Arresting Abortion Practical Ways To Save Unborn Children The Rutherford Institute Report:

Pro-Life Pulpit Stephen Tu, 2011-05-23 Over one million unborn children are intentionally aborted every year in North America Voiceless and helpless their blood cries out Will those of us who serve as pastors and preachers respond from our pulpits Silence is not an option We cannot keep quiet while thousands of our neighbors made in the image of God are being led to the slaughter every day But neither should we condemn and vilify those who are complicit in their deaths A truly pro life pulpit ministry opposes the injustice of abortion with truth courage and understanding Tears mingled with hope overflowing with grace After all the Christian faith is rooted in the good news of a Messiah who was once an embryo Nine months before he was born Jesus was conceived by the Holy Spirit and for the next forty weeks he lived and grew in the womb of an unwed teenaged mother He is at the heart of our preaching and this book will show you how to confront the sin of abortion by proclaiming the God who became abortable in order to save sinners *The Anti-abortion Movement* Dallas A. Blanchard, 1996 Blanchard then offers insightful annotations on a wide variety of essential resources including writings on major movement organizations anti abortion support and service organizations political activities and events movement tactics membership recruitment and training the movement and the media and the religious basis of the movement

Suing for America's Soul R. Jonathan Moore, 2007-06-25 When John W Whitehead founded The Rutherford Institute as a Christian legal advocacy group in 1982 he was interested primarily in the First Amendment's religion clause serving clients only when religious freedom was at stake By the mid 1990s however religious rights were but one subset of all the freedoms that he saw threatened by an invasive government In *Suing for America's Soul* R Jonathan Moore examines the foundation and subsequent practices of The Rutherford Institute helping to explain the rise of conservative Christian legal advocacy groups in recent decades Moore exposes the effects good and bad that such legal activism has had on the evangelical Protestant community Thought provoking and astute *Suing for America's Soul* opens a revealing window onto evangelical Protestantism at large in late twentieth century America *Chronicles of Culture* ,1986-03 **Chronicles** ,1996
