Around Worthington Images Of America:

A Historical Guidebook to Old Columbus Bob Hunter, 2012-10-19 Ever look at a modern skyscraper or a vacant lot and wonder what was there before Or maybe you have passed an old house and been curious about who lived there long ago This richly illustrated new book celebrates Columbus Ohio s two hundred year history and supplies intriguing stories about the city s buildings and celebrated citizens stopping at individual addresses street corners parks and riverbanks where history was made As Columbus celebrates its bicentennial in 2012 a guide to local history is very relevant Like Columbus itself the city s history is underrated Some events are of national importance no one would deny that Abraham Lincoln s funeral procession down High Street was a historical highlight But the authors have also included a wealth of social and entertainment history from Columbus s colorful history as state capital and destination for musicians artists and sports teams The book is divided into seventeen chapters each representing a section of the city including Statehouse Square German Village and Franklinton the city s original settlement in 1797 Each chapter opens with an entertaining story that precedes the site listings Sites are clearly numbered on maps in each section to make it easy for readers to visit the places that pique their interest Many rare and historic photos are reproduced along with stunning contemporary images that offer insight into the ways Columbus has changed over the years A Historical Guidebook to Old Columbus invites Columbus s families to rediscover their city with a treasure trove of stories from its past and suggests to visitors and new residents many interesting places that they might not otherwise find This new book is certain to amuse and inform for years to come *The*

Multicultural and Ethnic Children's Literature in the United States Donna L. Gilton, 2020-02-18 This edition of *Multicultural and Ethnic Children's Literature in the United States* addresses both quantitative and more qualitative changes in this field over the last decade Quantitative changes include more authors books and publishers book review sources booklists and awards organizations institutions and websites and criticism and other scholarship Qualitative changes include More support for new and emerging writers and illustrators Promotion of multicultural literature both in the U S and around the world as well as developments in global literature Developments in the literatures described throughout this book as well as in research supporting this literature The impact of technology Characteristics and activities of four adult audiences that use and promote multicultural children s literature and Changes in leaders and their organizations This is still a single reference source for busy and involved librarians teachers parents scholars publishers distributors and community leaders Most books on multicultural children s literature are written especially for teachers librarians and scholars They may be introductions to the literature selection tools teaching guides or very theoretical books on choosing evaluating and using these materials *Multicultural and Ethnic Children's Literature in the United States* focuses much more on the history of the

development of this literature from the nineteenth century to the present day This book provides much more of a cultural and political context for the early development of this literature It emphasizes the self determining viewpoints and activities of diverse people as they produce materials for the young Multicultural and Ethnic Children s Literature describes organizations events activities and other contributions of diverse writers illustrators publishers researchers scholars librarians educators and parents It also describes trends in the research on the literature It elaborates more on ways in which diversity is still an issue in publishing companies and an extended list of related industries It describes related literature from outside of the U S and makes connections to traditional global literature Last Multicultural and Ethnic Children s Literature shows the impact of multiculturalism on education libraries and the mainstream culture in general While the other books on multiculturalism focus on how to find evaluate and use multicultural materials especially in schools and libraries this book is concerned over whether and how books are produced in the first place and how this material impact the broader society In many ways it supplements other books on multicultural children s literature
