Welsh and Manx John Rhys,2020-09-28 TOWARDS the close of the seventies I began to collect Welsh folklore I did so partly because others had set the example elsewhere and partly in order to see whether Wales could boast of any story tellers of the kind that delight the readers of Campbell sPopular Tales of the West Highlands I soon found what I was not wholly unprepared for that as a rule I could not get a single story of any length from the mouths of any of my fellow countrymen but a considerable number of bits of stories In some instances these were so scrappy that it took me years to discover how to fit them into their proper context but speaking generally I may say that as the materials such as they were accumulated my initial difficulties disappeared I was however always a little afraid of refreshing my memory with the legends of other lands lest I should read into those of my own ideas possibly foreign to them While one is busy collecting it is safest probably not to be too much engaged in comparison when the work of collecting is done that of comparing may begin But after all I have not attempted to proceed very far in that direction only just far enough to find elucidation here and there for the meaning of items of folklore brought under my notice To have gone further would have involved me in excursions hopelessly beyond the limits of my undertaking for comparative folklore has lately assumed such dimensions that it seems best to leave it to those who make it their special study **Cig a Gwaed** Dewi Prysor,2012-12-11 Mae sgerbydau teuluol fel arfer yn cael eu cadw yn y cwpwrdd ond mae sgerbwdd teulu r Bartis a i draed yn rhydd Nofel ddiweddaraf Dewi Prysor a gyrhaeddodd restr fer Llyfr y Flwyddyn ac ennill gwobr Barn y Bobl a i nofel ddiwethaf Lladd Duw Mae Cig a Gwaed yn nofel gignoeth sy n holi ydi gwaed yn dewach na dAur mewn gwirionedd *Un Ddinas Dau Fyd* Llwyd Owen,2012-08-08 Dilyniant carlamus i nofel gyntaf enwog Llwyd Owen Ffawd Cywilydd a Chelwyddau Pumed nofel Llwyd Owen enillydd Llyfr y Flwyddyn 2007 gyda i nofel Ffydd Gobaith Cariad Nofel storiol lawn cyffro a ddylai apelio n eang *Blasu* Manon Steffan Ros,2007-05-16 Wrth edrych yn ol ar ei bywyd a r teulu a r ffrindiau a fu n gwmni iddi ar hyd y daith daw blasau o r gorffennol i brocio atgofion Pegi Ond nid yw pob atgof yn felys ac mae rhai cyfrinachau n gadael blas chwerw Trysorfa y plant ,1863 **Celtic Folklore:**

Welsh and Manx Vol.1 (of 2) John Rhys,2017-07-04 The materials crowded into the earlier chapters mark out the stories

connected with the fairies whether of the lakes or of the dry land as the richest lode to be exploited in the mine of Celtic folklore That work is attempted in the later chapters and the analysis of what may briefly be described as the fairy lore given in the earlier ones carries with it the means of forcing the conviction that the complex group of ideas identified with the little people is of more origins than one in other words that it is drawn partly from history and fact and partly from the world of imagination and myth The latter element proves on examination to be inseparably connected with certain ancient beliefs in divinities and demons associated for instance with lakes rivers and floods Accordingly this aspect of fairy lore has been dealt with in chapters vi and vii the former is devoted largely to the materials themselves while the latter brings the argument to a conclusion as to the intimate connexion of the fairies with the water world Then comes the turn of the other kind of origin to be discussed namely that which postulates the historical existence of the fairies as a real race on which have been lavishly superinduced various impossible attributes This opens up a considerable vista into the early ethnology of these islands and it involves a variety of questions bearing on the fortunes here of other races In the series which suggests itself the fairies come first as the oldest and lowest people then comes that which I venture to call Pictish possessed of a higher civilization and of warlike instincts Next come the earlier Celts of the Goidelic branch the traces linguistic and other of whose presence in Wales have demanded repeated notice and last of all come the other Celts the linguistic xii ancestors of the Welsh and all the other speakers of Brythonic The development of these theses as far as folklore supplies materials occupies practically the remaining five chapters Among the subsidiary questions raised may be instanced those of magic and the origin of druidism not to mention a neglected aspect of the Arthurian legend the intimate association of the Arthur of Welsh folklore and tradition with Snowdon and Arthur s attitude towards the Goidelic population in his time Hergest Geraint

Evans,2022-09-07 A novel set in the imaginary university town Hergest Dr Rodrigo Lewis of Patagonia is on a one year sabbatical there and is also exploring his ancestry He discovers unexpected information and after a promising beginning his time in Hergest goes from bad to worse A novel full of clashes and quarrels with important consequences for the whole community Geraint Evans s sixth novel *Aros Am Y Babi* Frank Endersby,1985 Waiting for Baby is a story without words which follows the forthcoming birth of the new baby brother sister from the scan and buying new toys to decorating the playroom and visiting mum in hospital Parents will enjoy putting their own words to the pictures in a way that their own child will understand **Burning Monkey** Sera Moore Williams,2013-12-04 A strongly issue led play Burning Monkey relates the story of a teenage couple and their interactions with an older war veteran trying to rebuild his fractured relationship with his daughter While their exchanges initially show a hostile and unsympathetic clash of generations it soon becomes apparent that they share similar pain based on their damaged family relationships and absent parents children and they begin to feel empathy for one another s plight In the background the presence of war looms the character of Old is haunted by memories of his time as a soldier and the character of Monkey looks forward to a time when he can escape the depressing realities of

his life and join the army In the midst of this Shell is fifteen madly in love with Monkey and pregnant with his child Her attempts to try and make the irresponsible immature Monkey stay with her become increasingly desperate Burning Monkey is a play that raises important issues for teenagers addressing themes such as war violence separated families and responsibility
