the opening verses of the Bible as the creator of the world shows in the concluding chapters of Genesis his loving concern for the vulnerable Joseph and the family that betrayed him God is in charge and he cares Through God's presence what appears to be a hopeless situation is transformed to a new situation where all are given what is necessary to live abundantly Although the radical nature of God's lovingkindness is not completely understood or acknowledged God continues to move forward with his plan Using concepts from the common law the author shows the organizational structure of this remarkable story and sets out the writer's argument concerning God's relationship with humanity Understanding the story of Joseph the reader gets pointed in the right direction for further exploration of Holy Scripture

White Ethnic New York Joshua M. Zeitz, 2011-09-01 Historians of postwar American politics often identify race as a driving force in the dynamically shifting political culture Joshua Zeitz instead places religion and ethnicity at the fore arguing that ethnic conflict among Irish Catholics Italian Catholics and Jews in New York City had a decisive impact on the shape of liberal politics long before black white racial identity politics entered the political lexicon Understanding ethnicity as an intersection of class national origins and religion Zeitz demonstrates that the white ethnic populations of New York had significantly diverging views on authority and dissent community and individuality secularism and spirituality and obligation and entitlement New York Jews came from Eastern European traditions that valued dissent and encouraged political agitation their Irish and Italian Catholic neighbors tended to value commitment to order deference to authority and allegiance to church and community Zeitz argues that these distinctions ultimately helped fracture the liberal coalition of the Roosevelt era as many Catholics bolted a Democratic Party increasingly focused on individual liberties and many dissent minded Jews moved on to the antiliberal New Left
