Anyanwu,2013-03-14 Wasting a dream is like wasting a life and a life without a dream is a hopeless one We don t dream to attract attention or recognition to be applauded by families and well wishers We do dream because our lives are dependent on it Real dreamers never quit even when it seems like giving up They are aware of the fact that the dreams they possess are tried and tested They comprehend that without the hurdles these dreams fail to survive the test of time No man prays for his dreams to be opposed but the fact still remains It s inevitable Literal dreamers only imagine and assume They paint the maginified pictures

of their lives but never strive to make them happen Real dreamers never deal with assumptions they believe and act One thing is to dream and another to act on it to make it a reality It s biblically written that faith without work is dead A dream without an effort hits the rock So therefore keep your aspirations alive with the right nutrients As long as you can breath your dreams can breathe also Living Beyond Your Dream World is a book which will energize your body soul and spirit to be part of the Dream Census thus making the dream alive DIG DEEPER DREAM BIGGER IT S YOUR TIME TO SHINE

where the trees whispered secrets and the animals spoke in riddles and wisecracks The sky was purple and turquoise In Dreamland Barbie can be anyone and go anywhere It s a place where anything is possible and where the soul can find comfort Her adventures at night were amazing She would soar through the sky on a shiny dragon feeling the rush of freedom in her blood as the wind pulled her hair back She would have tea parties with rabbits that could talk The rabbits laughter would sound like a happy symphony in a field of brightly colored flowers She liked to wander around in beautiful forests where streams sang lullabies to long lost hopes and trees whispered stories of past adventures Barbie on the other hand found the animals in Dreamland to be very interesting There was Lumina a pretty fairy whose wings sparkled like stars at dusk She would teach Barbie about the night sky by telling her stories about constellations and the music that the stars played Nimbus a sneaky cloud fairy who can change shape at will came next Nimbus could change into a dolphin to explore the depths of the dream seas or a kite to take Barbie high above the clouds Barbie and Nimbus would go on exciting adventures together She made new friends every night and each one was more creative than the last She laughed with kind giants whose hearts were as big as the sky danced with fire sprites whose bright flames lit up the night sky and talked with wise old owls who taught her ancient secrets
