Around The World Submerged The Voyage Of:

Around the World Submerged Edward L. Beach, 2012-10-11 When the nuclear powered submarine USS Triton was commissioned in November 1959 its commanding officer Captain Edward L Beach planned a routine shakedown cruise in the North Atlantic Two weeks before the scheduled cruise however Beach was summoned to Washington and told of the immediate necessity to prove the reliability of the Rickover conceived submarine His new secret orders were to take the Triton around the world entirely submerged the total distance This is Beach s gripping firsthand account of what went on during the 36 000 nautical mile voyage whose record for speed and endurance still stands today It brings to life the many tense events in the historic journey the malfunction of the essential fathometer that indicated the location of undersea mountains and shallow waters the sudden agonizing illness of a senior petty officer and the serious problems with the ship s main hydraulic oil system Intensely dramatic Beach s chronicle also describes the psychological stresses of the journey and some touching moments shared by the crew A skillful story teller he recounts the experience in such detail that readers feel they have been along for the ride of a lifetime *Around the World Submerged* Edward Latimer Beach (jr.), 1963

Professional Journal of the United States Army , 1963 Around the world submerged Edward Latimer Beach, 1962 Personal narrative by the skipper of the nuclear submarine Triton which circumnavigated the earth submerged in the spring of 1960 Round About the Earth Joyce E. Chaplin, 2013-11-19 Originally published in hardcover in 2012 *Black Submariners in the United States Navy, 1940-1975* Glenn A. Knoblock, 2015-05-20 For as long as an American naval force has existed black sailors have served it with bravery distinction and little or no recognition They have since earned praise for service in the American Revolution the War of 1812 and the Civil War and more recently they were integral to the development of the U S Submarine Service Their roles limited by segregation black submariners nonetheless were a key element of the Silent Service throughout World War II With desegregation came expanded opportunities and black submariners witnessed the birth and evolution of the nuclear powered submarine and some of the tensest moments of the Cold War These men paved the way for those who followed their contributions deserve recognition and their stories deserve to be told This exploration of the role of African American submariners chronicles their service from World War II through the Cold War era An historical overview of black sailors and the evolution of the Steward s Branch to which black sailors were eventually restricted precede descriptions of becoming a steward and a submariner and of life as a submariner during World War II An account of black submariners in post war service during desegregation the development of the nuclear submarine and throughout the Cold War follows Oral histories of more than fifty black submariners who served in World War II and post war form the heart of the book Photographs of the men profiled including wartime photographs complement the text Appendices outline the naval steward rating system list all black submarine stewards serving in World War II top stewards by number of war patrols and those lost or killed during wartime service Rear Admiral Melvin G Williams Jr

submarine fleet commander and son of one of the men profiled provides a foreword Rickover: The Struggle for Excellence Francis Duncan, 2021-06-17 Admiral Hyman G Rickover 1900 1986 the Father of the Nuclear Navy was born Chaim Godalia Rickover in eastern Poland to Jewish parents Fleeing Russian antisemitic pogroms in 1906 with his mother and sister he joined his father who had traveled to America since 1897 in New York City The family soon moved to Chicago where Rickover's father worked as a tailor Congressman Adolph Sabath a Czech Jewish immigrant nominated Rickover for appointment to the US Naval Academy Rickover passed the entrance exams and entered the Academy in 1918 After sea duty on several ships and submarines he served as head of the Electrical Section in the Bureau of Ships and in 1946 was sent to Oak Ridge to start working on nuclear naval propulsion reactors a program he would lead for the rest of his career He became a four star admiral in 1973 Rickover's work on nuclear propulsion had a profound effect on the post World War II world and on the development of civilian nuclear reactors for electricity generation His demand for excellence and accountability was felt far beyond the naval community yet few other flag officers in the US Navy have been so controversial Drawing on the admiral's private papers and the personal insights of friends and family members this biography examines Rickover's extraordinary naval career and his private life Francis Duncan in his long awaited full biography of Hyman Rickover achieves that difficult dual goal of close personal insight and honesty of distance Duncan details Rickover's many controversies his towering rages and his contempt for tradition bureaucracy and stupidity a very readable cruise through the life of a notorious curmudgeon who after all served his country well and had a major impact on the ships of the U S Navy on the engineering profession and on the development of nuclear power in the United States Rodney Carlisle The Journal of American History This fine treatment of a remarkable man is highly recommended Malcolm Muir Jr Technology and Culture Francis Duncan is uniquely qualified to write the biography of Admiral Hyman G Rickover He is the only person to whom Admiral Rickover ever made himself available for interviews and allowed use of his personal papers including the letters between himself and his first wife Ruth This is an enjoyable book especially for the thousands who served or serve now in the nuclear programs civilian or military It is also an important addition to the history of a man who was one of the giants of the twentieth century United States Robert Loewenthal The Journal of Military History Victorious in his struggle for excellence Rickover's personal baton of highly disciplined professionalism was passed without a hitch to those he had selected educated and trained to run nuclear power plants safely and efficiently We still feel his presence his legacy endures This book does him long awaited justice Admiral James D Watkins USN Ret Chief of Naval Operations 1982 86 Impressively researched insightful and readable Duncan captures the Rickover behind the myths and sea stories This account of his remarkable life and only in America story will appeal to a wide audience midshipman to CEO Admiral Bruce DeMars USN Ret Director Navy Nuclear Propulsion 1988 96 This excellent book offers insights not available to previous authors who did not enjoy Francis Duncan's close association with Rickover and his family Particularly useful are early chapters that define the character of the

