Arkansas Mischief:

Arkansas Mischief Jim McDougal, Curtis Wilkie, 2015-07-21 Until his recent death in federal prison Jim McDougal was the irrepressible ghost of the Clintons Arkansas past As Bill Clinton s political and business mentor McDougal with his knowledge of embarrassing real estate and banking deals bribes and obstructions of justice has long haunted the White House Jim McDougal s vivid self portrait completed only days before his death and coauthored by veteran journalist Curtis Wilkie takes on the rich particularity of character and plot to reveal the hidden intersections of politics and special interests in Arkansas and the betrayals that followed It is the story of how ambitious men and women climbed out of rural obscurity and how friendships break down and lives are ruined

Warmonger Jeremy Kuzmarov, 2023-12-01 During the 2016 presidential election many younger voters repudiated Hillary Clinton because of her husband s support for mass incarceration banking deregulation and free trade agreements that led many U S jobs to be shipped overseas Warmonger How Clinton s Malign Foreign Policy Launched the Trajectory from Bush II to Biden shows that Clinton s foreign policy was just as bad as his domestic policy Cultivating an image as a former anti Vietnam War activist to win over the aging hippie set in his early years as president Clinton bombed six countries and by the end of his first term had committed U S troops to 25 separate military operations compared to 17 in Ronald Reagan s two terms Clinton further expanded America s covert empire of overseas surveillance outposts and spying and increased the budget for intelligence spending and the National Endowment for Democracy NED a CIA offshoot which promoted regime change in foreign nations The latter was not surprising because according to CIA operative Cord Meyer Jr Clinton had been recruited into the CIA while a Rhodes Scholar at Oxford and as Governor of Arkansas in the 1980s he had allowed clandestine arms and drug flights to Nicaraguan counter revolutionaries Contras backed by the CIA to be taken from Mena Airport in the western part of the state Rather than being a time of tranquility when the U S failed to pay attention to the gathering storm of terrorism as New York Times columnist David Brooks frames it the Clinton presidency saw rising tensions among the U S China and Russia because of Clinton s malign foreign policies and U S complicity in terrorist acts In so many ways Clinton s presidency set the groundwork for the disasters that were to follow under Bush II Obama Trump and Biden It was Clinton building off of Reagan who first waged a War on Terror ridden with double standards one that adopted terror tactics including extraordinary rendition bombing and the use of drones It was Clinton who cried wolf about human rights abuses and the need to protect beleaguered peoples from genocide to justify military intervention in a post Cold War age And it was Clinton s administration that pressed for regime change in Iraq and raised public alarm about the mythic WMDs all while relying on fancy new military technologies and private military contractors to distance US shady military interventions from the public to limit dissent

One Scandalous Story Marvin Kalb, 2010-05-11 In 1963 Marvin Kalb observed the Secret Service escorting an attractive woman into a hotel for what was most likely a rendezvous with President Kennedy Kalb then a news correspondent for CBS didn t consider the

incident newsworthy Thirty five years later Kalb watched in dismay as the press dove headfirst into the scandal of President Clinton s affair with White House intern Monica Lewinsky disclosing every prurient detail How and why had the journalistic landscape shifted so dramatically One Scandalous Story seeks to answer this critical question through the inside story of thirteen days January 13 25 1998 that make up a vital chapter in the history of American journalism In riveting detail Kalb examines just how the media covered the Lewinsky scandal offering what he calls an X ray of the Washington press corps Drawing on hundreds of original interviews Kalb allows us to eavesdrop on the incestuous deals between reporters and sources the bitter disagreements among editors the machination of moguls for whom news is Big Business and above all the frantic maneuvering to break the story With fresh insight he retraces decisions made by Michael Isikoff of Newsweek Internet renegade Matt Drudge Jackie Judd of ABC Clinton basher Lucianne Goldberg Susan Schmidt of The Washington Post Jackie Bennett of the Office of the Independent Counsel and other key players in this scandal that veered from low comedy to high drama Through the lens of those thirteen turbulent days Kalb offers us a portrait of the new news in all its contradictions He reveals how intense economic pressures in the news business the ascendancy of the Internet the blurring of roles between reporters and commentators and a surge of dubious sourcing and copy cat journalism have combined to make tabloid style journalism increasingly mainstream But are we condemned to a resurgence of yellow journalism Painstakingly documented and sobering in its conclusions One Scandalous Story issues a clarion call to newsmakers and the American public alike Journalism can change for the better and must *Coming Home to Mississippi* Charline R.

