Basic Christian Teachings Martin J. Heineken, 1949 *Essential Doctrine Made Easy* Norman L. Geisler, 2007-08-24

What are the basic doctrines of the Christian faith? *Essential Doctrine Made Easy* pamphlet outlines and explains 14 key beliefs embraced by believers around the world such as Christ's Virgin Birth, Atoning Death, and Bodily Resurrection. This bestselling pamphlet looks at each doctrine and asks two essential questions: What Do I Actually Need to Believe? What Is At Stake Here? Includes a glossary of Christian terms, a chart showing how other religious groups treat these essentials, and much more. Size 8 1/2 x 5 1/2 unfolds to 38" long. Fits inside most Bible covers. Christians have many differing opinions regarding how to work out the details of faith, but 14 essential doctrines are embraced by all followers of the Christian faith. *Essential Doctrine Made Easy* defines and explains all 14 beliefs, including God's Tri-unity, Christ's Virgin Birth, Human Depravity, Christ's Deity, Christ's Atoning Death, Christ's Resurrection, doctrine of the 14 panel pamphlet reveals the essential doctrines reflected in the earliest Church statements of faith called the creeds, as well as beliefs about the inspiration of Scripture and the method of interpretation. A chart shows how other religious groups such as Mormonism and Scientology treat these essentials. Written by author, theologian Dr. Norman L. Geisler, founder of Southern Evangelical Seminary. What are the core teachings of the Bible that have defined Christianity for more than 2,000 years? This bestselling pamphlet outlines and explains them: God's Unity (There is only one God), God's Tri-unity (One God in three Persons), Christ's Virgin Birth, Human Depravity (No one can win God's favor by their own efforts), Christ's Sinlessness, Christ's Deity, Christ's Humanity, Necessity of God's Grace, Necessity of Faith, Christ's Atoning Death, Christ's Bodily Resurrection, Christ's Bodily Ascension, Christ's Intercession, Christ's Second Coming. Each doctrine is defined and addressed by answering two essential questions: For example, The Doctrine of Christ's Atoning Death: The penalty for sin is death, not only physical death (separation of the soul from the body) but also spiritual death (separation of ourselves from God). The penalty we owe to God was paid by Christ through his death on the cross. The acceptable payment had to be perfect, complete, and without fault. Christ, the perfect Man, gave Himself in our place so that whoever believes in Him will not die physically and spiritually but have everlasting life. John 3:16.

Question One: What Do I Actually Need to Believe? Only Christ's sinless life, sacrificial death, and bodily resurrection can bring us to God.

Question Two: What's at Stake Here? The unique nature of Jesus' work of salvation. Reference Scriptures: For even the Son of Man did not come to be served but to serve and to give his life as a ransom for many. Mark 10:45. He himself bore our sins in his body on the tree so that we might die to sins and live for righteousness. 1 Peter 2:24. For Christ died for sins once for all, the righteous for the unrighteous, to bring you to God. 1 Peter 3:18. No one comes to the Father except through me. John 14:6. What do other religions believe? An easy-to-use chart shows how four other religious groups treat the 14 essentials. A key indicates whether the group accepts, redefines, or denies each doctrine, enabling the reader to understand the controversies regarding these religious sects. Other religious groups include Latter Day Saints, Mormonism, Jehovah's

Witnesses Watchtower Scientology Christian Science Essential Doctrines Made Easy also addresses belief in the inspiration of Scripture and the methods of interpretation which are important to faith although not a necessary factor in salvation Four ancient creeds of the early Church are summarized in the pamphlet giving an historical overview of what the Church deemed most essential These creeds include The Apostles Creed The Nicene Creed Athanasian Creed The Creed of Chalcedon A glossary of Chr

Essential Christian Teachings Leo Salvador, 2013-11-11 God has a desire for every one of His children to become great In eternity past He designed a plan that would bring us to greatness He foresaw everything we would need to fulfill our destiny and He set aside a lifetime of provisions for each of us The purpose of this book is to lay out that plan to show from the Word the goal He wants us to reach and the means by which He intends we get there The fundamental principles which underlie any course of study are called simply the basics The basics are the ABC s the nuts and bolts They are the essentials the things we must master before we can become proficient in any particular field But the basics are also the things to which we must return when we lose our bearings They are the bedrock apart from which we have no hope of standing As new believers we learn the basic principles the love of God the destructiveness of sin salvation by faith the authority of the Word the sufficiency of grace We begin to practice the basic exercises confession prayer study services As we mature we come to realize that proficiency skill in living the Christian life is not a matter of moving beyond the basics but is a matter of delving more deeply into them We will never outgrow our need for confession or prayer or service in fact growth intensifies our need for and our pleasure in these things And even though we learn more promises more principles and more doctrines every day we will never plumb the depths of even the most basic truths of God s Word The more we grow in the grace and knowledge of God the less impressed we will be with ourselves and the more impressed we will become with the Lord Jesus Christ in whom are hidden all the treasures of wisdom and knowledge Col 2 3

A. Torrey,2016-09-27 The author of these sermons has had a feeling for a long time that the great need in our churches in this day is systematic indoctrination He put his theory into practice last winter in his own church and these sermons are the result We were having a great many accessions to our church In the two years of the church s history we had had something like six hundred accessions to the church and every month considerable numbers of new members were being added While many of these came by letter from other churches many of them were new converts and had had practically no systematic instruction in the fundamental truths of the Christian faith so we announced a series of sermons on The Fundamental Doctrines of the Christian Faith There was immediately a large increase in the attendance at the services where these addresses were given and this increase has kept up until on the last Lord s Day we had much the largest attendance we have ever had excepting on Easter Sunday Many have testified to the blessing received from these sermons and there has been a great demand that the sermons be printed for general circulation This request has come from ministers of various denominations Episcopalians Presbyterians Methodists Baptists and others It is hoped that this volume will be useful to other pastors in suggesting lines of teaching in their regular pastoral work and also that it may be used widely by pastors vi and others for circulation among Christians We live in a day in which many of our church members are all at sea as to what they believe on the fundamental doctrines of the Christian faith These sermons have already helped many through their delivery It is hoped they will reach and help far more in the printed form R A Torrey
