A Dictionary of Basic Japanese Sentence Patterns Naoko Chino, 2013-02-22

A Dictionary of Basic Japanese Sentence Patterns is a fundamental learning tool for all students of the Japanese language whether they be unblemished beginners or scarred veterans With both types of struggling student as well as for all the gradations that fall in between there is a strong tendency in the heat of battle to lose sight of the essential nature of the Japanese sentence It is for just such people that this dictionary has been created to help them keep their eyes fixed firmly on the target and not be led astray The dictionary contains fifty of the most fundamental Japanese sentence patterns as well as sixty nine variations This number covers all the patterns that are needed for levels 3 and 4 of the Japanese Language Proficiency Test Each pattern and variation is clearly defined by a formula given in Japanese romanization and English Each is exemplified by sample sentences both in single sentences and in dialogues and each is represented in both polite and informal usage By means of this approach the essential nature of the Japanese sentence is clarified and once that has been done the many patterns and variations fall easily into place The simple undisguised truth is that there are only three types of sentence in Japanese and all of the convolutions and complications that distract and bemuse the student are nothing more than modifications of these three fundamental types The study of the Japanese sentence need not be as difficult as it seems A Dictionary of Basic Japanese Sentence Patterns may be used as a reference book to look up individual patterns for the purpose of learning confirming or reapproaching them or it may be used as a textbook to be read from beginning to end providing an overview of the Japanese sentence while buttressing the student's grasp of individual patterns
