Armed Struggle The History Of The Ira

James C. Bradford

Armed Struggle The History Of The Ira:

Armed Struggle Richard English, 2005 Looks at the history of the Irish Republican Army from the 1916 Easter Rising until the present day discussing such topics as the IRA's core beliefs and philosophy the partition of Ireland and the split of the IRA

Armed Struggle Richard English, 2004-03 **Armed Struggle** Richard English, 2003 This is a detailed history and analysis of the IRA from the dramatic events of the Easter Rising in 1916 to the Peace Process In it he examines the guerrilla war of 1919-1921 the partitioning of Ireland in the 1920s and the Irish Civil War of 1922-23 Here too are the IRA campaigns in Northern Ireland and Britain during the 1930s 1940s 1950s and 1960s The author Richard English explains how the Provisionals were born out of the turbulence generated by the 1960s civil rights movement And he examines the escalating violence the split in the IRA that produced the Provisionals the introduction of internment in 1971 and the tragedy of Bloody Sunday in 1972 He then details the prison war over political status culminating in the Hunger Strikes of the early 1980s moves on to describe the Provisionals' subsequent emergence as a more committedly political force and concludes with the peace process

Armed Struggle Richard English, 2008-09-04 A timely work of major historical importance examining the whole spectrum of events from the 1916 Easter Rising to the current and ongoing peace process fully updated with a new afterword for the paperback edition An essential book closely reasoned formidably intelligent and utterly compelling required reading across the political spectrum important and riveting Roy Foster The Times An outstanding new book on the IRA a calm rational but in the end devastating deconstruction of the IRA Henry McDonald Observer Superb the first full history of the IRA and the best overall account of the organization English writes to the highest scholarly standards Moreover he writes with the common reader in mind he has crafted a fine balance of detail and analysis and his prose is clear fresh and jargon free sets a new standard for debate on republicanism Peter Hart Irish Times The one book I recommend for anyone trying to understand the craziness and complexity of the Northern Ireland tragedy Frank McCourt author of Angela's Ashes

The IRA and Armed Struggle Rogelio Alonso, 2007-03-12 The IRA is one of the oldest terrorist organizations in the world and conducted a ferociously violent campaign for almost thirty years Now deeply enmeshed in the Northern Ireland peace process Rogelio Alonso asks why one of the bloodiest terrorist movements of our time decide to swap weapons for the ballot box Based on over seventy interviews conducted with former and existing members of the IRA Alonso also provides a rigorous evaluation of the personal and political consequences of the IRA's campaign of violence The analysis of these interviews radically challenges the dominant academic analysis of Irish terrorism This book includes a strong criticism of the armed struggle constructed around the discourse of those who waged it and answers the question faced by many armed revolutionary movements Was the war worth it Translated from the critically acclaimed *Matar por Irlanda* and available in English for the first time this is a provocative and new approach to understanding the IRA It is essential reading for readers and researchers with an interest in Irish politics and history terrorism and political violence