McCord,Judy H. Tucker,2013-03-05 In this collection essayists examine their lives their memories of Mississippi the reasons they left the state and what drew them back They talk about how life differs and wears on you in the far flung parts of our nation and the qualities that make Mississippi unique The writers from all corners of the state are as diverse as the regions from which they come They are of different races different life experiences different talents and different temperaments Yet in acceding to the magical lure of Mississippi they are in many ways alike Their roots are deep in the rich soil of this state and they come from strong families that valued education and promoted indomitable optimism Successes stem from a passion usually emerging early in life which burns within them But that passion is tempered disciplined encouraged and influenced by the people around them as well as the landscape and the history of their times These essays give us a glimpse of the people and places that nurtured the young lives of the essayists and offered the values that directed them as they sought their dreams elsewhere Often they found that opportunity was within their grasp in their home state and came back to realize their full potential They came back in some cases to retire to a familiar place of pleasant memories to family and to friends They all have a love and respect for Mississippi and continue back home to use their talents to help make the state an even better place to live **Inside** I. C. Smith,2009-08-24 From a twenty five year career that spanned four continents an

FBI special agent gives you the inside story of the Bureau s greatest takedowns and biggest screwups From China to the

South Pacific from East Berlin to Arkansas I C Smith is one of the FBI's most storied figures This intrepid G man has seen it all In this riveting book about the Bureau Smith brings a fresh insider's perspective on the FBI's most well known triumphs and failures of the past three decades Robert Hannsen Morris and Eva Childs Larry Wu Tai Chin Aldrich Ames Smith offers unique insights into how these monumental investigations were handled or often mishandled in alarming detail He also confronts head on the string of errors inside the FBI in management and in the field that directly led to the attacks of September 11th Filled with startling new information including more than seventy never before published findings Smith tracks his incredible rise from street agent in St Louis to special agent in charge of Arkansas where he took on the corrupt political system that produced President Bill Clinton

Assassins, Eccentrics, Politicians, and Other Persons of Interest Curtis Wilkie, 2014-09-02 Writing as a newspaper reporter for nearly forty years Curtis Wilkie covered eight presidential campaigns spent years in the Middle East and traveled to a number of conflicts abroad However his memory keeps turning home and many of his most treasured stories transpire in the Deep South He called his native Mississippi the gift that keeps on giving For Wilkie it represented a trove of rogues and racists colorful personalities and outlandish politicians who managed to thrive among people otherwise kind and generous Assassins Eccentrics Politicians and Other Persons of Interest collects news dispatches and feature stories from the author during a journalism career that began in 1963 and lasted until 2000 As a young reporter for the Clarksdale Press Register he wrote many articles that dealt with the civil rights movement which dominated the news in the Mississippi Delta during the 1960s Wilkie spent twenty six years as a national and foreign correspondent for the Boston Globe One of the original Boys on the Bus the title of a best selling book about journalists covering the 1972 presidential campaign he later wrote extensively about the winning races of two southern Presidents Jimmy Carter and Bill Clinton Wilkie is known for stories reported deeply rife with anecdotes physical descriptions and important background details He writes about the notorious such as the late Hunter S Thompson as well as more anonymous subjects whose stories in his hands have enduring interest The anthology collects pieces about several notable southerners Ross Barnett Byron De La Beckwith and Sam Bowers Billy Carter Edwin Edwards and David Duke Trent Lott and Charles Evers Wilkie brings a perceptive eye to people and events and his eloquent storytelling represents some of the best journalistic writing

The Death of American Virtue Ken Gormley, 2010-02-16 Ten years after one of the most polarizing political scandals in American history author Ken Gormley offers an insightful balanced and revealing analysis of the events leading up to the impeachment trial of President William Jefferson Clinton From Ken Starr's initial Whitewater investigation through the Paula Jones sexual harassment suit to the Monica Lewinsky affair and Brett Kavanaugh's role in the subsequent inquiry *The Death of American Virtue* is a gripping chronicle of an ever escalating political feeding frenzy In exclusive interviews Bill Clinton Ken Starr Monica Lewinsky Paula Jones Susan McDougal and many more key players offer candid reflections on that period Drawing on never before released records and documents including the Justice Department's

internal investigation into Starr new details concerning the death of Vince Foster and evidence from lawyers on both sides Gormley sheds new light on a dark and divisive chapter the aftereffects of which are still being felt in today s political climate

