1846-1912

DAVID V. ALEXANDER

Arizona Frontier Military Place Names

B. Turner

Arizona Frontier Military Place Names:

Frontier Cavalry Trooper Douglas C. McChristian, 2013-04-30 During his five years in the army Private Edward L Matthews wrote a series of exceptionally detailed and engaging letters to his family back home in Maryland describing his life in the Arizona and New Mexico Territories Eddie Matthews s letters published here for the first time provide an unparalleled chronicle of one soldier s experiences in garrison and in the field in the post Civil War Southwest Eddie s letters record a vivid chronicle of day to day life in the frontier regulars Included are operational details in his company candid observations of people and places intimate views of frontier society and personal opinions that probably would have been forgotten or moderated had he recorded his experiences later in life More subtle are his valuable references to the state of transportation and communication in the Southwest during the early 1870s Matthews probably did not realize until later years that he was not only a witness to the nation s rapid westward expansion but was himself a tiny cog in the machinery that made it possible Arizona Frontier Military Place Names, 1846-1912 David V. Alexander, 1998 *Frontier Forts and Outposts of New Mexico* Donna Blake Birchell, 2019 Life in early New Mexico was often perilous Geographic isolation attracted outlaws and ruffians and skirmishes often arose between the indigenous tribes and settlers In response the U S government set up military forts and outposts to protect its new citizens These strongholds include Fort Craig where logs were made to look like cannons to fool Confederate troops Kit Carson John Pershing and Billy the Kid all called Fort Stanton home before it became the first federal tuberculosis sanatorium and later a detention center for German prisoners of war Author Donna Blake Birchell relates little known yet highly important Civil War battles the tragedies of the Navajo and Mescalero Apache internments and other dramatic frontier stories A Civil War History of the New Mexico Volunteers and Militia Jerry D. Thompson, 2015-09-01 The Civil War in New Mexico began in 1861 with the Confederate invasion and occupation of the Mesilla Valley At the same time small villages and towns in New Mexico Territory faced raids from Navajos and Apaches In response the commander of the Department of New Mexico Colonel Edward Canby and Governor Henry Connelly recruited what became the First and Second New Mexico Volunteer Infantry In this book leading Civil War historian Jerry Thompson tells their story for the first time along with the history of a third regiment of Mounted Infantry and several companies in a fourth regiment Thompson s focus is on the Confederate invasion of 1861 1862 and its effects especially the bloody Battle of Valverde The emphasis is on how the volunteer companies were raised who led them how they were organized armed and equipped what they endured off the battlefield how they adapted to military life and their interactions with New Mexico citizens and various hostile Indian groups including raiding by deserters and outlaws Thompson draws on service records and numerous other archival sources that few earlier scholars have seen His thorough accounting will be a gold mine for historians and genealogists especially the appendix which lists the names of all volunteers and militia men

Fort Bowie, Arizona Douglas C. McChristian, 2012-10-19 Fort Bowie in present day Arizona was established in 1862 at

