ARMAGEDDON's SONG 'CROSSING THE RUBICON' ANDY FARMAN,2015-02-10 The European war is a long way from the fighting that is consuming the Pacific The ANZACs and the US 5TH Mechanised Division are too few in number to defend Australia s coastline Fear of China s nuclear arsenal has left the allies with limited friends and there is trouble at home in the West Now that war in Europe has reached its bloody end and the men came home to less than gratitude from the politicians In the Pacific all eyes are on the Spratly Islands as the Allies combat the Chinese 3rd and 6th Armies The aftermath in Europe may have left the US and the ANZACs standing alone or has it Soldiers have more honour than politicians at the end of the day A reckoning is coming ARMAGEDDON's SONG 1 'STAND - TO' ANDY FARMAN,2014-07-03 Volume 1 of a 5

Volume story the best selling Armageddon s Song series now with map illustrations Did the Cold War really end No matter it is about to get hot anyway Espionage subterfuge corruption in high places and a nuclear plot are uncovered by a beautiful spy more used to shedding her clothes to discover secrets than she is of keeping them Will duty bind her to silence or will conscience win her over Stand To is the first book in the Armageddon s Song series and it puts you in the seat of a Sea Harrier dog fighting over the Pacific in the control room of a submarine during a torpedo attack in the Atlantic looking down the sights of a sniper rifle on the north German Plain and at the side of a Russian paratrooper General who leads from the front Encompassing not just a story from a US point of view but also through the eyes and deeds of the other combatants on both sides of the conflict

**ARMAGEDDON's SONG 'THE LONGEST NIGHT'** ANDY FARMAN,2015-02-10 The war in Europe has reached critical mass and it is a race between the Red Army and the newly arrived US and Canadian 4 Corps The winner owns Europe Just one last push by the New Warsaw Pact will clear away SACEUR s gambit and the last division standing between the Red Army and the Channel Ports It is the Longest Night for everyone and the last night for many

ARMAGEDDON's SONG 3 'FIGHT THROUGH' ANDY FARMAN,2015-02-12 The world is at war from the steamy jungles of South America to the high ice of mountain glaciers This is the third of a five part tale of global war and the people under arms on both sides of the conflict NATO won the Battle of the Atlantic at terrible cost and not only in men women and material but to the planet also In Europe the NATO army is close to exhaustion grimly holding its ground along the Elbe and Saale rivers buying time for the US and Canadian 4 Corps to arrive but their grit and determination are frustrating an enemy becoming ever more desperate and a finger hovers over a button marked Nuclear Release **ARMAGEDDON's SONG 2**

**'ADVANCE TO CONTACT'** Andy Farman,2015-02-08 Volume 2 of a 4 part series that goes further than even Tom Clancy s classic in a tale of truly global world war Washington DC Taipei NATO s North Cape naval picket and two carrier combat groups have been destroyed by nuclear weapons NATO is on the back foot and her potential allies are thinning out as China

shows no hesitation in levelling entire cities Major Bedonavich and Svetlana Vorsoff are our spies with a conscience and now they are in from the cold but someone will go to any lengths to exact revenge Perhaps baiting the Bear in his lair is their only hope of survival The NATO army in Europe with the battered but defiant Coldstream Guards and US 82nd are holding the line Vital supplies are enroute from America but the determination of those in the convoys and escorts is matched by those charged with sinking them NATO needs to level the playing field and then tilt it in their favour **ARMAGEDDON's SONG**

**4 'THE LONGEST NIGHT' & 'CROSSING THE RUBICON'** Andy Farman,2015-02-09 Volume 4 Two distinct parts of the story Book 1 The Longest Night is set between 8pm and 8am the critical night battle in Germany between NATO and the New Red Army The war in Europe has reached critical mass and it is a race between the Red Army and the newly arrived US and Canadian 4 Corps The winner owns Europe Just one last push by the New Warsaw Pact will clear away SACEUR's gambit and the last division standing between the Red Army and the Channel Ports It is the Longest Night for everyone and the last night for many Book 2 Crossing the Rubicon The war in Europe has reached its bloody end and the troops came home to less than gratitude from the politicians In the Pacific all eyes are on the Spratly Islands as the Allies combat the Chinese 3rd and 6th Armies but the aftermath in Europe may have left the US and the ANZACs standing alone or has it Soldiers have more honour than politicians at the end of the day **The Allure of Immortality** Lyn Millner,2015-10-28 Wall Street Journal's

Five Best Books About Cults For five days in December 1908 the body of Cyrus Teed lay in a bathtub at a beach house just south of Fort Myers Florida His followers the Koreshans waited for signs that he was coming back to life They watched hieroglyphics emerge on his skin and observed what looked like the formation of a third arm They saw his belly fall and rise with breath even though his swollen tongue sealed his mouth As his corpse turned black they declared that their leader was transforming into the Egyptian god Horus Teed was a charismatic and controversial guru who at the age of 30 had been illuminated by an angel in his electro alchemical laboratory At the turn of the twentieth century surrounded by the marvels of the Second Industrial Revolution he proclaimed himself a prophet and led 200 people out of Chicago and into a new age Or so he promised The Koreshans settled in a mosquito infested scrubland and set to building a communal utopia inside what they believed was a hollow earth with humans living on the inside crust and the entire universe contained within According to Teed's socialist and millennialist teachings if his people practiced celibacy and focused their love on him he would return after death and they would all become immortal Was Teed a visionary or villain savior or two bit charlatan Why did his promises and his theory of cellular cosmogony persuade so many In The Allure of Immortality Lyn Millner weaves the many bizarre strands of Teed's life and those of his followers into a riveting story of angels connen angry husbands yellow journalism and ultimately hope Un-American Dreams J. Jesse Ramírez,2022-04-15 After the end the world will be un