man Admiral Kinnard R McKee USN Ret Director Navy Nuclear Propulsion 1982 88 This is the authentic biography of Hyman Rickover one of the most influential persons in naval history and in the creation of an international civilian nuclear power industry Duncan has given us a national treasure that is both authoritative and enjoyably readable There s something in it for everyone Dr Theodore Rockwell former technical director of Rickover s naval reactors program Rickover The Struggle for Excellence is an original and absolutely fundamental contribution both to naval history and to a general understanding of nuclear power development It is very objective and accessible There is no comparable book Dr Gary Weir Naval Historical Center I believe Rickover The Struggle for Excellence by Francis Duncan is the best biography of Admiral Rickover Robert Rickover son of Admiral Rickover *All Hands* ,1967 *Confronting Poseidon* Clive Tully,2002 *Military Review* ,1963

Deconstructing Dr. Strangelove Sean M. Maloney,2020-07-01 King of the Cold War crisis film Dr Strangelove became a cultural touchstone from the moment of its release in 1964 The duck and cover generation saw it as a satire on nuclear issues and Cold War thinking Subsequent generations removed from the film s historical moment came to view it as a quasi documentary about an unfathomable secret world Sean M Maloney uses Dr Strangelove and other genre classics like Fail Safe and The Bedford Incident to investigate a curious pop cultural contradiction Nuclear crisis films repeatedly portrayed the failures of the Cold War s deterrent system Yet the system worked What does this inconsistency tell us about the genre What does it tell us about the deterrent system for that matter Blending film analysis with Cold War history Maloney looks at how the celluloid crises stack up against reality or at least as much of reality as we can reconstruct from these films with confidence The result is a daring intellectual foray that casts new light on Dr Strangelove one of the Cold War era s defining films *Quarterly Review of Military Literature* ,1963 *Naval Training Bulletin* ,1958 *Underwater Worlds Will* Abberley,2019-01-15 Underwater Worlds throws open a new area in the emerging field of blue environmental humanities by exploring how subaqueous environments have been imagined and represented across cultures and media The collection pursues this theme through various disciplinary perspectives and methodologies including history literary and film criticism myth studies legal studies and the history of art The essays suggest that since the nineteenth century technologies of underwater exploration have generated novel sensory experiences that have destabilized conventional modes of representation and influenced new aesthetic forms from fiction and television to virtual reality The collection also examines how representations of underwater environments have reflected and critiqued humans relationships with marine ecology and life forms It reflects on the deeper cultural and symbolic resonances of mythical figures such as mermaids sea monsters and the ghosts of drowned seafarers The contributions further reveal myriad political ideological gendered and racial dimensions of representing underwater environments *Congressional Record* United States.