The IRA and Armed

Struggle Rogelio Alonso, 2007 The IRA is one of the oldest terrorist organizations in the world and conducted a ferociously violent campaign for almost thirty years Now deeply enmeshed in the Northern Ireland peace process Rogelio Alonso asks why one of the bloodiest terrorist movements of our time decide to swap weapons for the ballot box Based on over seventy interviews conducted with former and existing members of the IRA Alonso also provides a rigorous evaluation of the personal and political consequences of the IRA's campaign of violence The analysis of these interviews radically challenges the dominant academic analysis of Irish terrorism This book includes a strong criticism of the armed struggle constructed around the discourse of those who waged it and answers the question faced by many armed revolutionary movements Was the war worth it Translated from the critically acclaimed *Matar por Irlanda* and available in English for the first time this is a provocative and new approach to understanding the IRA It is essential reading for readers and researchers with an interest in Irish politics and history terrorism and political violence *Routledge Companion to UK Counter Terrorism* Andrew Staniforth, 2013 The United Kingdom has long been an island under siege from terrorists who believe they can advance their aims through acts of violence Protecting the public from the excesses of extremism remains the primary responsibility of government For over a century Special Branch MI5 and MI6 have prevented terrorist atrocities and have pursued those who wish to destroy the United Kingdom's free and democratic way of life Yet despite developing one of the world's most sophisticated security architectures successful terrorist attacks have occurred with alarming regularity For the very first time this new volume explores the evolution of counter terrorism practice in the United Kingdom brought to life with dramatic case studies and personal insider accounts provided by leading policy makers prosecutors and counter terrorism practitioners who openly reveal the challenges and operational reality of countering contemporary terrorist threats From the troubles in Northern Ireland to the al Qaeda inspired genre of international terrorism this volume plots the trajectory of counter terrorism policy and practice exploring the events that have served to change the course of civil protection This unique title is enriched by leading academic perspectives providing analysis of counter terrorism responses and identifies lessons to be learned from the past the present as well as exploring the terrorist threats of the future to be tackled by the next generation of counter terrorism practitioners This accessible and authoritative volume is required reading for all in authority and academia who are concerned with national security counter terrorism and the law as well as those with a vested interest in the preservation of human rights the protection of civil liberties and democracy itself *The Routledge Handbook of the Northern Ireland Conflict and Peace* Laura McAtackney, Máirtín Ó Catháin, 2023-11-13 The Routledge Handbook of the Northern Ireland Conflict and Peace is the first multi authored volume to specifically address the many facets of the 30 year Northern Ireland conflict colloquially known as the Troubles and its subsequent peace process This volume is rooted in opening space to address controversial subjects answer key questions and move beyond reductive analysis that reproduces a simplistic two community theses The temporal span of individual chapters can reach back to the

formation of the state of Northern Ireland with many starting in the late 1960s to include a range of individuals collectives organisations understandings and events at least up to the Good Friday Belfast Agreement in 1998 This volume has forefronted creative approaches in understanding conflict and allows for analysis and reflection on conflict and peace to continue through to the present day With an extensive introduction preface and 45 individual chapters this volume represents an ambitious expansive interdisciplinary engagement with the North of Ireland through society conflict and peace from a wide range of disciplinary perspectives theoretical frameworks and methodological approaches While allowing for rich historical explorations of high level politics rooted in state documents and archives this volume also allows for the intermingling of different sources that highlight the role of personal papers memory space materials and experience in understanding the complexities of both Northern Ireland as a people place and political entity

Provisional Irish Republican Army and the Morality of Terrorism Timothy Shanahan, 2008-12-18 Is terrorism ever morally justified How should historical and cultural factors be taken into account in judging the morality of terrorist acts What are the ethical limits of state counter terrorism For three decades the Provisional Irish Republican Army waged an armed struggle against what it considered to be the British occupation of Northern Ireland To its supporters the IRA was the legitimate army of Ireland fighting to force a British withdrawal as a prelude to the re unification of the Irish nation To its enemies the IRA was an illegal fanatical terrorist organization whose members were criminals willing to sacrifice innocent lives in pursuit of its ideological obsession At the centre of the conflict were the then unconventional tactics employed by the IRA including sectarian killings political assassinations and bombings that devastated urban centres tactics that have become increasingly commonplace in the post 9 11 world This book is the first detailed philosophical examination of the morality of the IRA s violent campaign and of the British government s attempts to end it Written in clear accessible prose it is essential reading for anyone wishing to acquire a deeper understanding of one of the paradigmatic conflicts of the late 20th century

