**Armoured Combat in Vietnam** Donn Albert Starry, 1978 Vietnamkrigen USA Tet Junction City Armored Combat in Vietnam Donn Albert Starry, 1978 Armoured Warfare in the Vietnam War Michael Green, 2014-10-30 This pictorial history of the Indochina and Vietnam Wars captures the range of armored warfare used in the region through rare wartime photographs The two conflicts that engulfed Indochina and Vietnam in the decades after World War II are generally thought of as infantry wars But in fact they both involved a significant amount of armored warfare In this fully illustrated volume military expert and Vietnam veteran Michael Green describes the many kinds of armored vehicles deployed and their contributions in combat The ill fated French Expeditionary Force of the Indochina War was largely equipped with World War II era American tanks including M3 and M5 Stuart M4 Sherman and M24 light tanks as well as armored cars and half tracks Most of these eventually went to the Army of the Republic of Vietnam but were outdated and ineffective due to lack of logistics and training The US Army and Marine Corps build up in the 1960s saw vast quantities of M48 Pattons M113 APCs and many specialist variants and improvised armored vehicles arrive in the theatre The Australians also brought their British Centurion tanks But it was the Russians Chinese and North Vietnamese who won the day and their T 38 85 tanks ZSU anti aircraft platforms **AK646 - AMERICAN ARMOR IN VIETNAM , Armored Combat in Vietnam** Donn A. Starry, 1980-12-01 Vietnam Studies - Mounted Combat In Vietnam [Illustrated Edition] General Donn A. Starry, 2014-08-15 Includes 1 chart 17 maps 6 diagrams and 38 illustrations The generally unsuccessful experience of French armored forces in Southeast Asia from the end of World War II to 1954 convinced American military men that armored units could not be employed in Vietnam It was not until 1967 however when a study titled Mechanized and Armor Combat Operations Vietnam was sent to the Chief of Staff and Secretary of the Army that the potential of armored forces was fully described to the Army s top leaders Despite the study s findings that armored cavalry was probably the most cost effective force on the Vietnam battlefield there was little that could be done to alter significantly either the structure of forces already sent to Vietnam or those earmarked for deployment The armored force of the Army of the Republic of Vietnam meanwhile had been successful enough in fighting the elusive Viet Cong that U S armored units had been deployed in limited numbers usually as part of their parent divisions From early March 1965 until the cease fire in Jan 1973 U S armored units participated in virtually every large scale offensive operation and worked closely with South Vietnamese Army and other free world forces After eight years of fighting over land on which tanks were once thought to be incapable of moving in weather that was supposed to prohibit armored operations and dealing with an elusive enemy against whom armored units were thought to be at a considerable disadvantage armored forces emerged as powerful flexible and essential battle forces In large measure they contributed to the success of the free world forces not only in close combat but in pacification and security operations as well When redeployment began in early 1969 armored units were not included in the first forces scheduled for

redeployment and indeed planners moved armored units down the scale time and again holding off their redeployment until the very end Armor, 2013 **History of operations research in the United States Army** Charles R. Shrader, 2006

firepower and training for crews and junior leaders Finally the U S Army has lacked a forced entry armor capability since the retirement of the M551 Sheridan Neither the Stryker vehicle nor the Future Combat Systems as currently envisioned can fill that critical void The authors conclude that it would be prudent for the U S Army to maintain a mix of heavy medium armored and light forces that can be task organized and employed in conditions that best match their attributes Medium armored forces have much to offer in such a mix provided by publisher *Armor in Battle* Robert S.
