Vladimir Nabokov Brian Boyd, 2016-06-10 The story of Nabokov's life continues with his arrival in the United States in 1940 He found that supporting himself and his family was not easy until the astonishing success of *Lolita* catapulted him to world fame and financial security *Vladimir Nabokov* David Rampton, 1984-07-05 Vladimir Nabokov was always a controversial writer Long before the publication of *Lolita* controversy raged over the virtues of his work His detractors insisted that he had forsaken the humanistic concerns of the Russian literary tradition while his supporters claimed that his work actually extended and enriched that tradition David Rampton faces these apparent contradictions head on and tries to reach a more balanced integrated view of the novelist's achievement **Anthrax** Richard M. Swiderski, 2014-09-24 *Bacillus anthracis* anthrax had largely faded from public consciousness until it resurfaced as a terrorist weapon in 2001 It was always with us lurking in the soil and hosted by our livestock Long before it was identified as a specific bacterium in the late 1800s anthrax was a catchphrase for a variety of diseases and symptoms from ancient biblical plagues to a painful carbuncle on George Washington's leg Only when industrialization turned anthrax into a widespread disease that threatened economies did a true understanding of *Bacillus anthracis* begin to emerge This history of anthrax follows the development of our understanding of the disease beginning in the 18th century when science began breaking ground on the subject until the present when anthrax is feared more as an agent of biowarfare than as a health hazard harbored by the environment There are three appendices the first outlines the reaction of Manchester New Hampshire to the 2001 anthrax attacks the second documents workplace warnings to anthrax prone workers and the third lists novels that involve anthrax Bibliographical references are also provided **The National Union Catalog, Pre-1956 Imprints**, 1975 **Annual Bibliography of English Language and Literature**, *Think, Write, Speak* Vladimir Nabokov, 2019-11-07 Masterly hilarious truly insightful Philip Hensher *The Spectator* A Times Literary Supplement Book of the Year 2019 The last major collection of Nabokov's published material *Think Write Speak* brings together a treasure trove of previously uncollected texts from across the author's extraordinary career Each phase of his wandering life is included from a precocious essay written while still at Cambridge in 1921 through his fame in the aftermath of the publication of *Lolita* to the final fascinating interviews given shortly before his death in 1977 Introduced and edited by his biographer Brian Boyd this is an essential work for anyone who has been drawn into Nabokov's literary orbit Here he is at his most inspirational curious playful misleading and caustic The seriousness of his aesthetic credo his passion for great writing and his mix of delight and dismay at his own sudden global