Social Movement De-Radicalisation and the Decline of Terrorism Gordon Clubb, 2016-10-04 By drawing on social movement theories this book explains how terrorist movements decline using the case of Irish Republicanism The continuity of terrorism and political violence from generation to generation demonstrates the need to go beyond a focus on groups or individuals in order to explain how terrorism ends The concept of de radicalisation has been critiqued for its lack of explanatory value in accounting for disengagement from terrorism or how the risk of terrorism re emerging is reduced However building on the morphogenetic approach this book distinguishes between structure culture and agency over time in order to analyse the causal influence between the two Two processes are analysed disengagement framing processes explain how actors change attitudes to violence and the book identifies which factors ensure frames resonate with audiences and social movement de radicalisation accounts for the outcomes of disengagement in initiating structural change which transforms the landscape the next generation finds itself in The fundamental aim of the book is to provide theoretical and conceptual insights into how

terrorism can not only come to an end but can be prevented from emerging to be a significant threat again within a society This book will be of much interest to students of terrorism and political violence social movement theory British and Irish Politics war and conflict studies security studies and IR in general *The SAGE Encyclopedia of Terrorism, Second Edition* Gus Martin,2011-06-15 This thoroughly updated edition with expanded coverage explores the impact of terrorism on economics public health religion and pop culture and also includes details of ethical issues and debates relating to terrorism

International Encyclopedia of Military History James C. Bradford,2004-12-01 With its impressive breadth of coverage both geographically and chronologically the International Encyclopedia of Military History is the most up to date and inclusive A Z resource on military history From uniforms and military insignia worn by combatants to the brilliant military leaders and tacticians who commanded them the campaigns and wars to the weapons and equipment used in them this international and multi cultural two volume set is an accessible resource combining the latest scholarship in the field with a world perspective on military history *Transforming Violent Political Movements* Kevin E. Grisham,2014-03-21 This book explores the factors that influence violent rebellious political organisations to transform into other entities such as political parties criminal organisations and terrorist organisations From the end of the Second World War until 1990 many events in the world centred on the bipolar struggle between the United States and the USSR Although there were numerous civil wars occurring during the Cold War era many of these conflicts went virtually unnoticed unless they were linked to the Cold War struggle for ideological dominance In the aftermath of the fall of the Soviet Union the number of intra state conflicts was prevalent around the globe Along with the occurrence of civil wars a variety of violent political movements also developed Examining cases from Latin America Africa Europe and Asia this book addresses how violent political movements transform during and after conflict into new types of organisations using the collective political violence transformative CPVT model The study uses a combination of pre existing literature from the fields of sociology and political science archival research and interviews with movement members former and active conducted by the author In studying the Provisional IRA and Sinn F in the Spear of the Nation MK and the African National Congress ANC the Abu Sayyaf Group and the Revolutionary Armed Forces of Colombia FARC EP *Transforming Violent Political Movements* paints a picture of organisations that have to respond to their environments to survive This book will be of much interest to students of political violence terrorism war and conflict studies security studies and IR **The IRA, 1968-2000** J. Bowyer Bell,2013-04-03 Based on thousands of interviews over 35 years with the leaders and members of the Republican movement and the IRA itself as well as the Irish British and Americans involved in the Troubles the focus of this study is on the workings of an organization involved in armed struggle **The Terrorist's Dilemma** Jacob N. Shapiro,2015-07-21 How do terrorist groups control their members Do the tools groups use to monitor their operatives and enforce discipline create security vulnerabilities that governments can exploit This title examines the great variation in how terrorist groups are structured

The IRA James C. Dingley, 2012-10-02 Authored by an individual with 30 years of experience studying terrorism as well as access to the most senior counter terrorist army and police officers combating the IRA this book provides the first complete analysis of the world's premier terrorist group to explain them in ideological as well as operational terms The IRA The Irish Republican Army begins by examining the historical background to the development of the IRA the group's basic ideology and its aims and objectives The second part of the book concentrates on the IRA specifically the Provisional IRA as a contemporary phenomenon explaining its organization how it operates who joins the IRA and why The book explores how the IRA was formed from a Romantic reaction against modernity and is an expression of a vehement rejection of the liberal individualist and scientific values of the Enlightenment The IRA's attachment to violence almost as an end in itself its conflation of Catholicism with Irishness its rejection of big business for peasant proprietor economics and its disregard for individual rights in pursuit of group rights is explained in terms of the group's scholastic Catholicism foundation For academic audiences in Irish studies politics sociology history and security and defense studies as well as professional security forces and interested general readers with an interest in current affairs this book supplies a wholly new perspective on both the IRA and terrorism in general