Big Government and Affirmative Action Jonathan Bean,2021-10-21 David Stockman Ronald Reagan s budget director proclaimed the Small Business Administration a billion dollar waste a rathole and set out to abolish the agency His scathing critique was but the latest attack on an agency better known as the Small Scandal Administration Loans to criminals government contracts for minority fronts the classification of American Motors as a small business Whitewater and other scandals the Small Business Administration has lurched from one embarrassment to another Despite the scandals and the policy failures the SBA thrives and small business remains a sacred cow in American politics Part of this sacredness comes from the agency s longstanding record of pioneering affirmative action Jonathan Bean reveals that even before the Civil Rights Act of 1964 the SBA promoted African American businesses encouraged the hiring of minorities and monitored the employment practices of loan recipients Under Nixon the agency expanded racial preferences During the Reagan administration politicians wrapped themselves in the mantle of minority enterprise even as they denounced quotas elsewhere Created by Congress in 1953 the SBA does not conform to traditional interpretations of interest group democracy Even though the public and Congress favors small enterprise there has never been a unified group of small business owners requesting the government s help Indeed the SBA often has failed to address the real problems of Mom and Pop shop owners fueling the ongoing debate about the agency s viability

Grifters, Frauds, and Crooks Richard Estep,2023-06-20 Power Money Sex The Corrupt Trifecta This captivating book uncovers the insidious web of deceit that infiltrates every facet of our nation s past and present Immerse yourself in the stories of 50 of the most audacious frauds cons and lies Discover the dark underbelly of American history as you delve into the gripping pages of *Grifters Frauds and Crooks* True Stories of American Corruption From the heights of Wall Street to the heart of Main Street from the hallowed halls of the Capitol to the battlefields of the military and from the glitz and glamour of entertainment to the sanctity of science no realm is immune to the clutches of corruption Through meticulous research this riveting account exposes both notorious figures and obscure swindles including Bernie Madoff s infamous Ponzi schemes Big Pharma scandals the Black Sox the dark secrets of the Catholic Church Operation ABSCAM the seedy underworld of the Mafia Harvey Weinstein Corruption in the White House the Enron deceit the shocking depths of NYPD corruption Jim and Tammy Faye Bakker the Lehman Brothers collapse the Watergate break in and cover up the Clinton Lewinsky affair J Edgar Hoover s abuse of power the Sackler family s opioid empire and many other dishonest and duplicitous people and organizations With more than 120 photos and graphics *Grifters Frauds and Crooks* is richly illustrated Its helpful bibliography and extensive index add to its usefulness In the pursuit of money influence and fame the line between right and wrong sometimes becomes blurred leaving a trail of shattered trust and broken dreams Take an illuminating journey into the cons scams and shady deals that have shaped our nation A Vast

Conspiracy Jeffrey Toobin, 2000-10-13 A Vast Conspiracy which topped bestseller lists around the country is the definitive account of the most extraordinary public saga of the times the Clinton sex scandals Toobin takes an entirely fresh look at the story that began around Paula Jones's kitchen table in Arkansas and ended on the Senate floor with only the second vote on presidential impeachment in American history

The American State Reports Abraham Clark Freeman, 1888 All the Presidents' Money Megan Gorman, 2024-09-24 A journey through the personal money stories of the US presidents and how they built wealth or didn't Was Harry Truman really our poorest president or simply a man up at 2 a.m. struggling with financial anxiety Did Calvin Coolidge get bad advice from his stockbroker to buy stocks in 1930 as the market continued to crash Is it true George Washington enhanced his net worth by marrying up We often think of the US presidents as being above the fray But the truth is the presidents are just like us worried about money trying to keep a budget and chasing the American financial dream While some presidents like Herbert Hoover and Gerald Ford became wildly successful with money others like Thomas Jefferson and Joe Biden struggled to sustain their lifestyle The ability to win the presidency is no guarantee of financial security although today it's a much easier path to monetize In All the Presidents Money tax attorney and wealth manager Megan Gorman takes us on a journey to understand the different personal money stories of the presidents Grit education and risk are just some of the different ways that the presidents over the last 250 years have made or lost money With lively storytelling and rigorous research All the Presidents Money reveals how some of the greatest leaders are the worst money managers and our least favorite presidents are good at making money

