Lamport,2016-11-10 From the Founding Fathers through the present Christianity has exercised powerful influence in the United States from its role in shaping politics and social institutions to its hand in inspiring art and culture The Encyclopedia of Christianity in the United States outlines the myriad roles Christianity has played and continues to play This masterful five volume reference work includes biographies of major figures in the Christian church in the United States influential religious documents and Supreme Court decisions and information on theology and theologians denominations faith based organizations immigration art from decorative arts and film to music and literature evangelism and crusades the significant role of women racial issues civil religion and more The first volume opens with introductory essays that provide snapshots of Christianity in the U S from pre colonial times to the present as well as a statistical profile and a timeline of key dates and events Entries are organized from A to Z The final volume closes with essays exploring impressions of Christianity in the United States from other faiths and other parts of the world as well as a select yet comprehensive bibliography Appendices help readers locate entries by thematic section and author and a comprehensive index further aids navigation Quaker Life ,1986 *Library of Congress Catalogs* Library of Congress,1979 **Historical Dictionary of the Friends (Quakers)** Margery Post Abbott,Mary Ellen Chijioke,Pink Dandelion,John William Oliver,2011-12-01 The modern reputation of Friends in the United States and Europe is grounded in the relief work they have conducted in the presence and aftermath of war Friends also known as Quakers have coordinated the feeding and evacuation of children from war zones around the world They have helped displaced persons without regard to politics They have engaged in the relief of suffering in places as far flung as Ireland France Germany Ethiopia Egypt China and India Their work was acknowledged with the award of the Nobel Peace Prize in 1947 to the American Friends Service Committee AFSC and the Friends Service Council of Great Britain More often however Quakers live worship and work quietly without seeking public attention for themselves Now the Friends are a truly worldwide body and are recognized by their Christ centered message of integrity and simplicity as well as their nonviolent stance and affirmation of the belief that all people women as well as men may be called to the ministry The expanded second edition of the Historical Dictionary of the Friends Quakers relates the history of the Friends through a chronology an introductory essay an extensive bibliography and over 700 cross referenced dictionary entries on concepts significant figures places activities and periods This book is an excellent access point for scholars and students who will find the overviews and sources for further research provided by this book to be enormously helpful *Evangelical Dictionary of Theology (Baker Reference Library)* Walter A. Elwell,2001-05-01 Fifteen years after its original publication comes a thoroughly revised edition of the Evangelical Dictionary of Theology Every article from the original edition has been revisited With some articles being removed others revised and many new articles

Religious Books 1876-1982 ,1983 **American Book Publishing Record** ,1981 *The Living Church* ,1946
 Weekly Record ,1980 **Religious Book Review** ,1978 *The American Friend* ,1956 Reaching Generation Next
Lewis A. Drummond,2002-10-01 Evangelism is at the core of Christianity It is a life and death matter both for the salvation of individuals and for the continuing growth of the church Although the message of the gospel never changes its means of communication must be continually modified to reflect the thought patterns and worldview of our changing culture Reaching Generation Next is the perfect guide on how to effectively proclaim the gospel in today s postmodern culture Both theological and practical it provides Christian leaders and laypeople with a basic understanding of the essential aspects of evangelism and with foundational guidelines on how to evangelize Veteran evangelist Lewis Drummond helps Christians understand how and why today s generation thinks the way it does and offers in capsule form sensible answers and convincing reasons for faith While providing a basic theology of evangelism and stressing the important role of leadership the book s primary theme is that every believer must become an evangelist Reaching Generation Next is a great resource for evangelism training classes Each chapter concludes with discussion questions Also included are sections on spiritual awakening movements evangelizing the disabled and surveys for churches and individuals Publishers' Trade List Annual, 1980 Bobbs-Merrill Educational Co,1980
