Durrance,1984 **Dying for Action: Decision time for an urgent, effective Arms Trade Treaty** Edmund Carins, **Handbook on Participatory Action Research and Community Development** Stoecker , Randy,Falcón, Adrienne,2022-04-08 This Handbook is a critical resource for carefully considering the possibilities and challenges of strategically integrating participatory action research PAR and community development CD Utilizing practical examples from diverse contexts across five continents it looks at how communities are empowering themselves and bringing about systemic change European Military Law Systems Georg Nolte,2012-08-06 The German Ministry of Defense decided in 2000 to commission a study comparing various European systems of military law The present book contains not only the original study but also all national reports in English It provides a comparative analysis of different European military law systems on the basis of national reports **Strategy for Action** Steven Jermy,2011 *Military Review* ,1969

Hollywood's Women of Action Philip Caudrey,2024-04-26 The action heroine has never been more popular than she is today with the likes of The Hunger Games 2012 Mad Max Fury Road 2015 and Wonder Woman 2017 granting her a newfound prominence in Hollywood filmmaking When most knowledgeable action fans think of the action heroine historically however they tend to do so through the prism of her most iconic characters Emma Peel in the 1960s Lynda Carter s Wonder Woman in the 1970s Ripley and Sarah Connor in the 1980s Xena Warrior Princess and Buffy the Vampire Slayer in the 1990s and of course the likes of Hermione Granger Katniss Everdeen Imperator Furiosa and Princess Diana in modern times Yet the action heroine s epic journey goes back much further than this Indeed it has its origins in the earliest days of cinema amongst the serial queens of the early silent era and the fleeting cowgirls swordswomen and jungle girls of Hollywood s Golden Age in the 1930s 1940s and 1950s This book is about that epic journey It traces the action heroine s century long struggle for legitimacy and respect beginning with the silent era serial The Perils of Pauline 1914 and ending with the big budget action blockbusters of today This book asks why the action heroine s path towards acceptability on mainstream film and television has proven such a long and tortuous one why she is so hated by a vocal minority of male action fans and how she has overcome the conservatism of the Hollywood system to at last forge a reputation for herself as a genuinely viable protagonist on both the big and small screens *Civil Liabilities and Other Legal Issues for Probation/parole Officers and Supervisors* ,2001 *Information and Referral in Reference Services* Marcia Stucklen Middleton,Bill Katz,2013-10-18 This book investigates a wide variety of situations and models which fall under the umbrella of information and referral It examines traditional views in public libraries and library systems as well as descriptions of programs in nontraditional settings such as academic libraries A human services perspective is explored and research models are presented
