part of the contemporary American literary scene than many of his more nationalistic peers and that in much of his work Poe was making commentaries on slavery and Southern social attitudes technology the urban landscape political economy and other subjects This Broadview Edition includes a selection of Poe s poems tales and sketches in such diverse modes of writing as tales of the supernatural and psychic conflict satires and hoaxes science fiction and detective fiction and nonfiction essays on literary and social topics These are supplemented by a selection of contextual documents newspaper and magazine articles treatises and other historical texts that will help readers understand the social literary and intellectual milieus in which Poe wrote     **The Legal Intelligencer...** ,1856     **New York Magazine** ,1994-02-21 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea     **The Publishers' Circular and Booksellers' Record of British and Foreign Literature** ,1904     **Live Stock Journal** ,1897     **Cobbett's Parliamentary Debates** Great Britain.