American This speculation forms the nucleus of Un American Dreams a study of US apocalyptic science fiction and the cultural politics of disimagined community in the short century of American superpower 1945 2001 Between the atomic

attacks on Hiroshima and Nagasaki which helped to transform the United States into a superpower and initiated the Cold War and the terrorist attacks on the World Trade Center and the Pentagon which spelled the Cold War's second death and inaugurated the War on Terror apocalyptic science fiction returned again and again to the scene of America's negation During the American Century to imagine yourself as American and as a participant in a shared national culture meant disimagining the most powerful nation on the planet *Un American Dreams* illuminates how George R Stewart Philip K Dick George A Romero Octavia Butler and Roland Emmerich represented the impossibility of reforming American society and used figures of the end of the world as speculative pretexts to imagine the utopian possibilities of an un American world The American Century was simultaneously a closure of the path to utopia and an escape route into apocalyptic science fiction the underground into which figures of an alternative future could be smuggled *Angelbound Origins Box Set* Christina Bauer, 2019-07-19 *Angels Demons Love Snark* The first three books of the best selling series are now in one ebook collection *ANGELBOUND Book 1* Myla Lewis is a girl who loves two things kicking ass and kicking ass She's not your every day quasi demon part demon and part human girl Myla lives for the days she gets to fight in Purgatory's Arena That is until she meets Prince Lincoln a super sexy half human and half angel demon hunter But what's a quasi demon girl to do when she falls for a royal demon killer With a love with fighting for Myla's about to shake up the after realms *SCALA Book 2* Myla Lewis has a whole lot of trouble A magical object called Lucifer's Orb is threatening millions of souls and it's Myla's job to make it go away Plus an old enemy is plotting to separate Myla from her Angelbound love Prince Lincoln But Myla and Lincoln are fighting back Can they stop the Orb save Purgatory's souls and stay together Or will both the after realms and their relationship be destroyed *ACCA* In just one week supernatural warrior Myla Lewis must discover enough evidence to send the evil House of Acca to prison or she'll end up in jail herself along with her fianc Time to kick some ass I'm virtually speechless when it comes to these novels I have not found an author that I adore the writing style of this much since Jennifer L Armentrout The world that Bauer creates is amazing *Brittany's Book Reviews Angelbound Origins* In which Myla Lewis kicks ass and takes names 1 *Angelbound* 2 *Scala* 3 *Acca* 4 *Thrax* 5 *The Dark Lands* 6 *The Brutal Time* 7 *Armageddon* 8 *Quasi Redux* 9 *Clockwork* 10 *Igni* 10 *Lady Reaper* **The Key to Kidasuna** Jacob Sockness, **Visions of the End of the Cold War in Europe, 1945-1990** Frédéric Bozo, Marie-Pierre Rey, N. Piers Ludlow, Bernd Rother, 2012-03-01 Exploring the visions of the end of the Cold War that have been put forth since its inception until its actual ending this volume brings to the fore the reflections programmes and strategies that were intended to call into question the bipolar system and replace it with alternative approaches or concepts These visions were associated not only with prominent individuals organized groups and civil societies but were also connected to specific historical processes or events They ranged from actual thoroughly conceived programmes to more blurred utopian aspirations or simply the belief that the Cold War had already in effect come to an end Such visions reveal much about the contexts in which they were developed and shed light on crucial moments and

phases of the Cold War      **Lab Coats in Hollywood** David A. Kirby, 2011 How science consultants make movie science plausible in films ranging from 2001 A Space Odyssey to Finding Nemo Stanley Kubrick's 2001 A Space Odyssey released in 1968 is perhaps the most scientifically accurate film ever produced The film presented such a plausible realistic vision of space flight that many moon hoax proponents believe that Kubrick staged the 1969 moon landing using the same studios and techniques Kubrick's scientific verisimilitude in 2001 came courtesy of his science consultants including two former NASA scientists and the more than sixty five companies research organizations and government agencies that offered technical advice Although most filmmakers don't consult experts as extensively as Kubrick did films ranging from A Beautiful Mind and Contact to Finding Nemo and The Hulk have achieved some degree of scientific credibility because of science consultants In Lab Coats in Hollywood David Kirby examines the interaction of science and cinema how science consultants make movie science plausible how filmmakers negotiate scientific accuracy within production constraints and how movies affect popular perceptions of science Drawing on interviews and archival material Kirby examines such science consulting tasks as fact checking and shaping visual iconography Kirby finds that cinema can influence science as well Depictions of science in popular films can promote research agendas stimulate technological development and even stir citizens into political action
