*The Cultic Motif in the Book of Daniel* Winfried Vogel, 2010 This unique study of the theology of the book of Daniel examines the cultic motif within the book as it relates to space and time Numerous references and allusions to cult are investigated with linguistic literary and contextual analyses The findings are then related to the main theological themes of the book such as judgment eschatology kingdom and worship It is evident that the idea of cult plays a dominant role in Daniel and that it demonstrates the intention of the author to present the issue of conflict of two opposing systems of cult and worship For all who are interested in an exegesis of Daniel that pays dutiful attention to the theology of Daniel *The Cultic Motif in the Book of Daniel* is a must read Subject Guide to Books in Print, 1997 *Forthcoming Books* Rose

understand and interpret the book of Daniel and gain a better grasp of what the future may bring A Biblical Theology of Gerassapience Joel A. A. Ajayi, 2010 Ancient cultures such as that of the Hebrews commonly associated wisdom with advanced years In *A Biblical Theology of Gerassapience* the author investigates the validity of this correlation through an eclectic approach including linguistic semantic tradition historical and socio anthropological methods to pertinent biblical and extra biblical texts There are significant variations in the estimation of gerassapience or old age wisdom in each period of ancient Israel s life that is in pre monarchical monarchical and post monarchical Israel Throughout this study appropriate

cross cultural parallels are drawn from the cultures of ancient Israel's neighbors and of modern societies such as the West African Yoruba tribe. The overall results are bi-dimensional. On the one hand there are semantic elements of gerassapience such as the elusiveness of wisdom and the mild fluidity of old age. Both terms have strong contextual affinity with minimal exceptions. Thus the attribution of wisdom to old age is evident but not absolute in the Hebrew Bible Old Testament. On the other hand gerassapience is depicted as primarily didactic through direct and indirect instructions and counsels of the elderly fostering the saging fear of Yahweh legacies. On the whole socio-anthropocentric tendencies of gerassapience that is of making old age a repertoire of wisdom are checked by theological warrants of theosapience. Yahwistic wisdom. Therefore in the Hebrew Bible the fear of Yahweh is also the beginning of growing old and wise. *The Book of Daniel, Volume 1 Composition and Reception* John J. Collins, Peter W. Flint, 2014-09-03.