the site of the famous Battle of Apache Pass where U S troops clashed with Apache chief Cochise and his warriors The fort s dual purpose was to guard the invaluable water supply at Apache Spring and to control Indians in the developing southwestern region Douglas C McChristian s *Fort Bowie Arizona* spans nearly four decades to provide a fascinating account of the many complex events surrounding the small combat post In a sweeping narrative McChristian presents Fort Bowie in fresh contexts of national expansion and regional development weaving in threads of early exploration transcontinental railroad surveys the overland mail mining ranching and the conflict with the Apaches *Lost Worlds of 1863* W. Dirk Raat,2022-02-08 A comparative history of the relocation and removal of indigenous societies in the Greater American Southwest during the mid nineteenth century *Lost Worlds of 1863 Relocation and Removal of American Indians in the Central Rockies and the Greater Southwest* offers a unique comparative narrative approach to the diaspora experiences of the Apaches O odham and Yaqui in Arizona and Sonora the Navajo and Yavapai in Arizona the Shoshone of Utah the Utes of Colorado the Northern Paiutes of Nevada and California and other indigenous communities in the region Focusing on the events of the year 1863 W Dirk Raat provides an in depth examination of the mid nineteenth century genocide and devastation of the American Indian Addressing the loss of both the identity and the sacred landscape of indigenous peoples the author compares various kinds of relocation between different indigenous groups ranging from the removal and assimilation policies of the United States government regarding the Navajo and Paiute people to the outright massacre and extermination of the Bear River Shoshone The book is organized around detailed individual case studies that include extensive histories of the pre contact Spanish and Mexican worlds that created the context for the pivotal events of 1863 This important volume Narrates the history of Indian communities such as the Yavapai Apache O odham and Navajo both before and after 1863 Addresses how the American Indian has been able to survive genocide and in some cases thrive in the present day Discusses topics including Indian slavery and Lincoln s Emancipation Proclamation the Yaqui deportation Apache prisoners of war and Great Basin tribal politics Explores Indian ceremonial rites and belief systems to illustrate the relationship between sacred landscapes and personal identity Features sub chapters on topics such as the Hopi Navajo land controversy and Native American boarding schools Includes numerous maps and illustrations contextualizing the content for readers *Lost Worlds of 1863 Relocation and Removal of American Indians in the Central Rockies and the Greater Southwest* is essential reading for academics students and general readers with interest in Western history Native American history and the history of Indian White relations in the United States and Mexico *Sierra Vista* Ethel Jackson Price,2003-10-22 The story of Sierra Vista Arizona begins with Coronado s explorations of the southwestern desert in the sixteenth century long before the 1877 establishment of Camp Huachuca home of the famed 24th Infantry Buffalo Soldiers Sierra Vista grew up in the fury of the silver and copper mining days surrounded by three stunning mountains and the San Pedro River Once known as Fry this frontier town bloomed from a virtually unpopulated settlement into the Hummingbird Capital of the World

Chief Loco Bud Shapard, 2012-11-26 Winner of the 2011 New Mexico Book Award in the multi cultural category Jlin tay i tith better known as Loco was the only Apache leader to make a lasting peace with both Americans and Mexicans Yet most historians have ignored his efforts and some Chiricahua descendants have branded him as fainthearted despite his well known valor in combat In this engaging biography Bud Shapard tells the story of this important but overlooked chief against the backdrop of the harrowing Apache wars and eventual removal of the tribe from its homeland to prison camps in Florida Alabama and Oklahoma Tracing the events of Loco s long tenure as a leader of the Warm Springs Chiricahua band Shapard tells how Loco steered his followers along a treacherous path of unforeseeable circumstances and tragic developments in the mid to late 1800s While recognizing the near impossibility of Apache American coexistence Loco persevered in his quest for peace against frustrating odds and often treacherous U S government policy Even as Geronimo Naiche and others continued their raiding and sought to undermine Loco s efforts this visionary chief motivated by his love for children maintained his commitment to keep Apache families safe from wartime dangers Based on extensive research including interviews with Loco s grandsons and other descendants Shapard s biography is an important counterview for historians and buffs interested in Apache history and a moving account of a leader ahead of his time *Dragoons in Apacheland* William S. Kiser, 2014-12-04 In the fifteen years prior to the American Civil War the U S Army established a presence in southern New Mexico the homeland of Mescalero Mimbres and Mogollon bands of the Apache Indians From the army s perspective the Apaches presented an obstacle to be overcome in making the region newly acquired in the Mexican American War safe for Anglo settlers In *Dragoons in Apacheland* William S Kiser recounts the conflicts that ensued and examines how both Apache warriors and American troops shaped the future of the Southwest Borderlands Kiser narrates two distinct contests The Apaches were defending their territory against the encroachment of soldiers and settlers At the same time the Anglo Americans maneuvered against one another in a competition for political and economic power and for Apache territory Cross cultural misunderstandings political corruption in Santa Fe and Washington anti Indian racism troublemakers among both Apaches and settlers irresponsible army officers and troops corrupt American and Mexican traders and policy disagreements among government officials all contributed to the ongoing hostilities Kiser examines the behaviors and motivations of individuals involved in all aspects of these local regional and national disputes Kiser is one of only a few historians to deal with this crucial period in Indian white relations in the Southwest and the first to detail the experiences of the First and Second United States Dragoons elite mounted troops better equipped and trained than infantry to confront Apache guerrilla warriors more accustomed to the southwestern environment Often led by the Gila leader Mangas Coloradas the Apaches fought desperately to protect their lands and way of life The Americans Kiser shows used unauthorized tactics of total warfare encouraging field units to attack villages and destroy crops and livestock particularly when the Apaches refused to engage the troops in pitched battles Kiser s insights into the pre Civil War conflicts in southern New Mexico are essential to

a deeper understanding of the larger U S Apache war that culminated in the heroic resistance of Cochise Victorio and Geronimo

