the experiences of Midwestern America draws upon his own background as a journalist and literary critic to infuse authenticity and depth into his storytelling His observations on social issues and human emotions shaped by the tumultuous events of his era resonate throughout the narrative Allen's commitment to capturing the complexities of human experience is evident in his nuanced characters whose struggles and aspirations offer a mirror of society itself Readers seeking a rich insightful reflection on American life will find *In the Morning* a compelling addition to their literary collection Allen's masterful storytelling not only entertains but also provokes thoughtful consideration of the societal changes that continue to shape our lives This book is an essential read for anyone seeking a deeper understanding of both the past and its enduring impact on the present     *Classics for Christmas* Various Authors,Louisa May Alcott,O. May,2024-12-01 A powerful new book that corrects a false

myth in African American history that Kirkus Reviews calls a thoughtful antidote to white Southern propaganda According to an oft repeated legend during Christmas before the Civil War all enslaved people in the American South enjoyed lengthy vacations of a week or more depending on how long an oversized Yule log burned in their master s fireplace As long as the log held out slaves escaped heavy labor and their masters whips and enjoyed a rare freedom of movement to go and do what they wished as well as gorge themselves on food and drink they never got the rest of the year No wonder they soaked those logs in swamps to make them burn even longer But is it true In this book historian Robert May takes readers on a detective caper as he investigates a story that reaches back to colonial America and continues today May finds no evidence of the Yule log tradition in the historical record instead showing that it originated with pro Confederate Lost Cause propagandists attempting to present the South s prewar system of human bondage in as soft tones as possible Tales about good natured masters and unresentful slaves jovially sharing Christmases played to this impulse beautifully Debunking the Yule Log Myth does more than correct the historical record It serves as a highly instructive case study in the process of historical mythmaking This captivating tale will appeal to all readers interested in African American history and the long struggle to support white supremacy by creating a mythical antebellum American South **The Christmas Encyclopedia, 4th ed.**

William D. Crump,2022-12-30 From the manger of Jesus Christ to the 21st century this encyclopedia explores more than 2 000 years of Christmas past and present through 966 entries packed with a wide variety of historical and pop culture subjects Entries detail customs and traditions from around the world as well as classic Christmas movies TV series specials and animated cartoons Arranged alphabetically by entry name the book includes the historical background of popular sacred and secular songs as well as accounts of beloved literary works with Christmas themes from such noted authors as Charles Dickens Louisa May Alcott Hans Christian Andersen Pearl Buck Henry Van Dyke and others All things Christmas are available here in one comprehensive volume *Werner's Readings and Recitations* ,1898 **Dancing the Sacred Wheel**

Frances Billingham,2019-03-25 There are eight seasonal festivals referred to as sabbats that make up the Wheel of the Year Dancing the Sacred Wheel draws on the author s own personal experience of following a traditional Pagan spiritual path and creating ritual over 20 years in southern Australia Combining traditional Pagan lore with history in order to develop a relationship with her local environment the author also offers invaluable pointers as to how to incorporate the localised elements into something that also provides a traditional feel Dancing the Sacred Wheel not only provides an in depth look the folklore and myth associated with each sabbat but also discusses ways of creating specific rituals and observances that acknowledge each seasonal gateway when the local environment is reflecting something completely different Dancing the Sacred Wheel challenges the reader regardless of which hemisphere they reside to draw inspiration from their environment and to create their own unique Wheel of the Year **Believe in Love & Joy: The Collection of the Greatest Christmas**
