Basic Bible Commentary Vol 12 Isaiah:

BASICS OF BIBLICAL CRITICISM F. David Farnell, Edward D. Andrews, Thomas Howe, Thomas Marshall, Dianna Newman, Benjamin Cocar, 2016-05-07 Biblical criticism is an umbrella term covering various techniques for applying literary historical critical methods in analyzing and studying the Bible and its textual content Biblical criticism is also known as higher criticism literary criticism and historical criticism Biblical criticism has done nothing more than weaken and demoralize people's assurance in the Bible as being the inspired and fully inerrant Word of God and is destructive in its very nature Historical criticism is made up of many forms of biblical criticism that are harmful to the authoritative Word of God historical criticism source criticism form criticism redaction criticism social science criticism canonical criticism rhetorical criticism structural criticism narrative criticism reader response criticism feminist criticism and socioeconomic criticism Not just liberal scholarship but many moderate even some conservative scholars have adopted historical criticism at some level The authors herein show how adopting any level of biblical criticism by pastors biblical teachers students and scholars will only diminish the trustworthiness of God's Word e.g. inerrancy Biblical criticism is extremely flawed and its attack on the Bible has failed to demonstrate that the Bible is not the Word of God On this Dr Robert L Thomas writes Someone needs to sound the alarm when evangelical leaders mislead the body of Christ A mass evangelical exodus from this time honored principle of interpreting Scripture is jeopardizing the church's access to the truths taught therein Whether interpreters have forsaken the principle intentionally or have subconsciously ignored it the damage is the same Robert L Thomas *Evangelical Hermeneutics The New Versus the Old* p 160 [Subject Guide to Books in Print](#), 1997 **Right Thinking in a Church Gone Astray** Nathan Busenitz, 2017-03-01 Keeping the Church on Track in a Secular World The church today faces great challenges both from without and from within Popular culture tempts Christians to compromise truth in the name of relevance and to ignore sin under the guise of tolerance At the same time serious doctrinal errors threaten to undermine the authority of God's Word leading to all sorts of unbiblical practices Right Thinking in a Church Gone Astray offers responses from trusted evangelical voices on 15 timely issues With a careful look at God's Word you'll gain wisdom and insights on highly relevant topics such as measuring true success in ministry countering the church's celebrity culture responding biblically to homosexuality reclaiming the essentials of the Christian faith discerning God's ultimate priority for the church With biblical guidance on these and other vital matters this resource provides much needed clarity for today's church

Revelation and Reason in Christian Theology Christopher C. Green, David I. Starling, 2018-07-11 Do revelation and reason contradict Throughout the church's history Christians have been tempted to make revelation and reason mutually exclusive But both are essential to a true understanding of the faith The inaugural Theology Connect conference held in Sydney in July 2016 was dedicated to surveying the intersection of revelation and reason In *Revelation and Reason in Christian Theology* Christopher C Green and David I Starling draw together the fruit of this conference to provoke sustained deep reflection on

this relationship The essays filtered through epistemological biblical historical and dogmatic lenses critically and constructively contribute to this important and developing aspect of theology Each essayist approaches revelation and reason according to the psalmist's words In your light we see light Ps 36 9 The light of faith does not obscure truth rather it enables us to see truth

Walking with God Beth Moore, 2026-01-13 Join Beth Moore for the Journey of a Lifetime What does it really mean to walk with God not just for a season but for a lifetime No two people in Scripture walked with God identically and the same is true for all of us Sometimes a stretch of miles when God seems gloriously obvious can be followed by months of wondering where he's gone God has his own objectives for each season of our walks and some of them will remain a mystery until we see his face Join New York Times bestselling author of *All My Knotted Up Life* Beth Moore as she leads you on a five week journey through Scripture to explore what walking with God looked like throughout the Biblical storyline the Beginning of Walking Genesis the Law of Walking Books of the Law the Heart of Walking Psalms and Books of Poetry the Discipleship of Walking Gospels the Spirit of Walking Epistles Filled with Scripture rich teaching thought provoking questions practical application and insightful personal reflections from Beth gleaned from a lifetime of walking with God every page of this Bible study was designed to spark an awareness of God's presence in your daily life Whether you're just beginning your faith journey or have been walking with God for decades this study will teach you to walk nearer and more attentively with God every day Video sessions sold separately

NEW TESTAMENT

CONTEXTUAL COMMENTARY Dr. Robert R. Seyda, 2024-05-16 Here John advises us that loving one another is not an option or a suggestion it is a commandment John doesn't want any believer to become like Adam and Eve's firstborn Cain That happened because Cain was under the influence of Satan This is therefore a warning not to mess with the world So what if they hate us We are bound for everlasting life in the presence of God That's why death has no power over us And that's why if our thoughts do not tell us that we are guilty we will not be afraid to come to God We can pray to God and we can ask Him to help us He will give us what we ask Him for That is because we obey His commands and we do the things that please Him Furthermore we should all love each other because God makes us able to love other people Everyone who loves other people confirms our claim to be a child of God If anyone says clearly that Jesus is the Son of God God lives in that person And that person lives together with God We know the kind of love that God has for us That's why if we love God we will not be afraid of Him So how do we know that we love God's children We know it when we love God and we do what He tells us to do

That's Just Your Interpretation Paul Copan,2001-11-01 In our relativistic society Christians more than ever are bombarded by tough questions about their faith Author Paul Copan has observed that many of these questions emerge as anti truth claims that are part of today s skeptical mind set Christians defending their faith often hear slogans and questions such as It s all relative Everything is one with the Divine all else is illusion The Gospels contradict each other Why would a good God create hell This book provides incisive answers to slogans related to truth and reality theism pantheism Eastern religion and naturalism and doctrinal issues such as the incarnation and truth of Scripture Each of the twenty two chapters provides succinct answers and summary points for countering the arguments Copan s book is accessible for all Christians who want to defend the plausibility of Christianity in the marketplace of ideas It also includes helpful summary sections additional resources and additional documentation in the endnotes for review and discussion