Socio-ideological fantasy and the Northern Ireland conflict Adrian Millar, 2013-07-19 Conducting a Lacanian inspired psychoanalysis of some of the most candid interview materials ever gathered from former IRA members and loyalists the author demonstrates through a careful examination of their slips of the tongue jokes rationalisations and contradictions that it is the unconscious dynamics of socio ideological fantasy i.e. the unconscious pleasure people find in suffering domination submission ignorance failure and rivalry over jouissance that lead to the reproduction of antagonism between the Catholic and Protestant communities in Northern Ireland In the light of this he concludes that traditional approaches to conflict resolution which overlook the unconscious are doomed to failure and that a Lacanian psychoanalytic understanding of socio ideological fantasy has great potential for informing the way we understand and study all inter religious and ethnic conflicts Whether you find yourself agreeing with the arguments in this book or not you are sure to find it a welcome change from both the existing mainly conservative analyses of the Northern Ireland conflict and traditional approaches to conflict resolution

Armed groups: Studies in National Security, Counterterrorism, and Counterinsurgency Jeffrey H. Norwitz, 2008 Discussion of armed groups which are considered to include classic insurgents terrorists guerrillas militias police agencies criminal organizations war lords privatized military organizations mercenaries pirates drug cartels apocalyptic religious extremists orchestrated rioters and mobs and tribal factions To study armed groups use of history political science anthropology sociology theology and economics are traditional areas of research The book also delves into matters of ethics technology intelligence education the law diplomacy military science and even mythology The book is divided into five sections History and armed groups Present context and environment Religion and inspiration thinking differently about armed groups the shape of things to come

Violence, Nonviolence, and the Palestinian National

Movement Wendy Pearlman, 2011-10-24 Why do some national movements use violent protest and others nonviolent protest Wendy Pearlman shows that much of the answer lies inside movements themselves Nonviolent protest requires coordination and restraint which only a cohesive movement can provide When by contrast a movement is fragmented factional competition generates new incentives for violence and authority structures are too weak to constrain escalation Pearlman reveals these patterns across one hundred years in the Palestinian national movement with comparisons to South Africa and Northern Ireland To those who ask why there is no Palestinian Gandhi Pearlman demonstrates that nonviolence is not simply a matter of leadership Nor is violence attributable only to religion emotions or stark instrumentality Instead a movement's organizational structure mediates the strategies that it employs By taking readers on a journey from civil disobedience to suicide bombings this book offers fresh insight into the dynamics of conflict and mobilization **Lessons from the Northern Ireland Peace Process** Timothy J. White, 2013 This book incorporates recent research that emphasizes the need for civil society and a grassroots approach to peacebuilding while taking into account a variety of perspectives including neoconservatism and revolutionary analysis The contributions which include the reflections of those involved in the negotiation and implementation of the Good Friday Agreement also provide policy prescriptions for modern conflicts

Unveiling the Energy of Verbal Beauty: An Mental Sojourn through **Armed Struggle The History Of The Ira**

In a global inundated with screens and the cacophony of fast conversation, the profound power and psychological resonance of verbal art usually disappear into obscurity, eclipsed by the continuous onslaught of sound and distractions. However, located within the lyrical pages of **Armed Struggle The History Of The Ira**, a charming work of fictional brilliance that impulses with raw feelings, lies an memorable journey waiting to be embarked upon. Penned with a virtuoso wordsmith, that exciting opus guides viewers on a mental odyssey, delicately revealing the latent possible and profound affect embedded within the delicate web of language. Within the heart-wrenching expanse of the evocative evaluation, we can embark upon an introspective exploration of the book is key styles, dissect its charming publishing model, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.
