Learning Curves is a single dad enemies to lovers plus size curvy romcom with a teacher everyone wished they had in school and a swoon worthy dad who would do anything for his daughter. To Spencer women only left pain and destruction in their wake. The only good thing that came from his ex was his daughter Annabelle. And right now his only focus was making sure she was taken care of and was getting the help she needed with her learning disabilities. Even if that meant moving to a new town and starting over. Ellie spent her childhood being judged and bullied because of her learning disabilities. Joke's on them because she's now the top special education teacher in her area. She's extremely protective of her kids even if that means going toe to toe with their parents. See Ellie totally had her life together. Well kind of. Maybe. Okay really she's a word vomiting curvy hot mess who hasn't had a date in years with a diva of a dog who's determined to get a second third and fourth dinner every day. But that was fine. It was always fine. Until one disastrous parent teacher conference with her new student's father turned her world upside down. Now she couldn't get the agitating single dad out of her mind no matter how hard she tried. **The Big Issue, Cape Town**, 2007.