The Road to Camelot Thomas Oliphant, Curtis Wilkie, 2017-05-09 John F. Kennedy and his young warriors invented modern presidential politics They turned over accepted wisdom that his Catholicism was a barrier to winning an election and plotted a successful course to that constituency They hired Louis Harris a polling entrepreneur to become the first presidential pollster They twisted arms and they charmed They lined up party bosses young enthusiasts and fellow Catholics and turned the traditional party inside out The last minute invitation to Lyndon B. Johnson for vice president in 1956 surprised them only because they had failed to notice that he wanted it They invented The Missile Gap in the Cold War and out-glamoured Richard Nixon in the TV debates Now journalists Tom Oliphant and Curtis Wilkie provide the most comprehensive account based on a depth of personal reporting interviews and archives The authors have examined more than 1,600 oral histories at the John F. Kennedy library they've interviewed surviving sources including JFK's sister Jean Smith and they draw on their own interviews with insiders including Ted Sorensen and Arthur Schlesinger Jr From the start of the campaign in 1955 when his father tried to persuade President Johnson to run with JFK as his running mate The Road to Camelot reveals him as a tough shrewd political strategist who kept his eye on the prize

Bill Clinton Nigel Hamilton, 2011-06-08 Nigel Hamilton brings all the magisterial authority he brought to his Whitbread winning biography of Monty and all the talent for tracking down and verifying hidden controversial material that he showed in *JFK Reckless Youth* which topped the American bestseller charts for months in this

new biography of Bill Clinton Born into a white trash family in backwoods racially segregated Arkansas he suffered under an alcoholic violent stepfather on one occasion having to fight him physically in order to protect his mother As a youth he would become inspired by the civil rights movement particularly Martin Luther King and as a student became a long haired hippy musician involved in radical politics and also discovering free love Hamilton tells the story of how Clinton s sexual and political career developed hand in hand This is a book about sexual politics on many levels showing how Clinton s life was formed by changing attitudes Here is a man who far from being a sexual predator or exploiter of his position like JFK was swept to power because women adored him whether Democratic party helps the women of the American electorate or indeed Hilary Clinton whose powerfully manipulative personality is shown to have been vital to his success Clinton has been polygamous throughout his adult life and Hamilton s fascinating portrait of a marriage examines Hilary s relationship with his quite astonishing number of girlfriends The book also covers his time at Oxford as a Rhodes scholar his political apprenticeship and his rise to power culminating in his election as President in 92 Starr Benjamin Wittes,2002-01-01

How is Kenneth Starr s extraordinary term as independent counsel to be understood Was he a partisan warrior out to get the Clintons or a savior of the Republic An unstoppable menace an unethical lawyer or a sex obsessed Puritan striving to enforce a right wing social morality This book is the first serious impartial effort to evaluate and critique Starr s tenure as independent counsel Relying on lengthy revealing interviews with Starr and many other players in Clintonera Washington Washington Post journalist Benjamin Wittes arrives at a new understanding of Starr and the part he played in one of American history s most enthralling public sagas Wittes offers a subtle and deeply considered portrait of a decent man who fundamentally misconstrued his function under the independent counsel law Starr took his task to be ferreting out and reporting the truth about official misconduct a well intentioned but nevertheless misguided distortion of the law Wittes argues At key moments throughout Starr s probe from the decision to reinvestigate the death of Vincent Foster Jr to the repeated prosecutions of Susan McDougal and Webster Hubbell to the failure to secure Monica Lewinsky s testimony quickly the prosecutor avoided the most sensible prosecutorial course fearing that it would compromise the larger search for truth This approach not only delayed investigations enormously but it gave Starr the appearance of partisan zealotry and an almost maniacal determination to prosecute the president With insight and originality Wittes provides in this account of Starr s term a fascinating reinterpretation of the man his performance and the controversial events that surrounded the impeachment of President Clinton The Presidents and the Constitution Ken Gormley,2016-05-10 Shines new light on America s brilliant constitutional and presidential history from George Washington to Barack Obama In this sweepingly ambitious volume the nation s foremost experts on the American presidency and the U S Constitution join together to tell the intertwined stories of how each American president has confronted and shaped the Constitution Each occupant of the office the first president to the forty fourth has contributed to the story of the Constitution through the decisions he made and the actions he took as the

nation's chief executive By examining presidential history through the lens of constitutional conflicts and challenges *The Presidents and the Constitution* offers a fresh perspective on how the Constitution has evolved in the hands of individual presidents It delves into key moments in American history from Washington's early battles with Congress to the advent of the national security presidency under George W Bush and Barack Obama to reveal the dramatic historical forces that drove these presidents to action Historians and legal experts including Richard Ellis Gary Hart Stanley Kutler and Kenneth Starr bring the Constitution to life and show how the awesome powers of the American presidency have been shaped by the men who were granted them The book brings to the fore the overarching constitutional themes that span this country's history and ties together presidencies in a way never before accomplished