The Civil War in Arizona Andrew E. Masich, 2012-12-04 Bull Run Gettysburg Appomattox For Americans these battlegrounds all located in the eastern United States will forever be associated with the Civil War But few realize that the Civil War was also fought far to the west of these sites The westernmost battle of the war took place in the remote deserts of the future state of Arizona In this first book length account of the Civil War in Arizona Andrew E Masich offers both a lively narrative history of the all but forgotten California Column in wartime Arizona and a rare compilation of letters written by the volunteer soldiers who served in the U S Army from 1861 to 1866 Enriched by Masich s meticulous annotation these letters provide firsthand testimony of the grueling desert conditions the soldiers endured as they fought on many fronts Southwest Book Award Border Regional Library Association Southwest Book of the Year Pima County Public Library NYMAS Civil War Book Award New York Military Affairs Symposium

The Statesman's Yearbook 2007 B. Turner, 2017-02-07 The Statesman s Yearbook now in a new enlarged format contains profiles of every country in the world and includes 20% new content All print purchases now receive online access at no extra cost with a single user licence giving access to the full text online updated regularly and fully searchable For queries sybinfo palgrave com

The Pike's Peak and the Rocky Mountain Rangers Kenneth E. Draper, 2012-05-07 Having been born and raised on the Missouri River at Atchison Kansas and having the ghosts of the Civil War about me constantly I have been passionately interested in the Civil War as long as I can remember The Victorian and antebellum homes with servant quarters still behind them the wooded bluffs and caves where escaped slaves were hidden and the mystique of the Missouri River area itself have maintained this feeling of the war for me My mothers immediate family was from the Missouri River bottoms on the Missouri side and my fathers immediate family was from rural Atchison on the Kansas side From my incomplete and somewhat misinformed family and formal history education I assumed for most of my life that my mothers family was Confederate in its leanings and that my fathers family was Union I was unaware that the town and countys namesake Sen David Rice Atchison was from Missouri and had much Pro Slavery activity No effort has ever been made to change the towns name since the war No Confederate tie to him was taught in any of my classes in school

The Statesman's Yearbook 2009 B. Turner, 2017-01-12 This edition is fully updated and contains more information and analysis than ever before A foldout colour section provides a political world map and flags for all 193 countries Each copy comes with online access to the full text at no extra cost Unlimited user upgrades are also available for libraries who wish to network the data

Good Time Girls of Arizona and New Mexico Jan MacKell Collins, 2019-08-21 As settlements and civilization moved West to follow the lure of mineral wealth and the trade of the Santa Fe Trail prostitution grew and flourished within the mining camps small towns and cities of the nineteenth century Southwest Whether escaping a bad home life lured by false advertising or seeking to subsidize their income thousands of women chose or were forced to enter an industry where they faced segregation and persecution fines and jailing and battled the other

hazards of their profession Some dreamed of escape through marriage or retirement and some became infamous and even successful but more often found relief only in death An integral part of western history the stories of these women continue to fascinate readers and captivate the minds of historians today Arizona and New Mexico each had their share of working girls and madams like Sara Bowman and Dona Tules who remain notorious celebrities in the annals of history but Collins also includes the stories of lesser known women whose roles in this illicit trade help shape our understanding of the American West

Forts of the West Robert Walter Frazer, 1965 The number and variety of forts and posts together with changes of location name and designation have posed perplexing problems for students of western history Now Robert W Frazer has prepared a systematic listing of all presidios and military forts which were ever at any time and in any sense so designated The lists of posts are arranged alphabetically within the boundaries of present states Pertinent information is included for each fort date of establishment location and reason for establishment name rank and military unit of the person establishing the post origin of the post name and changes in name and location present status or date of abandonment and disposition of any existing military reservation A map for each state shows the location of the posts discussed A prime reference for historians Forts of the West will prove useful to readers of western history as well

Civil War in the Southwest Borderlands, 1861-1867 Andrew E. Masich, 2017-02-03 Still the least understood theater of the Civil War the Southwest Borderlands saw not only Union and Confederate forces clashing but Indians Hispanos and Anglos struggling for survival power and dominance on both sides of the U S Mexico border While other scholars have examined individual battles Andrew E Masich is the first to analyze these conflicts as interconnected civil wars Based on previously overlooked Indian Depredation Claim records and a wealth of other sources this book is both a close up history of the Civil War in the region and an examination of the war making traditions of its diverse peoples Along the border Masich argues the Civil War played out as a collision between three warrior cultures Indians Hispanos and Anglos brought their own weapons and tactics to the struggle but they also shared many traditions Before the war the three groups engaged one another in cycles of raid and reprisal involving the taking of livestock and human captives reflecting a peculiar mixture of conflict and interdependence When U S regular troops were withdrawn in 1861 to fight in the East the resulting power vacuum led to unprecedented violence in the West Indians fought Indians Hispanos battled Hispanos and Anglos vied for control of the Southwest while each group sought allies in conflicts related only indirectly to the secession crisis When Union and Confederate forces invaded the Southwest Anglo soldiers Hispanos and sedentary Indian tribes forged alliances that allowed them to collectively wage a relentless war on Apaches Comanches and Navajos Mexico s civil war and European intervention served only to enlarge the conflict in the borderlands When the fighting subsided a new power hierarchy had emerged and relations between the region s inhabitants and their nations forever changed Masich s perspective on borderlands history offers a single cohesive framework for understanding this power shift while demonstrating the importance of transnational and

multicultural views of the American Civil War and the Southwest Borderlands **The Family Tree Resource Book for Genealogists** Sharon DeBartolo Carmack, Erin Nevius, 2004-12 Provides genealogists with research summaries maps and timelines for every U S state county level data that can be utilized to acquire most genealogical records and listings of contact information Web sites libraries and genealogical and historical societies **The Family Tree Sourcebook** Family Tree Editors, 2010-09-20 The one book every genealogist must have Whether you re just getting started in genealogy or you re a research veteran The Family Tree Sourcebook provides you with the information you need to trace your roots across the United States including Research summaries tips and techniques with maps for every U S state Detailed county level data essential for unlocking the wealth of records hidden in the county courthouse Websites and contact information for libraries archives and genealogical and historical societies Bibliographies for each state to help you further your research You ll love having this trove of information to guide you to the family history treasures in state and county repositories It s all at your fingertips in an easy to use format and it s from the trusted experts at Family Tree Magazine Al Sieber Dan L. Thrapp, 2012-11-28 General George Crook planned and organized the principal Apache campaign in Arizona and General Nelson Miles took credit for its successful conclusion on the 1800s but the men who really won it were rugged frontiersmen such as Al Sieber the renowned Chief of Scouts Crook relied on Sieber to lead Apache scouts against renegade Apaches who were adept at hiding and raiding from within their native terrain In this carefully researched biography Dan L Thrapp gives extensive evidence for Sieber s expertise noting that the expeditions he accompanied were highly successful whereas those from which he was absent met with few triumphs Perhaps the greatest tribute to his abilities was paid by a San Carlos Apache who no matter how miserable life might become because he said Sieber would find him even if he left no tracks

The Statesman's Yearbook 2004 B. Turner, 2016-12-27 For one hundred and forty years The Statesman s Yearbook has been relied upon to provide accurate and comprehensive information on the current political economic and social status of every country in the world The appointment of the new editor only the seventh in the book s history brought enhancements to the 1998 99 edition and these have been continued since then The 2004 edition is fully updated and contains more information than ever before A foldout colour section provides a political world map and flags for the one hundred and ninety two countries of the world In an endlessly changing world the annual publication of The Statesman s Yearbook gives all the information you need in one easily digestible single volume It will save hours of research and cross referencing between different sources and it is an essential annual purchase