Bill Clinton Allan Metz, 2002-03-30 Bill Clinton's administration was filled with new policies and achievements for the nation's future but those achievements were easily overshadowed by personal flaws and scandal Despite his personal problems Clinton captured the American public and served two terms as one of our more memorable presidents This comprehensive bibliography on Clinton will provide students with information from his childhood his pre presidential career presidency including assessments of it and the beginning of his post presidential life Key access points to this information are provided in the Table of Contents and detailed author and subject indexes Also included is an invited essay providing an overview of the Clinton presidency and an extensive chronology of significant events

Prosecuting the President Andrew Coan, 2019 Prosecuting the President explains what every American needs to know about special prosecutors perhaps the most consequential and the most mysterious public officials of our time For more than a century they have struck fear into the hearts of Presidents who have the power to fire them at any time How could this be And how could the nation have entrusted such a high responsibility to such subordinate officials As this book shows the answer is that special prosecutors serve as catalysts for democracy By raising the visibility of presidential misconduct they enable the American people to hold the President accountable for his actions Ultimately the choice is ours

Insurance Register, 1899 *Uncovering Clinton* Michael Isikoff, 2011-12-21 I realized something that should have been apparent to me much earlier I was in the middle of a plot to get the president A quarter of a century after Woodward and Bernstein's history making expose *All the President's Men* stunned the nation by capturing the Nixon presidency in the throes of turmoil Newsweek reporter Michael Isikoff gives us an equally explosive and surprisingly suspenseful behind the scenes account of his investigative role in the scandals that have rocked President Clinton's second term and led to the historic vote for impeachment that will define his presidency Isikoff who is credited with breaking the Paula Jones Kathleen Willey and Monica Lewinsky stories is universally acknowledged as the leading reporter who brought to light the incredible revelations about Clinton's personal and political lives that have consumed this country and shocked the world As a reporter for the Washington Post and Newsweek Isikoff has established himself as an astute observer and chronicler of Clinton's conduct throughout his presidency following a trail of presidential misconduct from Little Rock

Arkansas to the Oval Office But Isikoff also unwittingly became a primary character in the unfolding Clinton drama This is a story only he could tell a gripping narrative of how one journalist went from battling skeptical editors and a formidable White House spin machine in his quest for the truth about Clinton to becoming a central participant in one of the biggest scandals in American political history Featuring a cast of bizarre characters who make this book as entertaining to read as a novel Uncovering Clinton is also a nuanced and scrupulously fair account with a wealth of never before told information about the major players and events in the Clinton scandals including The real reasons why some Washington Post reporters and editors believed Paula Jones s story from the start and why Isikoff s story nonetheless was later killed before it ran How George Stephanopolous covered for Clinton as Isikoff pursued the Paula Jones story How Lucianne Goldberg s private notebook and tapes of her phone calls with Linda Tripp show that while Tripp was crying victim to the press she was really plotting to bring down the president and betray Monica Lewinsky and write a book about it all The real truth behind Hillary Clinton s oft cited vast right wing conspiracy a coterie of right wing lawyers known as the elves who secretly wrote the Jones legal briefs and arranged to bring the Lewinsky story to Ken Starr s office and to public light How Linda Tripp manipulated Ken Starr s prosecutors into launching a criminal investigation into the Lewinsky matter while withholding critical information including her repeated contacts with Isikoff Isikoff had no agenda when he started investigating President Clinton s conduct other than to get at the truth Now after accomplishing a remarkable case of journalistic detective work Isikoff gives us something even more significant a work that illuminates the psychologically troubling behavior of a president an Administration that has enabled his actions a motley crew of Clinton haters who would stop at nothing to topple the president and a rapidly changing media grappling with the ever shifting boundaries between public and private behavior Uncovering Clinton will surely be the definitive account of our nation s biggest political scandal since Watergate
